Islam...

The current news in Europe is now calling for “more tolerance for Islam.” Although I am and have been aware for many years that Islam is even worse than fundamentalist Christianity [which is total rot], I am not an expert. High Priestess Zildar knows much about Islam in depth and is an expert. What I have come across in the past few days of which Lilith led me to, people need to know.

Many, many years ago, it was exceptionally cold outside and I was waiting for the bus and had time and went into a small library right near the bus stop. I was browsing some books and pulled out a book on torture from the shelf. I will never forget what I saw and read. A small woman from Yemen who ran away from her abusive husband was caught, sentenced and returned to her husband by an Islamic court. They pounded a tow truck chain through her forearm. I always thought this was a somewhat isolated incident. Was I ever wrong.

I have known and befriended men from the Middle East who came to America when I was a very young adult. Most were decent, polite and respectful. They put Islam behind them. Others only observed Islam lukewarm sop to speak, as is with many xians [Christians for people who are new here]. In order to find out if something is “good” or “evil” it must be given power. I would also like to add here, how the Jews use anything and everything they can to create enmity between family members and of course between men and women. What is thoroughly disgusting and appalling is how this completely degenerate and depraved Jewish program of Islam [Judaism is the root] is blamed upon men. The problem is NOT with “men,” THE PROBLEM IS WITH ISLAM!! If the problem were with men, as the Jews try to promote through certain areas of the media, then it would be world-wide, which it isn’t. This is just another case of blame shifting as with how xian Andrea Yates murdered her five children by drowning them in the bathtub when they came home from school one day.

What smacks of these three Jewish invented so-called “religions” is how they induce not only total insanity, but also incite believers into committing the most extreme and utterly depraved acts that in any normal society would place the perpetrator in an asylum for the criminally insane for a lifetime. The more an individual ties into xian or Islamic energy, the more psychologically unbalanced they become. Many young and well meaning men enter the xian seminary and study to be xian ministry. Yes, this is pushed upon them and they are told this is a good thing and that they can help others. Xianity takes its toll over the years and
then men usually end up as perverts and pedophiles. Many other extremely negative things also factor into their lives and most become completely intolerant, obsessive, hateful and in some cases, even murderous. Lives destroyed. They also end up destroying many lives. One of the prosecutors in the Salem Witch Trials read the Bible some 54 times. This affected him with influencing a murderous bent. This is not surprising given the intense focus on murder, torture, rape and every other ugly thing that is the foundation of the “Holy Bible.”

This is a bit long, but please take the time and read. Those who remain ignorant and unknowing only open themselves to the worst victimization imaginable. The world is in the state it is in because millions are duped into not only slavishly worshipping, but also promoting TRUE EVIL. This has taken its toll and unless something is done, everyone on the entire planet will have no future.

Lilith led me to a book titled: “Souad Burned Alive.”

“When Souad was seventeen she fell in love. In her village, as in so many others, sex before marriage was considered a grave dishonour to one's family and was punishable by death. This was her crime. Her brother-in-law was given the task of arranging her punishment. One morning while Souad was washing the family's clothes, he crept up on her, poured petrol over her and set her alight.

In the eyes of their community he was a hero. An execution for a 'crime of honour' was a respectable duty unlikely to bring about condemnation from others. It certainly would not have provoked calls for his prosecution. More than five thousand cases of such honour killings are reported around the world each year and many more take place that we hear nothing about.

Miraculously, Souad survived rescued by the women of her village, who put out the flames and took her to a local hospital. Horrifically burned, and abandoned by her family and community, it was only the intervention of a European aid worker that enabled Souad to receive the care and sanctuary she so desperately needed and to start her life again. She has now decided to tell her story and uncover the barbarity of honour killings, a practice which continues to this day.

Burned Alive is a shocking testimony, a true story of almost unbelievable cruelty. It speaks of amazing courage and fortitude and of one woman's determination to
survive. It is also a call to break the taboo of silence that surrounds this most brutal of practices and which ignores the plight of so many other women who are also victims of traditional violence."

This was a couple of days ago and I just finished reading the book. It was enough to make me vomit. Lilith wanted me to do a sermon on this. High Priestess Zildar also got a similar message concerning the threat of Islam and how people need to be educated about what Islam really is and how this is most urgent at this time more than ever. Islam has infested many countries in Europe and just as with the xian and communist programs; it is either convert or die. What is even more appalling regarding the above mentioned book is how a couple of pro-Islam websites are trying to denounce this woman’s story as being “fabricated in order to make Islam look bad.” Thanks to the internet though, many are aware this case is one of many, and what is worse, it is common in countries that are infested with and dominated by Islam. There are just too many similar cases of this sort of thing that have been made public for this to be “fabricated.” Just check out how women in Afghanistan are treated and even if one fingernail is showing [they are covered from top to bottom with only a net to look out of], they are readily beaten with clubs, or even worse. The enemy will do anything and everything to try to take shift the blame and take the heat off of Islam as a religion. They also do this with xianity. Blame the victims, anyone and everyone, but not the root cause itself.

In this auto-biography, Souad reveals how as a pregnant teenager, her brother-in-law doused her with gasoline and set her on fire. This, I have learned is quite common in those areas. She lived through it. Most young women who are victims do not make it to tell and the few who do are understandably terrified, as this is called an “honor killing” and the family will try in every way to finish it, if the murder was not successful the first time, even if the woman is in hiding in another country thousands of miles away. This reveals just how the influence of Islam can incite one to the most sick and utterly depraved acts, the lowest and most vile of crimes and even worse, do this to members of their own families.

Here are some excerpts from the book. This woman is Arab and lived somewhere either in Jordan or the West Bank. She was rescued after she was dumped in a hospital where she received no medical care and was left to die with burns over
90 percent of her body, and taken to Europe, where her life was saved and she was given treatment:

“It is a curse in my village to be born a girl. I have no memory of having played games or having fun as a child. The only freedom a girl can dream about is marriage, leaving your father’s house for your husband’s, and not coming back, even if you are beaten. If she does return to her father’s house, it is her family’s duty to bring her back to her husband. My sister was beaten by her husband and she brought shame on our family when she came back home to complain.”

“A wife must produce a son, at least one, and if she gives birth to only girls, she is mocked.” Souad also went on to reveal how her mother was pregnant 14 times and when girls were born, she murdered them immediately by smothering them. I also want to add here, this is not fabricated. If one takes the time, one can find on the internet and on YouTube, there are entire villages in various parts of the world that have been infested by Islam and there are only males left as nearly all of the female babies were either aborted or murdered right after their births. This is a fact.

[Her father] “He pulls me by the hair and he drags me on the ground into the kitchen. He strikes me while I kneel, he pulls on my braid as if he wants to pull it out, and he cuts it off with the big scissors used for shearing wool. I have hardly any hair left. I can cry, yell or plead, but I’ll get only more kicks.” “The girls and women were certainly beaten every day in the other houses too. “You had to bring even this tea tray to the men of the family with your head down, looking only at your feet, and back bent and in silence. You don’t speak. You only speak in answer to a question.” “Our mother was often beaten just as we were. Sometimes she tried to intervene when my father beat us really viciously, and then he’d turn the blows on her, knocking her down and pulling her by her hair.”

“Every birth of a girl was like a burial in the family. It was always considered the mother’s fault if she produced only girls. ““...my parents went to see my brother’s wife at her parents’ house, where she had take refuge because she was pregnant and he had beaten her. “It doesn’t take much at all before a girl is seen by everyone as a charmuta, who has brought shame to the family and who must now die to wash clean the honor not only of her parents and her brother, but of the entire village.
“It is the duty of the brother, the brother-in-law, or the uncle to preserve the family’s honor. They have the right of life and death over their women. If the father or the mother says to the son: ‘Your sister has sinned, you must kill her,’ he does it for the sake of honor and because it is the law.”

“Rarely did I see the police. It’s nothing if a woman disappears, and the villagers agree with the men’s law. If you don’t kill a girl who has dishonored her family, the people in the village will reject this family, and nobody will speak to the family or do business with them and the family will have to leave. “Assad was always angry and violent. He wasn’t allowed to go to see his wife. She had gone directly to her parents’ house when she left the hospital because he had beaten her too severely. But she returned to live with him anyway; it’s the law.”

I would also like to add here concerning pedophilia in Islam. Girls as young as 8 or 9 years old can be “married” off to men in their 40’s. IN addition to this, and I know this for certain, women are required to shave off all of their pubic hair. This makes for a child-like vagina.

“Absolutely every single hair of the genital area must be removed. It must all be bare and clean. My mother says that if by chance you forget a single hair, the man will leave without even looking at his wife and will say she is dirty!” “We don’t remove hair from our legs or our underarms, only from the vulva.”

Women who are not virgins and/or cannot prove they are virgins are murdered. Here is another quote: “We will have to wait for the moment when the husband will display the white linen from the balcony or attach it to the window at daybreak so the people can verify officially the presence of the bride’s blood.” “It is a special linen that is placed on the bed for the first night.” “And we cry also with relief, for Noura has passed the great test. The only test of her life, except for proving she can produce a son.” “Noura showed her bruises. Hussein had struck her so hard that she had bruises on her face too. She lowered her pants to show her violet thighs, and my mother wept. He must have dragged her on the ground by her hair, all the men do that. But, I didn’t find out why he had beaten her. Sometimes its enough if the young bride doesn’t know how to cook very well, she forgets the salt, there is no sauce because she forgot to add a little water...that’s reason enough for a beating.”
“In my village, we don’t measure time the same way as in Europe. You never know exactly how old your father or mother is, you don’t even know the date of your own birth. Time is calculated by Ramadan...” [Islamic month of fasting]. “I prayed to God that night as usual. My parents were very religious, my mother went often to the mosque.”

After she was burned:

“I am on a hospital bed, curled up in a ball under the sheet. A nurse comes to tear off my dress. She pulls roughly on the fabric, and the pain jolts me. I can see almost nothing, my chin is stuck to my chest, I can’t raise it. I can’t move my arms either. The pain is in my head, on my shoulders in my back and on my chest.”

The book is a very blatant revelation of what Islam truly is. Now, European countries are being rapidly infested with this most vile of plagues to every beset humanity.

The Koran is divided into 114 chapters called suras [again, the number 6... 1 + 1 + 4]. In addition to the endless sick filth and depraved violence therein, there is also copious praise for the Jews and for Israel:

The Cow

[2.40] O children of Israel! call to mind My favor which I bestowed on you and be faithful to (your) covenant with Me, I will fulfill (My) covenant with you; and of Me, Me alone, should you be afraid.

[2.47] O children of Israel! call to mind My favor which I bestowed on you and that I made you excel the nations.

There are many more verses, but this sermon is already very long. I strongly suggest everyone here learn the truth about what Islam really is. Just as xianity constantly pushes and promotes endless lies abut how it is brotherhood, peace, love and equality, Islam does the same. No different from how the populace is repeatedly brainwashed with these types of slogans in communist countries in regards to communism.
Don’t be an uninformed stupid idiot. Instead of watching the jootube and wasting your time on worthless related crap, do a little research on Islam, be informed, know the truth and what it is and what they will do to YOU and YOUR FAMILY, if they ever take control, which is what is insidiously happening right now in Europe, various parts of Asia and other areas of other world.

"There are some who are putting women at risk. And doing so for ridiculous reasons, namely that they are somehow responsible for the abuse they are suffering." — Nazir Afzal, head of the Crown Prosecution Service, northwest England. “A new documentary secretly filmed inside several of the 85 Islamic Sharia Law courts operating in Britain has exposed the systematic discrimination that many women are suffering at the hands of Muslim jurists.”

“In one case, the BBC secretly filmed proceedings at the Islamic Sharia Council in Leyton, a heavily Islamized area in east London. While there, a BBC reporter met Sonia, a Muslim woman from Leeds who has suffered extreme physical abuse from her husband. When Sonia obtained a civil divorce, the courts allowed her husband only indirect access to the children. After Sonia threatened to contact the police, the Leyton Sharia Council dropped its demand. Reflecting on the court case, Sonia said, "I could not bear the thought of such a violent person having my children. What was shocking was when I explained to them why he should not have that access to the children, their reaction was, well, you cannot go against what Islam says." “On its website, the Leyton Sharia Council writes: "Though the Council is not yet legally recognized by the authorities in the UK, the fact that it is already established, and is gradually gaining ground among the Muslim community, and the satisfaction attained by those who seek its ruling, are all preparatory steps towards the final goal of gaining the confidence of the host community in the soundness of the Islamic legal system and the help and insight they could gain from it. The experience gained by the scholars taking part in its procedures make them more prepared for the eventuality of recognition for Islamic law."

I strongly encourage everyone here to see for yourselves what Islam really is and ask yourself: Do you really want to be “tolerant” and have this most vile of plagues that will eventually murder YOU and YOUR LOVED ONES in YOUR COUNTRY?

Just take a long hard look at the photos on this website and see for yourself the REALITY OF WHAT ISLAM TRULY IS:

Only something truly evil and thoroughly depraved would corrupt and incite people to commit the lowest and most vile crimes such as these. Islam is a lethal plague and cannot be tolerated in any of its forms. For those idiots who state and mistakenly believe “It’s not my problem” if nothing is done to stop this vile monster, THEN IT WILL BE YOUR PROBLEM.

Satan stands for freedom, liberation, justice and human rights.

Islam Encourages and Promotes Pedophilia

The article below is appalling. As most of you already know, the enemy adds insult to injury with blaspheming our Gods, our Holidays and everything else. “ISIS” as most of you are aware is a very important Egyptian Goddess. The enemy defiles her name with the naming of this most rotten organization.

Excerpt from the News Article Below:

“One 34-year-old Yazidi woman, who was bought and repeatedly raped by a Saudi fighter in the Syrian city of Shadadi, described how she fared better than the second slave in the household — a 12-year-old girl who was raped for days on end despite heavy bleeding.

“He destroyed her body. She was badly infected. The fighter kept coming and asking me, ‘Why does she smell so bad?’ And I said, she has an infection on the inside, you need to take care of her,” the woman said. Unmoved, he ignored the girl’s agony, continuing the ritual of praying before and after raping the child. “I said to him, ‘She’s just a little girl,’ ” the older woman recalled. “And he answered: ‘No. She’s not a little girl. She’s a slave. And she knows exactly how to have sex.’ ”

“And having sex with her pleases God,” he said.”

ISIS Enshrines a Theology of Rape Claiming the Quran’s support, the Islamic State codifies sex slavery in conquered regions of Iraq and Syria and uses the practice as a recruiting tool.

Written by Rukmini Callimachi

QADIYA, Iraq — In the moments before he raped the 12-year-old girl, the Islamic State fighter took the time to explain that what he was about to do was not a sin. Because the preteen girl practiced a religion other than Islam, the Quran not only gave him the right to rape her — it condoned and encouraged it, he insisted.

He bound her hands and gagged her. Then he knelt beside the bed and prostrated himself in prayer before getting on top of her. When it was over, he knelt to pray again, bookending the rape with acts of religious devotion.
“I kept telling him it hurts — please stop,” said the girl, whose body is so small an adult could circle her waist with two hands. “He told me that according to Islam he is allowed to rape an unbeliever. He said that by raping me, he is drawing closer to God,” she said in an interview alongside her family in a refugee camp here, to which she escaped after 11 months of captivity.

Yazidi Girls Seized by ISIS Speak Out After Escape NOV. 14, 2014 ISIS and the Lonely Young American JUNE 27, 2015
Persecuted Yazidis Again Caught in Larger Struggle AUG. 11, 2014
The systematic rape of women and girls from the Yazidi religious minority has become deeply enmeshed in the organization and the radical theology of the Islamic State in the year since the group announced it was reviving slavery as an institution.
Interviews with 21 women and girls who recently escaped the Islamic State, as well as an examination of the group’s official communications, illuminate how the practice has been enshrined in the group’s core tenets.

State of Terror
Articles in this series will examine the rise of the Islamic State and life inside the territory it has conquered.

The trade in Yazidi women and girls has created a persistent infrastructure, with a network of warehouses where the victims are held, viewing rooms where they are inspected and marketed, and a dedicated fleet of buses used to transport them.

A total of 5,270 Yazidis were abducted last year, and at least 3,144 are still being held, according to community leaders. To handle them, the Islamic State has developed a detailed bureaucracy of sex slavery, including sales contracts notarized by the ISIS-run Islamic courts. And the practice has become an established recruiting tool to lure men from deeply conservative Muslim societies, where casual sex is taboo and dating is forbidden.

A growing body of internal policy memos and theological discussions has established guidelines for slavery, including a lengthy how-to manual issued by the Islamic State Research and Fatwa Department just last month. Repeatedly, the ISIS leadership has emphasized a narrow and selective reading of the Quran and other religious rulings to not only justify violence, but also to elevate and celebrate each sexual assault as spiritually beneficial, even virtuous.
“Every time that he came to rape me, he would pray,” said F, a 15-year-old girl who was captured on the shoulder of Mount Sinjar one year ago and was sold to an Iraqi fighter in his 20s. Like some others interviewed by The New York Times, she wanted to be identified only by her first initial because of the shame associated with rape. “He kept telling me this is ibadah,” she said, using a term from Islamic scripture meaning worship.

Credit Mauricio Lima for The New York Times “He said that raping me is his prayer to God. I said to him, ‘What you’re doing to me is wrong, and it will not bring you closer to God.’ And he said, ‘No, it’s allowed. It’s halal,’ ” said the teenager, who escaped in April with the help of smugglers after being enslaved for nearly nine months.

Calculated Conquest
The Islamic State’s formal introduction of systematic sexual slavery dates to Aug. 3, 2014, when its fighters invaded the villages on the southern flank of Mount Sinjar, a craggy massif of dun-colored rock in northern Iraq. Its valleys and ravines are home to the Yazidis, a tiny religious minority who represent less than 1.5 percent of Iraq’s estimated population of 34 million.

The offensive on the mountain came just two months after the fall of Mosul, the second-largest city in Iraq. At first, it appeared that the subsequent advance on the mountain was just another attempt to extend the territory controlled by Islamic State fighters.

Almost immediately, there were signs that their aim this time was different.

Survivors say that men and women were separated within the first hour of their capture. Adolescent boys were told to lift up their shirts, and if they had armpit hair, they were directed to join their older brothers and fathers. In village after village, the men and older boys were driven or marched to nearby fields, where they were forced to lie down in the dirt and sprayed with automatic fire. The women, girls and children, however, were hauled off in open-bed trucks.
“The offensive on the mountain was as much a sexual conquest as it was for territorial gain,” said Matthew Barber, a University of Chicago expert on the Yazidi minority. He was in Sinjar when the onslaught began last summer and helped create a foundation that provides psychological support for the escapees, who number more than 2,000, according to community activists.

Fifteen-year-old F says her family of nine was trying to escape, speeding up mountain switchbacks, when their aging Opel overheated. She, her mother, and her sisters — 14, 7, and 4 years old — were helplessly standing by their stalled car when a convoy of heavily armed Islamic State fighters encircled them.

“Right away, the fighters separated the men from the women,” she said. She, her mother and sisters were first taken in trucks to the nearest town on Mount Sinjar. “There, they separated me from my mom. The young, unmarried girls were forced to get into buses.”

The buses were white, with a painted stripe next to the word “Hajj,” suggesting that the Islamic State had commandeered Iraqi government buses used to transport pilgrims for the annual pilgrimage to Mecca. So many Yazidi women and girls were loaded inside F’s bus that they were forced to sit on each other’s laps, she said.

Once the bus headed out, they noticed that the windows were blocked with curtains, an accouterment that appeared to have been added because the fighters planned to transport large numbers of women who were not covered in burqas or head scarves.

F’s account, including the physical description of the bus, the placement of the curtains and the manner in which the women were transported, is echoed by a dozen other female victims interviewed for this article. They described a similar set of circumstances even though they were kidnapped on different days and in locations miles apart.

Sunset over Dohuk, in the Kurdistan region of northern Iraq.

Islamic State militants have conquered large areas of Iraq, and the systematic rape of women and girls from the Yazidi religious minority has become deeply enmeshed in the group’s organization and theology. F says she was driven to the Iraqi city of Mosul some six hours away, where they herded them into the Galaxy Wedding Hall. Other groups of women and girls were taken to a palace from the
Saddam Hussein era, the Badoosh prison compound, and the Directory of Youth building in Mosul, recent escapees said. And in addition to Mosul, women were herded into elementary schools and municipal buildings in the Iraqi towns of Tal Afar,

They would be held in confinement, some for days, some for months. Then, inevitably, they were loaded into the same fleet of buses again before being sent in smaller groups to Syria or to other locations inside Iraq, where they were bought and sold for sex.

“It was 100 percent preplanned,” said Khider Domle, a Yazidi community activist who maintains a detailed database of the victims. “I spoke by telephone to the first family who arrived at the Directory of Youth in Mosul, and the hall was already prepared for them. They had mattresses, plates and utensils, food and water for hundreds of people.” Detailed reports by Human Rights Watch and Amnesty International reach the same conclusion about the organized nature of the sex trade. In each location, survivors say Islamic State fighters first conducted a census of their female captives. Inside the voluminous Galaxy banquet hall, F sat on the marble floor, squeezed between other adolescent girls. In all she estimates there were over 1,300 Yazidi girls sitting, crouching, splayed out and leaning against the walls of the ballroom, a number that is confirmed by several other women held in the same location. They each described how three Islamic State fighters walked in, holding a register. They told the girls to stand. Each one was instructed to state her first, middle, and last name, her age, her hometown, whether she was married, and if she had children. For two months, F was held inside the Galaxy hall. Then one day, they came and began removing young women. Those who refused were dragged out by their hair, she said.

In the parking lot the same fleet of Hajj buses was waiting to take them to their next destination, said F. Along with 24 other girls and young women, the 15-year-old was driven to an army base in Iraq. It was there in the parking lot that she heard the word “sabaya” for the first time.

“They laughed and jeered at us, saying ‘You are our sabaya.’ I didn’t know what that word meant,” she said. Later on, the local Islamic State leader explained it meant slave.
“He told us that Taus Malik” — one of seven angels to whom the Yazidis pray — “is not God. He said that Taus Malik is the devil and that because you worship the devil, you belong to us. We can sell you and use you as we see fit.” The Islamic State’s sex trade appears to be based solely on enslaving women and girls from the Yazidi minority. As yet, there has been no widespread campaign aimed at enslaving women from other religious minorities, said Samer Muscati, the author of the recent Human Rights Watch report. That assertion was echoed by community leaders, government officials and other human rights workers.

Mr. Barber, of the University of Chicago, said that the focus on Yazidis was likely because they are polytheists, with an oral tradition rather than a written scripture. In the Islamic State’s eyes that puts them on the fringe of despised unbelievers, even more than Christians and Jews, who are considered to have some limited protections under the Quran as fellow “People of the Book.”

In Kojo, one of the southernmost villages on Mount Sinjar and among the farthest away from escape, residents decided to stay, believing they would be treated as the Christians of Mosul had months earlier. On Aug. 15, 2014, the Islamic State ordered the residents to report to a school in the center of town. When she got there, 40-year-old Aishan Ali Saleh found a community elder negotiating with the Islamic State, asking if they could be allowed to hand over their money and gold in return for safe passage. The fighters initially agreed and laid out a blanket, where Ms. Saleh placed her heart-shaped pendant and her gold rings, while the men left crumpled bills.

Credit Mauricio Lima for The New York Times Instead of letting them go, the fighters began shoving the men outside, bound for death. Sometime later, a fleet of cars arrived and the women, girls and children were driven away.

The Market Months later, the Islamic State made clear in their online magazine that their campaign of enslaving Yazidi women and girls had been extensively preplanned. “Prior to the taking of Sinjar, Shariah students in the Islamic State were tasked to research the Yazidis,” said the English-language article, headlined “The Revival of Slavery Before the Hour,” which appeared in the October issue of Dabiq.
The article made clear that for the Yazidis, there was no chance to pay a tax known as jizya to be set free, “unlike the Jews and Christians.”

“After capture, the Yazidi women and children were then divided according to the Shariah amongst the fighters of the Islamic State who participated in the Sinjar operations, after one fifth of the slaves were transferred to the Islamic State’s authority to be divided” as spoils, the article said.

ISIS ‘Slave Market Day’ In a video posted in October 2014 on YouTube, a group of men believed to be Islamic State fighters are shown sitting in a room bantering about buying and selling Yazidi girls on “slave market day.”

In much the same way as specific Bible passages were used centuries later to support the slave trade in the United States, the Islamic State cites specific verses or stories in the Quran or else in the Sunna, the traditions based on the sayings and deeds of the Prophet Muhammad, to justify their human trafficking, experts say. Scholars of Islamic theology disagree, however, on the proper interpretation of these verses, and on the divisive question of whether Islam actually sanctions slavery.

Many argue that slavery figures in Islamic scripture in much the same way that it figures in the Bible — as a reflection of the period in antiquity in which the religion was born.

“In the milieu in which the Quran arose, there was a widespread practice of men having sexual relationships with unfree women,” said Kecia Ali, an associate professor of religion at Boston University and the author of a book on slavery in early Islam. “It wasn’t a particular religious institution. It was just how people did things.”

Cole Bunzel, a scholar of Islamic theology at Princeton University, disagrees, pointing to the numerous references to the phrase “Those your right hand possesses” in the Quran, which for centuries has been interpreted to mean female slaves. He also points to the corpus of Islamic jurisprudence, which continues into the modern era and which he says includes detailed rules for the treatment of slaves. “There is a great deal of scripture that sanctions slavery,” said Mr. Bunzel, the author of a research paper published by the Brookings
Institution on the ideology of the Islamic State. “You can argue that it is no longer relevant and has fallen into abeyance. ISIS would argue that these institutions need to be revived, because that is what the Prophet and his companions did.”

The youngest, prettiest women and girls were bought in the first weeks after their capture. Others — especially older, married women — described how they were transported from location to location, spending months in the equivalent of human holding pens, until a prospective buyer bid on them. Their captors appeared to have a system in place, replete with its own methodology of inventorying the women, as well as their own lexicon. Women and girls were referred to as “Sabaya,” followed by their name. Some were bought by wholesalers, who photographed and gave them numbers, to advertise them to potential buyers.

Osman Hassan Ali, a Yazidi businessman who has successfully smuggled out numerous Yazidi women, said he posed as a buyer in order to be sent the photographs. He shared a dozen images, each one showing a Yazidi woman sitting in a bare room on a couch, facing the camera with a blank, unsmiling expression. On the edge of the photograph is written in Arabic, “Sabaya No. 1,” “Sabaya No. 2,” and so on.

Buildings where the women were collected and held sometimes included a viewing room. “When they put us in the building, they said we had arrived at the ‘Sabaya Market,’” said one 19-year-old victim, whose first initial is I. “I understood we were now in a slave market.”

A woman, who said she was raped by Islamic State militants, in a refugee camp in the Kurdistan region of northern Iraq. Credit Mauricio Lima for The New York Times She estimated there were at least 500 other unmarried women and girls in the multistory building, with the youngest among them being 11. When the buyers arrived, the girls were taken one by one into a separate room. “The emirs sat against the wall and called us by name. We had to sit in a chair facing them. You had to look at them, and before you went in, they took away our scarves and anything we could have used to cover ourselves,” she said. “When it was my turn, they made me stand four times. They made me turn around.”

The captives were also forced to answer intimate questions, including reporting the exact date of their last menstrual cycle. They realized that the fighters were
trying to determine whether they were pregnant, in keeping with a Shariah rule stating that a man cannot have intercourse with his slave if she is pregnant.

Property of ISIS
The use of sex slavery by the Islamic State initially surprised even the group’s most ardent supporters, many of whom sparred with journalists online after the first reports of systematic rape. The Islamic State’s leadership has repeatedly sought to justify the practice to its internal audience. After the initial article in Dabiq in October, the issue came up in the publication again this year, in an editorial in May that expressed the writer’s hurt and dismay at the fact that some of the group’s own sympathizers had questioned the institution of slavery.

“What really alarmed me was that some of the Islamic State’s supporters started denying the matter as if the soldiers of the Khilafah had committed a mistake or evil,” the author wrote. “I write this while the letters drip of pride,” he said. “We have indeed raided and captured the kafirah women and drove them like sheep by the edge of the sword.” Kafirah refers to infidels.

In a pamphlet published online in December, the Research and Fatwa Department of the Islamic State detailed best practices, including explaining that slaves belong to the estate of the fighter who bought them and therefore can be willed to another man and disposed of just like any other property after his death.

Recent escapees describe an intricate bureaucracy surrounding their captivity, with their status as a slave registered in a contract. When their owner would sell them to another buyer, a new contract would be drafted, like transferring a property deed. At the same time, slaves can also be set free, and fighters are promised a heavenly reward for doing so. Though rare, this has created one avenue of escape for victims.

A 25-year-old victim who escaped last month, identified by her first initial, A, described how one day her Libyan master handed her a laminated piece of paper. He explained that he had finished his training as a suicide bomber and was planning to blow himself up, and was therefore setting her free.

“Certificate of Emancipation,” the document was signed by the judge of the western province of the Islamic State. The Yazidi woman presented it at security checkpoints as she left Syria to return to Iraq, where she rejoined her family in July. The Islamic State recently made it clear that sex with Christian and Jewish women captured in battle is also permissible, according to a new 34-page manual issued this summer by the terror group’s Research and Fatwa Department.

Just about the only prohibition is having sex with a pregnant slave, and the manual describes how an owner must wait for a female captive to have her menstruating cycle, in order to “make sure there is nothing in her womb,” before having intercourse with her. Of the 21 women and girls interviewed for this article, among the only ones who had not been raped were the women who were already pregnant at the moment of their capture, as well as those who were past menopause. Beyond that, there appears to be no bounds to what is sexually permissible. Child rape is explicitly condoned: “It is permissible to have intercourse with the female slave who hasn’t reached puberty, if she is fit for intercourse,” according to a translation by the Middle East Media.

A 25-year-old Yazidi woman showed a “Certificate of Emancipation” given to her by a Libyan who had enslaved her. He explained that he had finished his training as a suicide bomber and was planning to blow himself up, and was therefore setting her free.

One 34-year-old Yazidi woman, who was bought and repeatedly raped by a Saudi fighter in the Syrian city of Shadadi, described how she fared better than the second slave in the household — a 12-year-old girl who was raped for days on end despite heavy bleeding.

“He destroyed her body. She was badly infected. The fighter kept coming and asking me, ‘Why does she smell so bad?’ And I said, she has an infection on the inside, you need to take care of her,” the woman said. Unmoved, he ignored the girl’s agony, continuing the ritual of praying before and after raping the child. “I said to him, ‘She’s just a little girl,’ ” the older woman recalled. “And he answered: ‘No. She’s not a little girl. She’s a slave. And she knows exactly how to have sex.’ ” “And having sex with her pleases God,” he said.

Question: As you know the Jews created this bullshit fairy tale to destroy the Gentile races. If they included this reasoning regarding sex in that fairy tale, what do you think they actually believe?

The 10 Commandments of Xian Pedophilia, Rape, & Sex Slavery (Sponsored by: The Jews)

1) Judges 21:10-24 – Kill them all accept the virgins. Turn the virgins over to the clergy to be used as sex slaves. They were repeatedly raped.

2) Numbers 31:7-18 - “But Moses was furious with all the military commanders who had returned from the battle. "Why have you let all the women live?" he demanded. "These are the very ones who followed Balaam's advice and caused the people of Israel to rebel against the LORD at Mount Peor. They are the ones who caused the plague to strike the LORD's people. Now kill all the boys and all the women who have slept with a man. Only the young girls who are virgins may live; you may keep them for yourselves”.

3) Deuteronomy 20:10-14 – Making gentiles their slaves. “As you approach a town to attack it, first offer its people terms for peace. If they accept your terms and open the gates to you, then all the people inside will serve you in forced labor. But if they refuse to make peace and prepare to fight, you must attack the town. When the LORD your God hands it over to you, kill every man in the town. But you may keep for yourselves all the women, children, livestock, and other plunder. You may enjoy the spoils of your enemies that the LORD your God has given you.

4) Deuteronomy 22:28-29 - Women cost 50 pcs of silver. “If a man is caught in the act of raping a young woman who is not engaged, he must pay fifty pieces of silver to her father. Then he must marry the young woman because he violated her, and he will never be allowed to divorce her.

5) Deuteronomy 22:23-24 – Women must alert the town with their screams. Only applies if you’re engaged or promised to a man already. “If within the city a man comes upon a maiden who is betrothed (engaged or promised to someone), and has relations with her, you shall bring them both out of the gate of the city
and there stone them to death: the girl because she did not cry out for help though she was in the city, and the man because he violated his neighbors wife”.

6) 2 Samuel 12:11-14  King David. Baby killing, rapist, sex pervert. “Thus says the Lord: 'I will bring evil upon you out of your own house. I will take your wives [plural] while you live to see it, and will give them to your neighbor. He shall lie with your wives in broad daylight. "The Lord on his part has forgiven your sin: you shall not die. But since you have utterly spurned the Lord by this deed, the child born to you must surely die." (The child died 7 days later).

7) Deuteronomy 21:10 – How to rape female captives and keep it quiet. "When you go out to war against your enemies and the LORD, your God, delivers them into your hand, so that you take captives, if you see a comely (pleasing in appearance; attractive; fair) woman among the captives and become so enamored (horny) of her that you wish to have her as wife, you may take her home to your house. But before she may live there, she must shave her head and pare (cut) her nails and lay aside her captive's garb. After she has mourned her father and mother for a full month, you may have relations with her, and you shall be her husband and she shall be your wife. However, if later on you lose your liking for her, you shall give her freedom, if she wishes it; but you shall not sell her or enslave her, since she was married to you under compulsion."

8) Judges 5:30 – Rape of young women and little girls. “They must be dividing the spoils they took: there must be a damsel (little girl or young woman) or two for each man, Spoils of dyed cloth as Sisera's spoil, an ornate shawl or two for me in the spoil. (Sisera is the commander of the Canaanite Army of King Jabin. He was fleeing after a lost battle, took refuge in “Yael or Jael’s” tent and she murdered him by hammering a tent pin into his head while he was sleeping).

9) Exodus 21:7-11 - Sex Slavery, The Manual of. “When a man sells his daughter as a slave (sex slave and regular slave), she will not be freed at the end of six years as the men are. If she does not please the man who bought her, he may allow her to be bought back again. But he is not allowed to sell her to foreigners, since he is the one who broke the contract with her. And if the slave girl's owner arranges for her to marry his son, he may no longer treat her as a slave girl, but he must treat her as his daughter. If he himself marries her and then takes another wife, he may not reduce her food or clothing or fail to sleep
with her as his wife. If he fails in any of these three ways, she may leave as a free woman without making any payment”.

10) Zechariah 14:1-2 – “Lo (Look & See!), a day shall come for the Lord when the spoils shall be divided in your midst. And I will gather all the nations against Jerusalem for battle: the city shall be taken, houses plundered, women ravished (forcibly raped); half of the city shall go into exile (FEMA Camps), but the rest of the people shall not be removed from the city”.
The Jews Admit the Jewishness of Islam by High Priest Jake Carlson

We need the entire world to fight against the bandit state of Israel. However, every Gentile must work with us SATANISTS to completely destroy it in the long-run. The reason for this is obvious. For all of the programs out there which are Jewish in origin [Christianity, Islam, etc], that people have had the FUCKING NERVE to call 'religions'- the people who follow them will get their balls handed to them by the Jews, with the Jews saying to them- "We had you all along." The deluded Gentiles who follow these death programs will want to join on with us/Satanists at the last minute, but it will be too late for them. That is the biggest goal of the Jews- to keep each Gentile Nation fighting within their own Nation until Christ arrives on the scene and unites all the Jews [including non-observant Jews], and annihilates all Gentiles.

As we know from reading High Priestess Zilar Rassi’s website which does an excellent job at exposing Islam, Mohammad is just as fictitious as Jesus Christ.

http://exposingthelieofislam.wordpress.com/muhammad-never-existed/

Still, even the Muslims worship Jesus.

"In Islam, Jesus is considered to be one of the true prophets of Allah: a true bearer of Allah's word in his time. Vicariously, the reverent Moslem must either accept the teaching of Jesus... that Pharisaic Rabbis sit in the seat of Moses and all must do according to what they teach or contradict his own religion. Therefore, even according to Islam, if one must heed the teachings of Nebi Issa ("prophet Jesus"), then every Torah instruction of the "scribes and Pharisees" must be obeyed." (1)

In tune with the above quote from a Jewish rabbi, are the following quotes from the Qu'ran:

"Bear in mind the words of Moses to his People [Children of Israel]. He said: "Remember, my People, the favor which God has bestowed upon you. He has raised up prophets among you, made you kings (Kingdom of David and Solomon and the Davidic Dynasty), and has given you that which He has given to no other nation [the Written and Oral Torah and the Land of Israel] which God has assigned for you..." [Qu'ran, The Table, Sura 5:20]
"Children of Israel, remember the favor I [Allah] have bestowed upon you, and that I exalted you above the nations." [Qu'ran, The Cow, Sura 2:47]

Quote from a Jewish rabbi:

"Allah's enduring love for the Jews is according to another principle that Allah does not change his mind precariously, as prophet Malachi (another true prophet in Moslem eyes) wrote, "I, the LORD do not change." (Malachi 3:6) Prophet "Daoud" (King David) confirmed Allah's eternal love for Israel in his prayer, "And You established for Yourself Your people Israel to be Your people forever, and You, LORD, became their God." (II Samuel 7:24)

"I would conclude with the fact that, according to Israel's eternal Torah from Allah, Allah Commanded that Israel bring all of mankind to the Seven Laws of Noah [Noahide Laws]. (2)

As we can see, ANYONE who is fighting against Israel, but joins Christianity, Islam, or other enemy programs or movements will ACTUALLY BE A PUPPET FOR ISRAEL.

The Jews promise the brainwashed 'Goyim' that they will have a place in the "Life or World to Come," but what these brainwashed puppets for the Jewish cause don't know is that the Nazarene and ilk are only promising 'resurrection' for the Jews, only.

With the enforcement of the Noahide Laws [yes, they are real], the Jewish 'Land of Milk and Honey is the entire world, as the Jews are Global insects.

We, Satanists are the pesticide and it is our duty to wake the entire world up.

Islam, The Jewish Religion

Written by The_Fourth_Reich666

Below an Article by the member The Fourth Reich666, on the Jewishness of Islam. He composed the quotes and I simply comment in between the lines and write a message on it. EVERYONE MUST KNOW AND UNDERSTAND- ISLAM IS THE TROJAN HORSE THE KIKES USED TO GET TO PEOPLE IN THE MIDDLE EAST- Like Xianity, it was imposed on murder of all Pagan populations and any other murderous method and with seas of blood for the native populations. Like they always do with the trojan horses they inject, is how they pretend that these religions are somehow "anti-semetic" while infact the jews made these religions in order to control the Pagan Populations of the people and keep them away from their Pagan [Satanic] religions. In order for a trojan horse to work, there have to be some identical things to the original religion, as in robust "antisemitism". This is only for the blind masses, who unconsciously hate on the jews, but through their trojan horse hoax religions are actually controlling totally and abusing their so called "haters". Islam is nothing more than another jewish religion through which the Arabs/Easterners are totally and fully destroyed and controlled. What the jews have done, is they created two programs, based on what would each host society accept. They made the Arabs through this way an insanely vile, spiteful and aggressive people, whom they never originally were before Islam. They made a proud race live below the animal level. Like xianity brings the worst poison out of the Soul of someone, Islam does the same, as they all relate to the same jewish root. The deeper one goes, the more "jewish" they become in their actions, thoughts and deeds. Simply change the name "Allah" with "JHVH" and you have the bible. Let alone, Islam is chock full of communist, sexist and brutal ideology. This all stems from and relates to its jewish root. JHVH and ALLAH is actually the same murderous thoughtform of the jewish "religion".

Jews Referenced Positively within the Quaran

Like Christianity, Islam is an insane criminal ideology invented and controlled by the Jews. While the Muslim may think that his religion is anti-Semitic, the Jews are gaining more power each day thanks to its invention. Islam is Jewish inside-out. The kikes [jews] use this religion as a tool to divide and destroy the Gentiles people, same as Christianity; Islam is a Jewish front, or face, which allows them to
carry out their sick and perverted crimes without taking the blame! This fact is blatant once you open your eyes.

The Quaran is full of positive references towards the Jews hidden inbetween the negative ones. Islam portrays itself as being anti-semetic. However, within the Q'uraran, the book of mass bullshit, there are indeed verses of praise towards the Jews:

---

O Children of Israel! call to mind the (special) favour which I bestowed upon you, and fulfil your covenant with Me as I fulfil My Covenant with you, and fear none but Me. [Qur'an, sura 2:40]

Children of Israel! call to mind the (special) favour which I bestowed upon you, and that I preferred you to all other nations (for My Message). [Qur'an, sura 2:47]

And remember We took your covenant and We raised above you Mount (Sinai) : (Saying): "Hold firmly to what We have given you and bring (ever) to remembrance what is therein: Perchance ye may fear Allah." [Qur'an, sura 2:63]

"We [Allah] made a covenant with you [Children of Israel] and raised the Mount [Sinai] above you, saying: 'Grasp fervently [the Torah] what We [Allah] have given you, and bear in minds its precepts, that you may guard yourselves against evil". [Qur'an, sura 2:65]

And remember We [Allah] made a covenant with the Children of Israel (to this effect): Worship none but Allah; treat with kindness your parents and kindred, and orphans and those in need; speak fair to the people; be steadfast in prayer; and practise regular charity. Then did ye turn back, except a few among you, and ye backslide (even now). [Qur'an, sura 2:83]

[My comment: Look here how there are CLEAR statements that the "giver" of the Torah is the SAME "god" as the jewish god. There is no difference WHATSOEVER.]

After this it is ye, the same people, who slay among yourselves, and banish a party of you from their homes; assist (Their enemies) against them, in guilt and rancour; and if they come to you as captives, ye ransom them, though it was not lawful for you to banish them. Then is it only a part of the Book that ye believe in, and do ye
reject the rest? but what is the reward for those among you who behave like this but disgrace in this life?- and on the Day of Judgment they shall be consigned to the most grievous penalty. For Allah is not unmindful of what ye do.[Qur'an, sura 2:85]

We gave Moses the Book and followed him up with a succession of messengers; We gave Jesus the son of Mary Clear (Signs) and strengthened him with the holy spirit. Is it that whenever there comes to you a messenger with what ye yourselves desire not, ye are puffed up with pride?- Some ye called impostors, and others ye slay! [Qur'an, sura 2:87]

Those to whom We [Allah] have sent the Book [Torah] study it as it should be studied: They are the ones that believe therein: [Qur'an, sura 2:121]

O Children of Israel! call to mind the special favour which I bestowed upon you, and that I preferred you to all others nations (for My Message).[Qur'an, sura 2:122]

"When God made a covenant with those [the Children of Israel] to whom the Scriptures were given He said: 'Proclaim these to mankind and do not suppress them'". [Qur'an, sura 3:187, "The 'Imrans"]

"God made a covenant with the Israelites and raised among them twelve chieftains [the princes of the twelve tribes of the twelve sons of Jacob/Israel]". [Qur'an, sura 5:12, "The Table"]

"Bear in mind the words of Moses to his people [the Children of Israel]. He said: 'Remember, my people, the favour which God has bestowed upon you. He [Allah] has raised up prophets among you, made you kings, and given you that [the Torah and the Land of Israel] which He has given to no other nation. Enter, my people, the holy land [of Israel] which God has assigned for you. Do not turn back, and thus lose all'". [Qur'an, sura 5:20, "The Table"]

"We [Allah] made a covenant with the Israelites and sent forth apostles among them". [Qur'an, sura 5:70, "The Table"]

"We [Allah] divided them [the Children of Israel] into twelve tribes, each a whole community". [Qur'an, sura 7:159, "The Heights"]
"We [Allah] sent forth Moses with Our signs, saying: 'Lead your people [the Children of Israel] out of the darkness into the light, and remind them of God's favours'. Surely in this there are signs for every steadfast, thankful man. Moses said to his people [the Children of Israel]: 'Remember God's goodness to you when He delivered you from Pharoah's nation, who had oppressed you cruelly, slaughtering your sons and sparing only your daughters. Surely that was a grievous trial by your Lord. For He had declared: 'If you give thanks, I will bestow abundance upon you: but if you deny My favours, My punishment is terrible indeed'". [Qur'an, sura 14:6-7, "Abraham"]

"But it was Our [Allah's] will to favour those [the Children of Israel] who were oppressed in the land [of Egypt] and to make them leaders among men, to bestow on them a noble heritage and to give them power in the land [of Egypt]; and to inflict on Pharoah, Haman and their warriors the very scourge they [the Egyptians] dreaded".[Qur'an, sura 28:3, "The Story"]

"We [Allah] gave the Book [Torah] to Moses (never doubt that you will meet him) and made it a guide for the Israelites. And when they grew steadfast and firmly believed in Our revelations, We appointed leaders from among them who gave guidance at Our bidding. On the Day of Resurrection your Lord will resolve their differences for them". [Qur'an, sura 32:22, "Adoration"]

"We [Allah] gave the Book [Torah] to the Israelites and bestowed on them wisdom and prophethood. We provided them with wholesome things and exalted them above the nations".[Qur'an, sura 45:17, "Kneeling"]

"We sent forth Noah and Abraham and bestowed on their offspring [the Children of Israel] prophethood and the Scriptures [Torah]". [Qur'an, sura 57:26, "Iron"]

To summarise, the above paragraph is a lick-ass tribute to the Jewish people.

Even more:

[Qur'an 17:104] : And We said unto the Children of Israel after him: Dwell in the land; but when the promise of the Hereafter (wa3’dul akhirati) cometh to pass We shall bring you as a crowd gathered out of various nations.
[Qur'an 17:4] : And We decreed for the Children of Israel in the Scripture: Ye verily will experience corruption (exile) in the earth twice, but Ye will then after (thumma) ascend (ta’lunna) to a great height (or station).

[3.23] Have you not considered those (Jews) who are given a portion of the Book? They are invited to the Book of Allah that it might decide between them, then a part of them turn back and they withdraw.

[3.24] This is because they say: The fire shall not touch us but for a few days; and what they have forged deceives them in the matter of their religion.

[3.49] And (make him) an apostle to the children of Israel: That I have come to you with a sign from your Lord, that I determine for you out of dust like the form of a bird, then I breathe into it and it becomes a bird with Allah's permission and I heal the blind and the leprous, and bring the dead to life with Allah's permission and I inform you of what you should eat and what you should store in your houses; most surely there is a sign in this for you, if you are believers.

[3.93] All food was lawful to the children of Israel except that which Israel had forbidden to himself, before the Taurat was revealed. Say: Bring then the Taurat and read it, if you are truthful.

7.105] (I am) worthy of not saying anything about Allah except the truth: I have come to you indeed with clear proof from your Lord, therefore send with me the children of Israel.

[7.134] And when the plague fell upon them, they said: O Musa! pray for us to your Lord as He has promised with you, if you remove the plague from us, we will certainly believe in you and we will certainly send away with you the children of Israel.

[7.137] And We made the people who were deemed weak to inherit the eastern lands and the western ones which We had blessed; and the good word of your Lord was fulfilled in the children of Israel because they bore up (sufferings) patiently; and We utterly destroyed what Firon and his people had wrought and what they built.
[7.138] And We made the children of Israel to pass the sea; then they came upon a people who kept to the worship of their idols. They said: O Musa! make for us a god as they have (their) gods. He said: Surely you are a people acting ignorantly

[10.90] And We made the children of Israel to pass through the sea, then Firon and his hosts followed them for oppression and tyranny; until when drowning overtook him, he said: I believe that there is no god but He in Whom the children of Israel believe and I am of those who submit.

[10.93] And certainly We lodged the children of Israel in a goodly abode and We provided them with good things; but they did not disagree until the knowledge had come to them; surely your Lord will judge between them on the resurrection day concerning that in which they disagreed.

[17.2] And We gave Musa the Book and made it a guidance to the children of Israel, saying: Do not take a protector besides Me;

[17.4] And We had made known to the children of Israel in the Book: Most certainly you will make mischief in the land twice, and most certainly you will behave insolently with great insolence.

[17.101] And certainly We gave Musa nine clear signs; so ask the children of Israel. When he came to them, Firon said to him: Most surely I deem you, O Musa, to be a man deprived of reason.

[17.104] And We said to the Israelites after him: Dwell in the land: and when the promise of the next life shall come to pass, we will bring you both together in judgment.

[19.58] These are they on whom Allah bestowed favors, from among the prophets of the seed of Adam, and of those whom We carried with Nuh, and of the seed of Ibrahim and Israel, and of those whom We guided and chose; when the communications of the Beneficent God were recited to them, they fell down making obeisance and weeping.

[26.17] Then send with us the children of Israel.
[26.22] And is it a favor of which you remind me that you have enslaved the children of Israel?

[26.59] Even so. And We gave them as a heritage to the children of Israel.

[26.197] Is it not a sign to them that the learned men of the Israelites know it? Pictures collected by Roadtorevolution:

Islam is Communism

Islam with its sharia Law are both Communism

The way the situation in the West is unfolding, if it is allowed to continue, Europe and the Western World will be fast on their way to becoming islamic sharia governed Nations. The jewish world powers are pushing for the islamisation of the West via the open borders strategy and promotion of the idea of “multiculturalism” ad nauseam, which essentially is a mass communist takeover in which each and every single Gentile will be a slave with 0 individual rights and freedoms.

The “refugee crisis” is an illusion. What is actually taking place in Europe is what is known as hijrah, when muslims migrate en masse into non-muslim countries, settle, and spread islam by a combination of physical, violent force and breeding the native population into oblivion. This is the reason muslims are encouraged to have as many children as possible, regardless of whether they can afford to feed and clothe them. A muslim woman in full burqa flanked by 8 or 9 children is not an unusual sight. They are literally taught to breed more muslims.

This coupled with the fact that the media discourages White Europeans from having children through tools such as feminism (which in reality is anti-female and anti-humanity), which has led to a major drop in our birth rates within the last few decades, means that we are becoming more outnumbered by the day.

Already, Europeans are being forced to abide by muslim ways of life in an effort not to be attacked, raped or branded as a “racist”, or the dreaded label of “islamiphobe” by the jewish pushed multicultural agenda.

http://pamelageller.com/2015/09/grade-s ... gees.html/

This is but one example. Things like this have been happening all over Europe since muslims began invading. Entire areas have become no-go zones for the native European People.

If islam and sharia law are enforced on a significant scale, that will be the end of Europe and the beginning of a world communist dictatorship in which all Gentiles
are slaves to the islamic/jewish state.

For more information on the fact that islam is a jewish program that elevates the jews and their agenda, please see the following:

Islam and sharia cannot be separated from communism, no different than its counterpart, christianity.

http://www.angelfire.com/dawn666blacksun/Christianity_Communism_Bible.htm

http://dawn666blacksun.angelfire.com/Communism_is_Christianity.html

The ultimate goal of islam is to remove all power from the hands of the general (GENTILE) populace and put it into the hands of the “holy state” (the jews). I reiterate how the quran refers to the jews, for anyone who has doubts that it is in favour of them:

Qur’an 17:104 : And We said unto the Children of Israel after him: Dwell in the land; but when the promise of the Hereafter (wa3’ dul akhirati) cometh to pass We shall bring you as a crowd gathered out of various nations.

Qur’an 17:4 : And We decreed for the Children of Israel in the Scripture: Ye verily will experience corruption (exile) in the earth twice, but Ye will then after (thumma) ascend (ta’lunna) to a great height (or station).

Qur’an 2:30: O Children of Israel! call to mind the (special) favour which I bestowed upon you, and fulfil your covenant with Me as I fulfil My Covenant with you, and fear none but Me.
Qur’an 5:12: "God made a covenant with the Israelites and raised among them twelve chieftains [the princes of the twelve tribes of the twelve sons of Jacob/Israel]."

Qur’an 5:20: "Bear in mind the words of Moses to his people [the Children of Israel]. He said: 'Remember, my people, the favour which God has bestowed upon you. He [Allah] has raised up prophets among you, made you kings, and given you that [the Torah and the Land of Israel] which He has given to no other nation. Enter, my people, the holy land [of Israel] which God has assigned for you. Do not turn back, and thus lose all'". ["The Table"]

Qur’an 32:22: "We [Allah] gave the Book [Torah] to Moses (never doubt that you will meet him) and made it a guide for the Israelites. And when they grew steadfast and firmly believed in Our revelations, We appointed leaders from among them who gave guidance at Our bidding. On the Day of Resurrection your Lord will resolve their differences for them". ["Adoration"]

Qur’an: 45:17: "We [Allah] gave the Book [Torah] to the Israelites and bestowed on them wisdom and prophethood. We provided them with wholesome things and exalted them above the nations". ["Kneeling"]

So that clears that up for any ignorant person who believes that islam is anti-Jewish. The top leaders and founders of islam have been Eastern and Arabian Jews for centuries, many of whom fled the regions of the Roman Empire and took up residence around the Arabian Peninsula, after being expelled for attacking and brutally slaughtering Roman Pagans and desecrating Pagan Temples - as the article on the spread of islam linked above proves. Islam was a program of mass genocide and enslavement of the Pagan Peoples of the East, a goal the Jews had been working towards for centuries in Persia and Egypt, so that it could be brought under the rule of Jewish monotheism.

So let me list out plainly the link between islam, sharia law and communism. Keep in mind, the Jews are natural communists. Communism has its root in the Jewish Torah, which fathered the programs of christianity and islam, aka the “Abrahamic religions”. Abrahamic “religions” and communism are two sides of the same coin. They are merely communism with a slightly theistic tinsel, and in reality are NOT Spiritual in any way, shape or form. Indeed, the most famous founder of the
communist political ideology, Karl Marx, was a jew and grandson of a rabbi. All of the top leaders in communism are jewish, including Marx and Stalin.

http://deathofcommunism.weebly.com/stalin-the-jew.html

Islam along with its sharia law takes all power out of the hands of the general public and puts it all into the hands of the muslim “religious” leaders, aka imams and their islamic government. These people have full reign over politics, the law, the justice system, ownership of land, education systems, the media and pretty much every aspect of life from top to bottom. No one else is afforded any say whatsoever. There is no such thing as questioning anything, and doing so will result in severe punishment and even (often) death. You are simply expected to do as you are instructed.

In islam and its sharia law, it is reiterated over and over that you- as a human being- have no mind of your own, no possessions of your own, no will and no destiny of your own. Your entire being is the property of “Allah”, your future is the property of “Allah” and your life ultimately is meaningless other than being for the purpose of “Allah’s” own ends. Essentially, you are nothing in the greater scheme of things other than an object owned by the muslim state as the so-called holy representatives of Allah.

Just for the record, before I continue:

As anyone who is aware of the basic foundation of communism will know, it is pretty much identical to this. The religious tinsel does little to disguise this and is an illusion. Communism merely replaces “Allah” with the jewish run state- which in reality are both the exact same thing. In communism, there is no individual. There are no individual rights and lives. Everyone is relegated to one single, meaningless mass. The state controls each and every aspect of your day to day
life and no one can argue with it. The media is heavily censored, as it is under
islamic rule, and education systems are pre-arranged strictly by the state, as in
sharia. Like in sharia, those who dare to speak out against the state are dealt with
swiftly and severely, oftentimes resulting in death. If not, torture and life
imprisonment.

Here are perfect examples of the two sides of communism in action:

What happens to those who try to speak out against the state in a communist
nation:
http://deathofcommunism.weebly.com/communist-horror.html
http://deathofcommunism.weebly.com/the-genocide-at-vinnitsa.html
http://deathofcommunism.weebly.com/the-jewish-cheka.html

What happens to those who try to speak out against the state in a sharia
(communist) nation:
http://nowtheendbegins.com/pages/radicalIDEOLOGY/sharia-law.htm
http://www.billionbibles.org/sharia/sharia-law.html

Also, see this article for what happens to those who refuse to convert to islam
and accept sharia law- this is what was done in the past, and what will be done in
the future if they are allowed to continue:

http://islamisjewish.weebly.com/the-islamic-conquest.html

The two are exactly the same. Torture and murder is a part of day-to-day life,
whether you call it communism, islam or sharia.

Also note from the above articles, in both communism and islam, the ruling
governments are exempt from any criminal charges. They essentially can do
whatever they please, whenever they please to the nations which they are ruling
over, and it is NOT a crime. Mass murder, torture, coercion and assassination is
perfectly legal when done by the ruling state, as it counts as the state enforcing their control, or “holy law” in this case and ensuring that none of the people stray from its grip. This, in a communist/islamic nation is what they call justice and the legal system.

Juxtaposed to this, the People are treated as criminals at every step and kept in line via use of extreme force. They are always right, and you are always the criminal who needs to be controlled. You can really liken living in an islamic/communist governed state to living in a maximum security prison in which every area and moment of your life is under heavy surveillance, and there is always someone behind you telling you what to do next.

Here is an excerpt from an essay written by an islamic historian, Bernard Lewis, concerning the evident similarities between communism and islamic/sharia law:

“There are no parliaments or representative assemblies of any kind, no councils or communes, no chambers of nobility or estates, no municipalities in the history of Islam; nothing but the sovereign power, to which the subject owed complete and unwavering obedience as a religious duty imposed by the Holy Law…”

The world is divided into two types of people: Those who obey them, and those who are dead.

This is exactly identical to jewish communism. When it spread through Europe, it slaughtered brutally the Gentile ruling class and councils (Think of the French “Revolution” in which the French Royalty were dragged into the streets and publically beheaded and the Russian Revolt that resulted in the murder of Tsar Nicholas and his family), deposed the Gentile constitutions and laws, eradicated the native Culture and replaced them with its own abomination of a system-violently enforcing itself upon the People who were not given any choice in the matter or any opportunity to say whether they wanted to live under communist rule or not. It was simply done to them, and if they didn’t like it- they were killed. Spread of islam and its sharia law was exactly the same. Again, read my article on the islamic conquests.

Both islam and communism have the nefarious end result of lumping humanity together under one oppressive banner from which they are unable to ever escape. Everyone is merely part of the system. This is the jewish NWO, where
everyone is bar coded and there is heavy surveillance of day to day life at every level. As the quran preaches, humans are designed to give continuous praise to “Allah”, and total and complete submission is required. The word “islam” translates to SUBMISSION. To basically give yourself and your life up entirely.

This is no different from communism which demands total and complete submission to “the state” and idolisation bordering on worship of the state “leader”. Think of Russia under Stalin and the ridiculous extent which they went to in order to label him with an almost god-like status. The word “Allah” is merely replaced with “The State”. Both in reality are the same thing.

To expand a bit more on something I wrote above, another significant similarity between islam and communism is the hatred they both share for the natural Gentile Ruling classes and systems of Leadership.

Now- not to digress, but I feel it is important to clear something up here quickly before proceeding. The Ancient Ruling Class of the Gentiles (as it was before the infestation of Xianity and related programs that were no more than attacks on Human Spirituality and the Soul), was comprised of the Priesthood, often referred to as Priest-Kings, who had reached the highest level of Spiritual Enlightenment. Thus, they were deemed fit to guide and Lead the People. It was the same throughout the world- from Ancient India to Ireland. In India, the Brahmans/Yogis lead the People. In Ireland, it was the Druids and Priest Kings. You can find much more information on this through research- I do not want to go too in-depth here as it is not the purpose of this article. But the point I want to make- This is the True and original meaning of Royalty. It is Royalty in an Alchemical sense. This Royalty in no way, shape or form resembled the communist “leadership”. There was no oppression and demands of total submission. There were laws put in place to ensure that the Society remained in its purest and healthiest form. But the People were free, and Advanced Spiritually. Thus they were independent.

Both islam and communism sought total destruction of the remnants of the Gentile Royalty of the areas which they invaded and opposed the idea of the ruling Priesthood entirely. Entire families were massacred going down
generations in order to achieve this.

http://deathofcommunism.weebly.com/jewish-murder-machine.html
http://islamisjewish.weebly.com/the-islamic-conquest.html

In order for their control to be possible, they must first eradicate entirely the existing Gentile ruler ship.

Carrying on- just like tax paid to the state in communism, sharia islamic law demands a “holy donation”/Tax be paid to the religious leaders by each and every single inhabitant. This is compulsory and unquestionable and is used to fund further control by the state. In islam, it is called “zakat”, and it is preached that paying this money will “purify ones Soul and guarantee them a place in Allahs paradise”. Once again, this shows how ridiculous and materialistic islam really is at its core. In truth, there is nothing Spiritual about it at all. It attacks its followers for owning material possessions and building up personal funds, but on the other hand demands money for itself.

Like its Western counterpart of christianity, islam also preaches endlessly that being poor, weak and helpless is desirable. Poverty is a virtue. Everyone should be equally poor and desperate. This is a total attack on Humanity and designed to create the perfect slaves. It is all communism. No one is allowed to strive to be better, to gain personal power and possessions or to surpass the masses of ignorant, useless dolts around them. Everyone must be equally enslaved by the state. There is no such thing as a person striving to reach their full potential, bettering themselves and enjoying success in life. This is exceptionally unhealthy and unnatural, and as was said above- is designed to turn people into absolute slaves.

The perfect slave is someone who is submissive, destitute, dependent and desperate. This is why these programs, which all stem from communism, glorify being submissive, destitute, dependent and desperate as if it makes you some type of saint. One cannot enslave a strong and independent individual who is knowledgeable and able to think and fight for themselves.

The fact of the matter is- islam’s core teachings do not in any way interfere with the core teachings of communism. Because, they are from the same root. If you read the articles linked to above regarding the relationship between christianity
and communism, you can also apply much of it to the relationship between islam/sharia and communism. Particularly this sentence:

“In truth, Christianity prepares the populace to be open to and to accept communism. There is nothing within the Christian doctrines or the teachings of the Nazarene that conflicts with communism in any way. Christianity IS Communism.”

Exactly the same for islam. It is preparation for communism. The core beliefs will be there, so the transition will be easy. It is merely a matter of unmasking.

As another note and further proof that islam does not interfere with communism— it has been recorded that the Soviet Union had such a high number of muslims that there were entire committees devoted to the study of islam and the advancement of “marxist islam”. The Soviet Communist regime never attacked or had an issue with islam.

“The Soviet Union had a large Muslim population of various ethnicities. Therefore, there was a pressing need for original research as Marx, Engels only dealt with the subject superficially. In the 1920s, the Bolsheviks created new institutions and organizations intended to produce devoted Marxist scholars of Oriental studies. Foremost among them was the Moscow Institute for Oriental Studies, a party school created in 1920 mainly for the requirements of the Soviet foreign service. Its counterpart for educating party workers and administrators from the Eastern regions and republics of Russia and the USSR, as well as for training communists from abroad, was the Communist University of the Toilers of the Orient, a school founded in 1921. The new Marxist discourse on Islam was dominated by scholars from these political teaching and research institutions.”- From Wikipaedia.

The two married perfectly and much resources were devoted to studies of islam with islamic scholars being more than welcome. There have also been numerous “islamic communists” and “islamic communist ideologies” throughout history, proving further that the two go hand in hand.

“In 1923, Zinatullah Navshirvanov (a Volga Tatar communist who was also active in the formation of a communist party in Atatürk’s new Republic of Turkey) in the journal Novyi Vostok proposed that there were several forms of communism in Islamic history. The authors detected a “primitive communism” already in the activities of some of Muhammad’s companions, but they found that communism
was even more prominent in the tradition of Islamic Sufism. Under the cover of Sufism communist ideas and movements emerged that had nothing to do with Islam and religion whatsoever. These movements were driven by Muslims—poor nomads as well as peasants and urban craftsmen—longing to overthrow the feudal order of their times, i.e., the Abbasid, Seljukid, and Ottoman dynasties in the Near East. As examples the Navshirvanovs mentioned the Shi‘i Ismailites, the Anatolian Futūwa and Akhī organizations, and the Bektashi order of dervishes.- From Wikipedia, on the various muslim-communist regimes throughout history.

Now, I will be doing an extensive article in the near future regarding Sufism. For now, this is yet more proof of a tight relationship between islam and communism.

To drum it in- They are two sides of the same coin!

Quote from the jewish Talmud:
_Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

This “messiah” is the NWO they wish to enforce upon Gentile Humanity in which everyone is a slave to them. They are attempting to use their communist program of islam with its sharia law to enforce this.

People MUST be made aware of this!

Rape Jihad in all 3 Abrahamic Religions

By angryshaman666

See how the koran has a parallel quote to the jewish talmuds where they believe they are entitled to steal all the world's property at 9:09?
This is EXACTLY identical to the Talmud quote

"All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general"  
-Schulchan Qruch, Choszen Hamiszpat 348

"All property of non-believers belongs to the servants of Allah due to their disbelief"-Anwar Al-Alwaki, (JEW)

What Islam is doing now is exactly the same thing Christianity did to Europe to CAUSE the dark ages.
The result was 1000 years of poverty, misery, stupidity, pestilence, disease and death, unprecedented in all of human history.
https://youtu.be/jEk6bRGaoAs
As you can see ALL 3 jewish cults have brought nothing but suffering and ruin to all humanity for the last 2000 years and MUST be abolished if we are to ever know peace!

To hell with freedom of religion, any psychotic pedophile cultist who tries to use the bill of rights to justify rape, genocide and slavery should be hanged!

Spiritual Satanism is the ONLY true religion and the only religion that actually benefits it's followers and teaches us to better ourselves and the world!

All other Pagan religions are as we know, derived from Satanism. Hinduism and yoga are the closest things to this that remain in the world today that haven't been as badly corrupted or replaced entirely by jewish depravity.
However even Yoga has been corrupted from what it once was and this is why we use the original source taught to us by Satan and the gods themselves!

Satan is the one true path to enlightenment, the original yogi who taught mankind to achieve enlightenment, immortality and godhood through meditation!

HAIL SATAN!
HAIL THE GODS OF HELL!
DEATH TO ALL JEWISH CULTS!
SIEG HEIL!
The Quran Advocates Terror!

- Thank you to Fourth Reich 666 for the following article. This illustrates very blatantly that islam is anything but a religion of peace!

"The Muslims think of themselves as fighters of peace. This has manifested itself to be utter and total bullshit. Their fate is based of fear, death, massacre, rape, crime, terror and killing. How do they confront being accused of these acts? They commit crimes as such: fear, death, massacre, rape, crime, terror and killing. Islam is not a religion of peace, it is a religion of death, a criminal ideology originating from the very mind of the Jew. The Islamic holy scripture itself exerts an appetite for crime. Let's go over that.

Note: The original commentary implied that the Christianity and Islam are actually true. Therefore I removed them and added my own comments. Please visit www.exposingchristianity.com and www.exposingthelieofislam.weebly.com for more details.

[Quran 8:12]: I will insist into to the heart of the unbelievers: smite ye above their necks and smite all their finger-tips off

[Quran 2:191-193]: "And kill them wherever you find them, and turn them out from where they have turned you out. And Al-Fitnah [disbelief or unrest] is worse than killing...but if they desist, then lo! Allah is forgiving and merciful. And fight them until there is no more Fitnah [disbelief and worshipping of others along with Allah] and worship is for Allah alone. But if they cease, let there be no transgression except against Az-Zalimun (the polytheists, and wrong-doers, etc.)"

Quran [2:244]: "Then fight in the cause of Allah, and know that Allah Heareth and knoweth all things.

Quran (2:216) - "Fighting is prescribed for you, and ye dislike it. But it is possible that ye dislike a thing which is good for you, and that ye love a thing which is bad for you. But Allah knoweth, and ye know not."

Not only does this verse establish that violence can be virtuous, but it also contradicts the myth that fighting is intended only in self-defense, since the audience was obviously not under attack at the time. From the Hadith, we know that this verse was narrated at a time that Muhammad was actually trying to motivate his people into raiding merchant caravans for loot. /1
Also, Allah says do not aggress: Do not aggress; GOD dislikes the aggressors. [2:190] - Oh, I get it, he obviously meant do not kill unless its in the name of the most peace full religion

Quran (3:56) - "As to those who reject faith, I will punish them with terrible agony in this world and in the Hereafter, nor will they have anyone to help." (Above is referenced to anyone and everyone who is not a muslim) Quran (3:151) - "Soon shall We cast terror into the hearts of the Unbelievers, for that they joined companions with Allah, for which He had sent no authority". Quran (4:74) - "Let those fight in the way of Allah who sell the life of this world for the other. Whoso fighteth in the way of Allah, be he slain or be he victorious, on him We shall bestow a vast reward."

Quran (4:76) - "Those who believe fight in the cause of Allah..." (The above claims that true believers will fight for Allah regardless of self defense)

Quran (4:89) - "They but wish that ye should reject Faith, as they do, and thus be on the same footing (as they): But take not friends from their ranks until they flee in the way of Allah (From what is forbidden). But if they turn renegades, seize them and slay them wherever ye find them; and (in any case) take no friends or helpers from their ranks." Quran (4:95) - "Not equal are those believers who sit (at home) and receive no hurt, and those who strive and fight in the cause of Allah with their goods and their persons. Allah hath granted a grade higher to those who strive and fight with their goods and persons than to those who sit (at home). Unto all (in Faith) Hath Allah promised good: But those who strive and fight Hath He distinguished above those who sit (at home) by a special reward,-"

(The above paragraph states in simple English: If you do not fight (kill) in the name of Islam, you are not worthy of being a Muslim.....and muslims still claim Allah is against crime..)

Quran (4:104) - "And be not weak hearted in pursuit of the enemy; if you suffer pain, then surely they (too) suffer pain as you suffer pain..." Is pursuing an injured and retreating enemy really an act of self-defense?

Quran (5:33) - "The punishment of those who wage war against Allah and His messenger and strive to make mischief in the land is only this, that they should be
murdered or crucified or their hands and their feet should be cut off on opposite sides or they should be imprisoned; this shall be as a disgrace for them in this world, and in the hereafter they shall have a grievous chastisement" Quran (8:12) - "I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off every fingertip of them" No reasonable person would interpret this to mean a spiritual struggle. Quran (8:15) - "O ye who believe! When ye meet those who disbelieve in battle, turn not your backs to them. (16)Whoso on that day turneth his back to them, unless maneuvering for battle or intent to join a company, he truly hath incurred wrath from Allah, and his habitation will be hell, a hapless journey's end." Quran (8:39) - "And fight with them until there is no more fitna (disorder, unbelief) and religion should be only for Allah" Quran (8:57) - "If thou comest on them in the war, deal with them so as to strike fear in those who are behind them, that haply they may remember." Quran (8:67) - "It is not for a Prophet that he should have prisoners of war until he had made a great slaughter in the land..." Quran (8:59-60) - "And let not those who disbelieve suppose that they can outstrip (Allah's Purpose). Lo! they cannot escape. Make ready for them all thou canst of (armed) force and of horses tethered, that thereby ye may dismay the enemy of Allah and your enemy." Quran (8:65) - "O Prophet, exhort the believers to fight..." Quran (9:5) - "So when the sacred months have passed away, then slay the idolaters wherever you find them, and take them captive and besiege them and lie in wait for them in every ambush, then if they repent and keep up prayer and pay the poor-rate, leave their way free to them." (Above: Kidnap non-muslims and convert them) Quran (9:14) - "Fight against them so that Allah will punish them by your hands and disgrace them and give you victory over them and heal the breasts of a believing people." Humiliating and hurting non-believers not only has the blessing of Allah, but it is ordered as a means of carrying out his punishment and even "healing" the hearts of Muslims. Quran (9:20) - "Those who believe, and have left their homes and striven with their wealth and their lives in Allah's way are of much greater worth in Allah's sight. These are they who are triumphant." The Arabic word interpreted as "striving" in this verse is the same root as "Jihad". The context is obviously holy war. Quran (9:29) - "Fight those who believe not in Allah nor the Last Day, nor hold that forbidden which hath been forbidden by Allah and His Messenger, nor acknowledge the religion of Truth, (even if they are) of the People of the Book, until they pay the Jizya with willing submission, and feel themselves subdued."
Quran (9:30) - "And the Jews say: Ezra is the son of Allah; and the Christians say: The Messiah is the son of Allah; these are the words of their mouths; they imitate the saying of those who disbelieved before; may Allah destroy them; how they are turned away!" Quran (9:38-39) - "O ye who believe! what is the matter with you, that, when ye are asked to go forth in the cause of Allah, ye cling heavily to the earth? Do ye prefer the life of this world to the Hereafter? But little is the comfort of this life, as compared with the Hereafter. Unless ye go forth, He will punish you with a grievous penalty, and put others in your place." This is a warning to those who refuse to fight, that they will be punished with Hell. Quran (9:41) - "Go forth, light-armed and heavy-armed, and strive with your wealth and your lives in the way of Allah! That is best for you if ye but knew." See also the verse that follows (9:42) - "If there had been immediate gain (in sight), and the journey easy, they would (all) without doubt have followed thee, but the distance was long, (and weighed) on them"

(This contradicts the myth that Muslims are to fight only in self-defense, since the wording implies that battle will be waged a long distance from home (in another country and on Christian soil, in this case, according to the historians).

Quran (9:73) - "O Prophet! strive hard against the unbelievers and the hypocrites and be unyielding to them; and their abode is hell, and evil is the destination." (Above: Unbelievers will go to hell - believe or burn in Allahs furnace)

Quran (9:88) - "But the Messenger, and those who believe with him, strive and fight with their wealth and their persons: for them are (all) good things: and it is they who will prosper."

Quran (9:111) - "Allah hath purchased of the believers their persons and their goods; for theirs (in return) is the garden (of Paradise): they fight in His cause, and slay and are slain: a promise binding on Him in truth, through the Law, the Gospel, and the Quran: and who is more faithful to his covenant than Allah? then rejoice in the bargain which ye have concluded: that is the achievement supreme."

Quran (9:123) - "O you who believe! fight those of the unbelievers who are near to you and let them find in you hardness." Quran (17:16) - "And when We wish to destroy a town, We send Our commandment to the people of it who lead easy
lives, but they transgress therein; thus the word proves true against it, so We destroy it with utter destruction." Note that the crime is moral transgression, and the punishment is "utter destruction." (Before ordering the 9/11 attacks, Osama bin Laden first issued Americans an invitation to Islam). Quran (18:65-81) - This parable lays the theological groundwork for honor killings, in which a family member is murdered because they brought shame to the family, either through apostasy or perceived moral indiscretion. The story (which is not found in any Jewish or Christian source) tells of Moses encountering a man with "special knowledge" who does things which don't seem to make sense on the surface, but are then justified according to later explanation. One such action is to murder a youth for no apparent reason (74). However, the wise man later explains that it was feared that the boy would "grieve" his parents by "disobedience and ingratitude." Quran (21:44) - "We gave the good things of this life to these men and their fathers until the period grew long for them; See they not that We gradually reduce the land (in their control) from its outlying borders? Is it then they who will win?" Quran (25:52) - "Therefore listen not to the Unbelievers, but strive against them with the utmost strenuousness..." "Strive against" is Jihad - obviously not in the personal context. It's also significant to point out that this is a Meccan verse. Quran (33:60-62) - "If the hypocrites, and those in whose hearts is a disease, and the alarmists in the city do not cease, We verily shall urge thee on against them, then they will be your neighbors in it but a little while. Accursed, they will be seized wherever found and slain with a (fierce) slaughter."

(Above, Allah allows slaughter of people who speak against Islam - hypocrites - no matter who) Quran (47:3-4) - "Those who disbelieve follow falsehood, while those who believe follow the truth from their Lord... So, when you meet (in fight Jihad in Allah's Cause), those who disbelieve smite at their necks till when you have killed and wounded many of them, then bind a bond firmly (on them, i.e. take them as captives)... I Quran (47:35) - "Be not weary and faint-hearted, crying for peace, when ye should be uppermost (Shakir: "have the upper hand") for Allah is with you," Quran (48:17) - "There is no blame for the blind, nor is there blame for the lame, nor is there blame for the sick (that they go not forth to war). And whoso obeyeth Allah and His messenger, He will make him enter Gardens underneath which rivers flow; and whoso turneth back, him will He punish with a painful doom." Contemporary apologists sometimes claim that Jihad means 'spiritual struggle.' Quran (48:29) - "Muhammad is the messenger of Allah. And those with him are hard (ruthless) against the disbelievers and merciful among themselves"
Quran (61:4) - "Surely Allah loves those who fight in His way". Religion of Peace, indeed! The verse explicitly refers to "battle array" meaning that it is speaking of physical conflict. This is followed by (61:9): "He it is who has sent His Messenger (Mohammed) with guidance and the religion of truth (Islam) to make it victorious over all religions even though the infidels may resist." (See next verse, below). Infidels who resist Islamic rule are to be fought. Quran (61:10-12) - "O You who believe! Shall I guide you to a commerce that will save you from a painful torment. That you believe in Allah and His Messenger (Muhammad), and that you strive hard and fight in the Cause of Allah with your wealth and your lives, that will be better for you, if you but know! (If you do so) He will forgive you your sins, and admit you into Gardens under which rivers flow, and pleasant dwelling in Gardens of 'Adn - Eternity ['Adn (Edn) Paradise], that is indeed the great success."

Quran (66:9) - "O Prophet! Strive against the disbelievers and the hypocrites, and be stern with them. Hell will be their home, a hapless journey's end." The root word of "Jihad" is used again here. The context is clearly holy war, and the scope of violence is broadened to include "hypocrites" - those who call themselves Muslims but do not act as such.

Jihad Verses

There are simply too many to comment on here, so use common logic and observe who this filthy religion advocates crime.

[2.178]...retaliation is prescribed for you in the matter of the slain... [2.179] ...there is life for you in (the law of) retaliation, O men of understanding, that you may guard yourselves.

[2.190] ...fight in the way of Allah with those who fight with you...[2.191] And kill them wherever you find them, and drive them out from whence they drove you out, and persecution is severer than slaughter, and do not fight with them at the Sacred Mosque until they fight with you in it, but if they do fight you, then slay them; such is the recompense of the unbelievers.

[193]...fight with them...[194]...whoever then acts aggressively against you, inflict injury on him according to the injury he has inflicted on you...

[2.216] Fighting is enjoined on you...[2.217]... fighting in it. Say: Fighting in it is a grave matter...persecution is graver than slaughter... [2.218]...strove hard in the way of Allah......fight in the way of Allah
[3.121]...to lodge the believers in encampments for war...[3.122] When two parties from among you had determined that they should show cowardice [about Jihad]...[3.123]...Allah did certainly assist you at [the Battle of] Badr...[3.124]...[3.125] Yea! if you remain patient and are on your guard, and they come upon you in a headlong manner, your Lord will assist you with five thousand of the havoc-making angels. [3.126]...victory is only from Allah...

[3.140] If a wound has afflicted you (at [the Battle of] Uhud), a wound like it has also afflicted the (unbelieving) people; and We bring these days to men by turns, and that Allah may know those who believe and take witnesses from among you...[3.141] ...that He [Allah] may purge those who believe and deprive the unbelievers of blessings. [3.142] Yusuf Ali: Did ye think that ye would enter Heaven without God testing those of you who fought hard (in His Cause) and remained steadfast? [3.143] Pickthall: And verily ye used to wish for death before ye met it (in the field). Now ye have seen it [death] with your eyes! Yusuf Ali: How many of the prophets fought (in Allah's way) [Jihad], and with them (fought) large bands of godly men? But they never lost heart if they met with disaster in Allah's way [lost a battle], nor did they weaken (in will) nor give in. And Allah loves those who are firm and steadfast [in Jihad].

[3.152]...you slew them by His [Allah's] permission [during a Jihad battle]...[3.153] Pickthall: ...the messenger, in your rear, was calling you (to fight)...that which ye missed [war spoils]...[3.154]...They say: Had we any hand in the affair, we would not have been slain here [in a Jihad battle]. Say: Had you remained in your houses, those for whom slaughter was ordained [in Jihad battle] would certainly have gone forth to the places where they would be slain...[3.155] (As for) those of you who turned back on the day when the two armies met...[3.156] O you who believe! be not like those who disbelieve and say of their brethren when they travel in the earth or engage in fighting: Had they been with us, they would not have died and they would not have been slain...[3.157]...if you are slain in the way of Allah...mercy is better than what they amass [what those who stay home from Jihad receive – no booty on earth and no perks in heaven]. [3.158] ...if indeed you die or you are slain, certainly to Allah shall you be gathered together.

[3.165]...you [Muslims] had certainly afflicted (the unbelievers) with twice as much [in a Jihad battle]...[3.166]...when the two armies met ([the Battle of]
Uhud...[3.167]...Come, fight in Allah's way, or defend yourselves...If we knew fighting, we would certainly have followed you...

...recount not those who are killed in Allah's way as dead; nay, they are alive (and) are provided sustenance from their Lord [meaning they are enjoying their 72 virgins in heaven];

[3.172] ...those who responded (at the Battle of Uhud) to the call of Allah and the Apostle after a wound had befell them...shall have a great reward. [3.173] Those to whom the people said: Surely men have gathered against you [in battle], therefore fear them, but this increased their faith, and they said: Allah is sufficient for us and most excellent is the Protector.

...who fought and were slain...I will most certainly make them enter gardens beneath which rivers flow; a reward from Allah, and with Allah is yet better reward.

[4.71] ...go forth in detachments or go forth in a body [to war]. [4.72] ...hang back [from Jihad] ...not present with them [in Jihad].

[4.74] Therefore let those fight in the way of Allah, who sell this world's life for the hereafter; and whoever fights in the way of Allah, then be he slain or be he victorious, We shall grant him a mighty reward. [4.75] ...fight in the way of Allah...

[4.76] Those who believe fight in the way of Allah, and those who disbelieve fight in the way of the Satan. Fight therefore against the friends of the Satan... [4.77] ...when fighting is prescribed for them...Our Lord! why hast Thou ordained fighting for us?...

Fight then in Allah's way...rouse the believers to ardor maybe Allah will restrain the fighting of those who disbelieve...

[4.89] ...take not from among them friends until they fly (their homes) in Allah’s way; but if they turn back [to their homes], then seize them and kill them wherever you find them... [4.90] Allah has not given you a way against them [Allah supposedly does not allow Muslims to fight people friendly to Muslims].

[4.91]...seize them and kill them wherever you find them...

[4.94]...when you go to war in Allah's way... [4.95] ...those who strive hard [Jihad] in Allah's way with their property and their persons are not equal...Allah shall grant to the strivers [i.e.,Jihadist] above the holders back a mighty reward.
...whoever flies in Allah's way [forsakes his home to fight in Jihad], he will find in the earth many a place of refuge and abundant resources, and whoever goes forth from his house flying to Allah and His Apostle, and then death overtakes him [in Jihad], his reward is indeed with Allah...[4.101] Rodwell: And when ye go forth to war in the land, it shall be no crime in you to cut short your prayers, if ye fear lest the infidels come upon you; Verily, the infidels are your undoubted enemies![4.102]...let them take their arms...let them take their precautions and their arms...there is no blame on you, if you are annoyed with rain or if you are sick, that you lay down your arms...[4.103] Khalifa: Once you complete your Contact Prayer (Salat), you shall remember GOD while standing, sitting, or lying down. Once the war is over, you shall observe the Contact Prayers (Salat); the Contact Prayers (Salat) are decreed for the believers at specific times.[4.104]...be not weak hearted in pursuit of the enemy...

Sher Ali:...If you have a victory [in Jihad] from Allah...
The punishment of those who wage war against Allah and His apostle and strive to make mischief in the land is only this, that they should be murdered or crucified or their hands and their feet should be cut off on opposite sides or they should be imprisoned [Pickthall and Yusuf Ali have "exiled" rather than "imprisoned"]
...strive hard [at Jihad] in His way that you may be successful.

...you will find the most violent of people in enmity for those who believe (to be) the Jews [compare with "whenever Jews kindle fire for war, Allah [Muslims] puts it out" (K 005:064)] and those who are polytheists [while they are converted to Islam on pain of death]...
Pickthall: ...the spoils of war...The spoils of war belong to Allah and the messenger Even as your Lord caused you to go forth from your house with the truth, though a party of the believers were surely averse;
...Allah promised you one of the two (enemy) parties, that it should be yours: Ye wished that the one unarmed should be yours, but Allah willed to justify the Truth according to His words and to cut off the roots of the Unbelievers.

[8.9]...I will assist you [in Jihad] with a thousand of the angels following one another [see K 008:012]. [8.10]...Allah only gave it as a good news and that your hearts might be at ease thereby; and victory is only from Allah; surely Allah is Mighty, Wise.
...make firm those who believe. I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off every fingertip of them. [8.15] ...when you meet those who disbelieve marching for war, then turn not your backs to them. [8.16] ...for the sake of fighting... [8.17] So you did not slay them, but it was Allah Who slew them, and you did not smite when you smote (the enemy), but it was Allah Who smote [Allah gets the credit for Jihad]...

[8.39] Shakir: ...fight with them until there is no more persecution and religion should be only for Allah... [8.40] Yusuf Ali: If they [unbelievers] refuse [to stop fighting], be sure that God is your Protector...[8.41] Shakir: ...whatever thing [loot] you gain, a fifth of it is for Allah and for the Apostle...the day on which the two parties met [in a Jihad versus anti-Jihad battle]...[8.42]...Allah might bring about a matter which was to be done, that he who would perish might perish by clear proof [bring success to Muslims engaged in robbing a caravan near Badr against all the odds]...[8.43]...Allah showed them [the Mekkans] to you in your dream as few [fighters]; and if He had shown them [the Mekkans] to you as many [fighters] you would certainly have become weak-hearted [i.e., hearts. See the similar discussion in K 002:249 about how a smaller army can defeat a larger army]...[8.44]...when you met, as few [fighters] in your eyes and He made you to appear little [few fighters] in their eyes, in order that Allah might bring about a matter which was to be done [a Jihad versus anti-Jihad battle brought on by overconfidence in each side]...[8.45]...when you meet a party [in battle], then be firm...[8.46]...obey Allah and His Apostle and do not quarrel for then you will be weak in hearts [demoralized] and your power [to execute Jihad] will depart...[8.47]...be not like those [Mekkans] who came forth from their homes [in an anti-Jihad War on Islamic terrorism]...[8.48]...when the two parties [Muslims versus Mekkans] came in sight of each other he [Satan] turned upon his heels...

Pickthall: [8.57] If thou come on them in the war, deal with them so as to strike fear in those who are behind them, that haply they may remember. [8.57] Khalifa: When you are betrayed by a group of people, you shall mobilize against them in the same manner. GOD does not love the betrayers. [8.59] Shakir: ...let not those who disbelieve think that they shall come in first; surely they will not escape. [8.60] And prepare against them what force you can and horses tied at the frontier, to frighten thereby the enemy of Allah and your enemy and others besides them, whom you do not know (but) Allah knows them; and whatever thing you will spend in Allah's way [for Jihad]...
[8.65] O Prophet! urge the believers to war; if there are twenty patient ones of you they shall overcome two hundred, and if there are a hundred of you they shall overcome a thousand of those who disbelieve, because they are a people who do not understand [in other words, do not understand totalitarian ideologies like Islam]. [8.66] ...if there are a hundred patient ones of you they shall overcome two hundred, and if there are a thousand they shall overcome two thousand by Allah's permission... [8.67] It is not fit for a prophet that he should take captives unless he has fought and triumphed in the land; you desire the frail goods [i.e., ransom money] of this world... [8.68] ...ransom... [8.69] Eat then of the lawful and good (things) which you have acquired in war [war spoils]...[8.70] O Prophet! say to those of the captives [non-Muslims] who are in your hands: If Allah knows anything good in your hearts, He will give to you better than that which has been taken away from you [in Jihad]...[8.71] Yusuf Ali: But if they have treacherous designs against thee, (O Apostle!)...He [Allah] given (thee) power over them...[8.72] Yusuf Ali: Those who ...fought for the Faith, with their property and their persons, in the cause of God...[8.73] Yusuf Ali: The Unbelievers are protectors, one of another: Unless ye do this, (protect each other), there would be tumult and oppression on earth, and great mischief. [8.74] Yusuf Ali: ...fight for the Faith...[8.75] Yusuf Ali: ...fight for the Faith...

...slay the idolaters wherever you find them...take them captives and besiege them and lie in wait for them in every ambush...
[9.12] ...fight the leaders of unbelief...[9.13] What! will you not fight a people...[9.14] Fight them, Allah will punish them by your hands and bring them to disgrace, and assist you against them and heal the hearts of a believing people. ...those of you who have struggled hard [in Jihad]
[9.19] ...strives hard in Allah's way?... [9.20]...strove hard [Jihad] in Allah's way with their property and their souls...
[9.24] ...striving in His way [Jihad];,... then wait till Allah brings about His command [to go on Jihad]: ...[9.25] Certainly Allah helped you in many battlefields and on the day of [the Battle of] Hunain, when your great numbers made you vain, ...
[9.26] ...chastised those who disbelieved [Muhammad gives credit to angels and Allah for the actions of Jihadists]...

Fight those who do not believe in Allah...nor follow the religion of truth, out of those who have been given the Book, until they pay the tax in acknowledgment of superiority and they are in a state of subjection.

...fight the polytheists all together as they fight you all together...
...Go forth in Allah's way [to Jihad]... [9.39] If you do not go forth [to go on Jihad], He will chastise you with a painful chastisement and bring in your place a people other than you [to go on Jihad]...

Go forth light [lightly armed] and heavy [heavily armed], and strive hard in Allah's way [Jihad] with your property and your persons...

...striving hard with their property and their persons [Jihad] ...

...Allah will afflict you with punishment from Himself or by our hands...

...strive hard [Jihad] against the unbelievers and the hypocrites and be unyielding to them...

...they were averse from striving in Allah's way [Jihad] with their property and their persons, and said: Do not go forth [to Jihad] in the heat...

... shall you fight an enemy with me [in Jihad]...

...strive hard [in Jihad] along with His Apostle

...strive hard [in Jihad] with their property and their persons...

Yusuf Ali: Nor (is there blame) on those who came to thee to be provided with mounts [saddles on which to go to war], and when thou said, "I can find no mounts for you," they turned back, their eyes streaming with tears of grief that they had no resources wherewith to provide the expenses [to go on Jihad].

...they fight in Allah's way, so they slay and are slain...

Yusuf Ali:...whether they suffered thirst, or fatigue, or hunger, in the cause of Allah [while on a march to Jihad], or trod paths to raise the ire of the Unbelievers [invade their territory], or received any injury whatever from an enemy [during a Jihad battle]...

[9.122] Pickthall:...the believers should not all go out to fight. Of every troop of them, a party only should go forth... [9.123] ...fight those of the unbelievers who are near to you and let them find in you hardness...

Yusuf Ali:...who thereafter strive and fight for the faith and patiently persevere...

Permission (to fight) is given to those upon whom war is made...

Sher Ali: ...those who leave their homes for the cause of Allah, and are then slain or die, Allah will, surely, provide for them a goodly provision...

...strive hard [in Jihad] in (the way of) Allah, (such) a striving a is due to Him...

...they would certainly go forth [to Jihad (see K 024:055)]...

Allah has promised to those of you who believe and do good that He will most certainly make them rulers in the earth [as a reward for going on Jihad (see K 024:053)]...

Palmer: ...fight strenuously with them in many a strenuous fight.

...whoever strives hard [in Jihad], he strives only for his own soul...
...(as for) those who strive hard [in Jihad] for Us [Allah]...
Pickthall: ...they had already sworn unto Allah that they would not turn their backs (to the foe) [in Jihad battle]...
...they come not to the fight [Jihad] but a little...
...they would not fight save a little [in Jihad].
Pickthall: ...Some of them [Jihadists] have paid their vow by death (in battle), and some of them still are waiting...
[33.25]...Allah sufficed the believers in fighting... [33.26]...some [Jews] you killed and you took captive another part. [33.27]...He made you heirs to their [Jewish] land and their dwellings and their property, and (to) a land which you have not yet trodden...
...those [captive women] whom your right hand possesses [i.e., by virtue of the sword used in Jihad] out of those whom Allah has given to you as prisoners of war...
Sale:...and who, when an injury is done them, avenge themselves...
...when you meet in battle those who disbelieve, then smite the necks until when you have overcome them, then make (them) prisoners, and afterwards either set them free as a favor or let them ransom (themselves) until the war terminates...(as for) those who are slain in the way of Allah...
...fighting [allusion to Jihad] is mentioned therein ...
Rodwell: Be not fainthearted then; and invite not the infidels to peace when ye have the upper hand: for God is with you, and will not defraud you of the recompense of your works...

[48.15] Pickthall: ...when you set forth to capture booty...[48.16]...You shall soon be invited (to fight) against a people possessing mighty prowess; you will fight against them until they submit...[48.17] Pickthall: There is no blame...for the sick (that they go not forth to war). And whoso obeys Allah and His messenger [by going on Jihad], He will make him enter Gardens underneath which rivers flow; and whoso turns back [from Jihad], him will He punish with a painful doom.
[48.18] Certainly Allah was well pleased with the believers when they swore allegiance to you under the tree, and He knew what was in their hearts, so He sent down tranquility on them and rewarded them with a near victory, [48.19] And much booty that they will capture. Allah is ever Mighty, Wise. [48.20] Allah promised you many acquisitions which you will take, then He hastened on this one for you and held back the hands of men from you, and that it may be a sign for the believers and that He may guide you on a right path. [48.21] Sale: And [he also promiseth you] other [spoils], which ye have not [yet] been able [to take]:
But now hath God encompassed them [for you]; and God is almighty. [48.22] And if those who disbelieve fight with you, they would certainly turn (their) backs, then they would not find any protector or a helper. [48.23] Such [i.e., the Jihad mentioned the previous verse] has been the course [practice] of Allah that has indeed run before, and you shall not find a change in Allah’s course. [48.24] And He [Allah] it is Who held back...your hands from them [in Jihad] in the valley of Mecca...

Sale: ...true believers ...employ their substance and their persons in the defense of God’s true religion...

...the hands of the believers [i.e. Muslims demolished Jewish homes] ...

Pickthall:[59.5] Whatsoever palm-trees you cut down or left standing on their roots [during a Jihad siege of the Jews at Madina], it was by Allah's leave, in order that He might confound the evil-livers [Jews]. [59.6] ...that which Allah gave as spoil unto His messenger from them, you urged not any horse or riding-camel for the sake thereof, but Allah gives His messenger lordship over whom He will...

They will not fight against you in a body save in fortified towns or from behind walls...

Allah only forbids you respecting those who made war upon you on account of (your) religion [no fraternizing with the enemy]...

...Allah loves those who fight in His way in ranks as if they were a firm and compact wall.

...struggle hard in Allah's way [Jihad] with your property and your lives...

...victory [in Jihad] near at hand...

...they think every cry to be against them. They are the enemy, therefore beware of them; may Allah destroy them, whence are they turned back? [This verse speaks of internecine Jihad against Muslims deemed infidels or "hypocrites."]

...surely from among your wives and your children there is an enemy to you; therefore beware of them [collaborators with the enemy, especially if the women were once war spoils]...

O Prophet! strive hard against the unbelievers and the hypocrites, and be hard against them...

...others who fight in Allah's way...

And they [Muslims] give food out of love for Him [Allah] to...the captive [of Jihad]...
What Islam has to say about Homosexuality

By Fourth Reich 666

As most sheep think, "Allah is nice," "Allah forgives everyone," and most falsly: "Allah accepts everyone," For homosexuals this is a different case. Put a side "allah's" other evil shit, such as stone women, and focus on what jewslam thinks about gays. Here are the following quotes from the quaran, express what i mean. "We also sent Lut: He said to his people: "Do ye commit lewdness such as no people in creation (ever) committed before you? For ye practice your lusts on men in preference to women: ye are indeed a people transgressing beyond bounds." Qur'an 7:80-81

"What! Of all creatures do ye come unto the males, and leave the wives your Lord created for you? Nay, but ye are forward folk." Qur'an 26:165

Qur'an 27.055 Would ye really approach men in your lusts rather than women? Nay, ye are a people (grossly) ignorant!

Qur'an 29.028-29 And (remember) Lut: behold, he said to his people: "Ye do commit lewdness, such as no people in Creation (ever) committed before you. Do ye indeed approach men, and cut off the highway? and practice wickedness (even) in your councils?

"And as for those who are guilty of an indecency from among your women, call to witnesses against them four (witnesses) from among you; then if they bear witness confine them to the houses until death takes them away or Allah opens some way for them. And as for the two who are guilty of indecency from among you, give them both a punishment; then if they repent and amend, turn aside from them; surely Allah is oft-returning (to mercy), the Merciful.” Qu'ran 4:15–16 [How Ironic, first it says kill gay and the finishing with god is merciful]

Abu Dawud (4462) - The Messenger of Allah (peace and blessings of Allah be upon him) said, "Whoever you find doing the action of the people of Loot, execute the one who does it and the one to whom it is done.".

Abu Dawud (4448) - "If a man who is not married is seized committing sodomy, he will be stoned to death." (Note the implicit approval of sodomizing one's wife).
Qu'ran 4:16:

And the two persons among you who commit illegal sexual intercourse, punish them both.) Ibn `Abbas and Sa`id bin Jubayr said that this punishment includes cursing, shaming them and beating them with sandals. This was the ruling until Allah abrogated it with flogging or stoning, as we stated. Mujahid said, "It was revealed about the case of two men who do it. As if he was referring to the actions of the people of Lut, and Allah knows best.

Bukhari (72:774) - "The Prophet cursed effeminate men (those men who are in the similitude (assume the manners of women) and those women who assume the manners of men, and he said, 'Turn them out of your houses.' The Prophet turned out such-and-such man, and 'Umar turned out such-and-such woman."

What did Mohammed himself have to say about homosexuality: "Whoever is found conducting himself in the manner of the people of Lot, kill the doer and the receiver" "A man should not look at the private parts of another man, and a woman should not look at the private parts of another woman. A man should not lie with another man without wearing lower garment under one cover; and a woman should not be lie with another woman without wearing lower garment under one cover." (Abu Dawood)

What did Allah say?

"Do you approach the males of humanity, leaving the wives Allah has created for you? Nay, You are a people who transgress."

Allah also looked down upon anal sex with women:

"Allah is not too shy to tell you the truth: Do not have sex with your wives in the anus."

In Islam, it is required that each "good muslim" produces a "good muslim offspring." In the Qu'ran, Muhammed had 13 legit wives, with the rest being SEX SLAVES....oh how mercyful and graceful is the almighty prophet....may shit be upon him

This twisted religion also has a view on lesbianism:
"Lesbianism by women is adultery between them." (Tabarani, sahih)"

The Genocide of Homosexuals in Iran

[1] Since the Islamic revolution of Iran, since the 1980s, when Ayatollah Khomeini took the reigns of power, 4000 GBLT people were killed in gruesome methods such as beheading with a sword, chopped in two with a sword, being stonned to death and being burned at the stake.

Reason for execution:

"The death penalty applies not only to sodomy, but to repeated offences of lesser sexual acts such as mutual masturbation and body rubbing. The mere act of two people of the same sex lying naked together "without any necessity" is a crime punishable by up to 99 lashes. One man kissing another, even "without lust", merits 60 lashes. These floggings can cause permanent injury to internal organs, severe bleeding and sometimes death. The Iranian authorities stepped up their crusade against homosexuality in 1990, with a wave of public executions. On the
first day of the new crackdown, three gay men were beheaded in a city square in Nahavand, and two women accused of lesbianism were stoned to death in Langrood. Justifying these killings, the Iranian Chief Justice, Morteza Moghtadai, declared: "The religious punishment for the despicable act of homosexuality is death for both parties".

Simultaneously, Ayatollah Ali Khameni denounced "homosexuality, male and female". He condemned Britain and the USA for promoting gay relationships, claiming the two countries had legalised marriages between people of the same sex. Homosexuality was, he said, a symptom of the decay and corruption of Western culture.

His colleague, Ayatollah Musavi-Ardebili, demanded the strict enforcement of Islamic punishments for lesbian and gay behavior. Describing the procedures for the execution of homosexuals, he told students at Tehran University:

"They should seize him (or her), they should keep him standing, they should split him in two with a sword, they should either cut off his neck or they should split him from the head.... after he is dead, they bring logs, make a fire and place the corpse on the logs, set fire to it and burn it. Or it should be taken to the top of a mountain and thrown down. Then the parts of the corpse should be gathered together and burnt. Or they should dig a hole, make a fire in the hole and throw him alive into the fire. We do not have such punishments for other offences", boasted the Ayatollah. "There cannot be the slightest degree of mercy or compassion. ... Praise be to God."

Lesbians and gay men living in countries dominated by the New Dark Ages of Islamic fundamentalism cannot afford the liberal luxury of tolerating religious fanaticism. For them, the politically correct arguments about "cultural sensitivity" smack of surrender to the extremists who jeopardize their freedom and even their lives." from http://iranian.com/Letters/1999/September/gay.html

[2]Here is a story of a homosexual victim of torture in Iran

Amir is from Shiraz, a city of more than a million people in southwestern Iran that the Shah tried to make “the Paris of Iran” in the 1960s and 1970s, attracting a not insignificant gay population and making Shiraz a favorite vacation spot for Iranian gays – but after the 1979 Revolution led by Ayatollah Khomeini, Shiraz was
targeted as a symbol of taaghoot (idolatry). Amir’s father was killed by a gas attack in the Iran-Iraq war in the 1987, becoming – in the Islamic Republic’s official parlance – a “martyr,” whose surviving family thus had the right to special benefits and treatment from the state.

Amir, who grew up with his mother, an older brother and two sisters, says: “I’ve known I was gay since I was about 5 or 6 – I always preferred to play with girls. I had my first sexual experience with a man when I was 13. But nobody in my family knew I was gay.” Amir’s first arrest for being gay occurred two years ago: “I was at a private gay party, about 25 young people there, all of us close friends. One of the kids, Ahmed Reza – whose father was a colonel in the intelligence services, and who was known to the police to be gay – snitched on us, and alerted the authorities this private party was going to happen. Ahmed waited until everyone was there, then called the Office for Promotion of Virtue and Prohibition of Vice, headed in Shiraz by Colonel Safaniya, who a few minutes later raided the party. The door opened, and the cops swarmed in, insulting us – screaming ‘who’s the bottom? Who’s the top?’ and beating us, led by Colonel Javanmardi. When someone tried to stop them beating up the host of the party, they were hit with pepper spray. One of our party was a transsexual – the cops slapped her face so hard they busted her eardrum and she wound up in hospital. Ahmed Reza, the gay snitch, was identifying everyone as the cops beat us up. “The cops took sheets, ripped them up and blindfolded us, threw us into a van, and took us to a holding cell in Interior Ministry headquarters – they knew us all by name,” Amir recounts. Iranians live in fear of the Interior Ministry, which has a reputation like that of the former Soviet KGB’s domestic bureau, and whose prisons strike fear in people’s hearts the way the infamous Lubianka once did. Amir says that “I was the third person to be interrogated. The cops had seized videos taken at the party, in one of which I was reciting a poem. The cops told me to recite it again. ‘What poem?’ I said. They began beating me in the head and face. When I tried to deny I was gay, they took off my shoes and began beating the soles of my feet with cables, the pain was excruciating. I was still blindfolded. They had found dildos in the house where the party was – they beat me with them, stuffed them in my mouth. When I told them my father was a martyr [of the Iran-Iraq war] they beat me up even more, and harder. They took away my card [entitling Amir to martyr’s benefits] and said they’d tell the local university, where I was studying computers.”
At the same time, Amir continues, “They went to my house, seized my computer, found online homoerotic pictures of guys in it, and showed them to my mother. That’s how mother found out I was gay. Eventually I was tried and fined 100,000 tumans [or about $120, a large sum in Iran]. At the time he fined me, the judge told me that ‘if we send you to a physician who vouches that your rectum has been penetrated in any way, you will be sentenced to death.’”

Most of the anti-gay crackdown, Amir says, is conducted by the Basiji. The Basiji are a sort of unofficial para-police under the authority of the hard-line Revolutionary Guards (called Pasdaranin Persian). It is the basiji—thugs recruited from the criminal classes and the lumpen unemployed—who are assigned to be agents provocateurs, and are given the violent dirty work, so the regime can claim it wasn’t officially responsible. For example, during recent university strikes and demonstrations, it was the Basijis who were charged with the defenestration and the vicious beatings of rebellious students.

A year after his first arrest, an unrepentant Amir was in a Yahoo gay chat room on the web: “Someone came into the chat room and started messaging me, but I told him he wasn’t my type and gave him a description of the kind of guy I was looking to meet. A few minutes later, another guy started messaging me. We exchanged pix, and he sent me his web-page right away—and he matched exactly all the descriptions I’d sent to the previous guy. It turned out later both guys were police agents; they had so many they could come up with one who match the personal preferences of any gay guy in the chat rooms.”

“With this second guy, I was really excited, and we made a date for that afternoon at a phone booth near Bagh-e SafaBridge. When I got there, we started to walk away to talk and get to know each other. But within 30 seconds, I felt a hand laid on my shoulder from behind—it was an undercover agent in regular clothes, whose name turned out to be Ali Panahi. With two other Basiji, he handcuffed me, forced me into a car, and took me back to the Intelligence Ministry headquarters, a very scary place. There I denied that I was gay, and denied that this had been a gay rendezvous—but they showed me a printout from the chatroom of my messages and my pix.”

Then, says Amir, the torture began: “There was a metal chair in the middle of the room—they put a gas flame under the chair, and made me sit on it as the metal seat got hotter and hotter. They threatened to send me to an army barracks
where all the soldiers were going to rape me. There was a soft drink bottle sitting on a table – Ali Panahi told one of the other Basiji to take the bottle and shove it up my ass, screaming: ‘This will teach you not to want any more cock!’ I was so afraid of sitting in that metal chair, as it got hotter and hotter, that I confessed. Then they brought out my file, and told me that I was a ‘famous faggot’ in Shiraz. They beat me up so badly that I passed out, and was thrown, unconscious, into a holding cell.

“When I came to, I saw there were several dozen other gay guys in the cell with me. One of them told me that, after they had taken him in, they beat him and forced him to set up dates with people through chat rooms – and each one of those people had been arrested, those were the other people in that cell with me. “We were eventually all taken to court, and cross-examined. The judge sentenced four of us, including me, to public flogging. The news was printed all over the newspapers that a group of homosexuals had been arrested, with our names. I got 100 lashes – I passed out before the 100 lashes were over. When I woke up, my arms and legs were so numb that I fell over when they picked me up from the platform on which I’d been lashed. They had told me that, if I screamed, they will beat me even harder – so I was biting my arms so hard, to keep from screaming, that I left deep teeth wounds in my own arms.”

After this entrapment and public flogging, Amir’s life became unbearable – he was rousted regularly at his home by the Basiji and by agents of the Office for Promotion of Virtue and Prohibition of Vice [which represses “moral deviance” – things like boys and girls walking around holding hands, women not wearing proper Islamic dress or wearing makeup, same-sex relations, and prostitution]. But after the hanging of two gay teens in the city of Mashad in July of this year [2005]– and the world-wide protests that followed those hangings – Amir says that things got even worse for him and other Iranian gays. Amir was under continual surveillance, harassed, and threatened: “After the Mashad incident, the ‘visits’ from the authorities became an almost daily occurrence. They would come to my house and threaten me. They knew everything about everything I did, about everywhere I went. They would tell me exactly what I had done each and every time I had left the house. It had gotten to the point where I was starting to suspect my own friends of spying on me. On one of these visits, Ali Panahi –the one who’d arrested me the last time – grabbed me by the hair and asked me if I’d suck his cock if he asked me to. One of my friends was raped by Ali Panahi, who fucked my friend in exchange for letting him go without a record.
“They would arrest me all the time, take me in for questioning in the middle of the day – when I left the house, they’d hassle me, ask me if I was going to go looking for dick, and tell me not to leave my house and to keep off the streets. In one of these arrests, Colonel Javanmardi told me that if they catch me again that I would be put to death, ‘just like the boys in Mashad.’ He said it just like that, very simply, very explicitly. He didn’t mince his words. We all know that the boys who were hanged in Mashad were gay – the rape charges against them were trumped up, just like the charges of theft and kidnapping against them. When you get arrested, you are forced by beatings, torture, and threats to confess to crimes you didn’t commit. It happens all the time, it happened to friends of mine.

“I could not get a job because of my case history. Since I was obviously gay I couldn’t get a job anywhere, and could not get a government job because of my record,” Amir says. By the last time the cops came to his house, Amir had decided to try to leave the country: “I invented an excuse, and told them I had to go to Tehran to take my higher university entrance exams. I already had a passport from three years ago. In Tehran I borrowed a little money from a friend and came to Turkey by bus. At the border, I really lucked out – I was terrified because I had a record, and not enough money to get out or pay a bribe.” But indolent border guards didn’t bother to check on him – they just took his passport, stamped it, and let him leave. That, says Amir, was about a month ago.

When asked what message he wants to send to the world about what’s happening in Iran, and what he thinks about his own future, Amir pauses, then says: “The situation of gays in Iran is dreadful. We have no rights at all. They would beat me up and tell me to confess to things I hadn’t done, and I would do it. The gays and lesbians in Iran are under unbelievable pressure – they need help, they need outside intervention. Things are really bad. Really bad! We are constantly harassed in public, walking down the street, going to the store, going home... anywhere and anywhere, everyone, everyone! One of my dear friends, Nima, committed suicide a month ago in Shiraz. He just couldn’t take it anymore. I don’t know what’s going to happen to me. I’ve run out of money. I don’t know what to do. I just hope they don’t send me back to Iran. They’ll kill me there.” The execution of homosexuals in Iran still continues today, the most recent being in 2014 when two men were executed for being gay and "insulting the prophet" see here for article: http://www.jihadwatch.org/2014/03/new-moderate-iran-executes-two-gay-men-and-hands-down-death-sentence-for-insulting-the-prophet
Afghanistan is another Muslim country with a horrific history of the persecution of homosexuals.

There were horrible cases such as a wall being bulldozed over to gay men after confessing to be homosexuals.

Another case is when a fucking eighty-four year-old man survived being stonned by the Taliban.

Three homosexual men survived being buried alive for 30 minutes.

There is much on Saudi Arabia, but I won't add it now, but later. This will do for
now: Saudi King Linked To Material Found In UK Mosques Advocating Killing
Gaysby The Associated Press London) Agencies linked to the Saudi government
have distributed extremist literature to mosques and Islamic centers in Britain, an
independent think tank said Tuesday.

The Policy Exchange, timing its report to Saudi King Abdullah's state visit, said the
material expressed a deep-rooted antipathy toward Western society, calling for
violence against enemies of Islam, including women and gays who demand equal
rights.

"Saudi Arabia is the ideological source of much of this sectarianism - and must be
held to account for it," the study said. "Islamic institutions in the U.K. must clean
up their act."

Abdullah, who depends on support from the same clerics known to inspire al-
Qaida militants, has faced criticism for his support of Islamic extremists.

The king also has been dogged by criticism over Saudi Arabia's human rights
record. Prime Minister Gordon Brown already is under pressure to use his visit to
raise concerns about allegations that the regime is involved in torture and other
abuses.

Literature is Subverting Britain's Mosques," describes 80 books and pamphlets
collected at nearly 100 Islamic institutions, including leading mosques, in 2006
and 2007.

Experts in Islamic studies analyzed the material, some of which was translated
into English from Arabic or Urdu.

Policy Exchange said the survey found radical material in about 25 percent of the
institutions. They included some of the best-funded and most dynamic Muslim
institutions in Britain - some of which are held up as mainstream bodies, the study
said.
There were demands for gays to be killed and women to be subjugated, along with comments such as: "The Jews and the Christians are the enemies of the Muslim," the report said.

Some of the literature espoused the creation of a separate state for Muslims, governed by Sharia law, and urged individual Muslims "to feel an abhorrence" for Muslims considered to be practicing an insufficiently rigorous form of Islam.

"On occasion, this attitude of deep-rooted antipathy towards Western society can descend into exhortations to violence and jihad against the 'enemies' of Islam," the study said.

The study recommended that the government, councils, police and leaders should have nothing to do with mosques that continued to sell or distribute extremist literature.
It is very clear in Islam women have no rights, they are limited to education, open to domestic abuse, arranged marriages and honor killings. Islam, Christianity and Judaism are same with women’s rights.

Note the verses bellow are from the Quran, Bible and Torah.

In Islam women are less then men.

Qur'an (2:228) - "and the men are a degree above them [women]”

Qur'an (24:31) - Women are to lower their gaze around men, so they do not look them in the eye.

Qur'an (4:24) and Qur'an (33:50) - A man is permitted to take women as sex slaves outside of marriage.

Women are brainless according to Islam:

Bukhari (6:301) - "[Muhammad] said, 'Is not the evidence of two women equal to the witness of one man?' They replied in the affirmative. He said, 'This is the deficiency in her intelligence.'"

Bukhari (6:301) - "[Muhammad] said, 'Is not the evidence of two women equal to the witness of one man?' They replied in the affirmative. He said, 'This is the deficiency in her intelligence.'"

Women are just sex slaves in Islam
Bukhari (2:29) - Women comprise the majority of Hell's occupants. This is important because the only women in heaven ever mentioned by Muhammad are the virgins who serve the sexual desires of men.

Abu Dawud (2155) - Women are compared to slaves and camels with regard to the "evil" in them.

Ishaq 593 - "As for Ali, he said, 'Women are plentiful, and you can easily change one for another.'"

Men are the maintainers of women because Allah has made some of them to excel others and because they spend out of their property; the good women are therefore obedient, guarding the unseen as Allah has guarded; and (as to) those on whose part you fear desertion, admonish them, and leave them alone in the sleeping-places and beat them; then if they obey you, do not seek a way against them; surely Allah is High, Great. [Surah Verse 4:34]

“Men have authority over women, for that God has preferred in bounty one of them over another, and for that they have expended of their property. Righteous women are therefore obedient ... and those you fear may be rebellious, admonish them to their couches, and beat them”. (The Koran, Women, verse 38)

In Islam women’s freedoms are restricted, using the hijab; the veil, which exists in Christianity and Judaism as well.
"The head of every man is Christ, and the head of every woman is man." (I Cor. 11:3)

"Wives, submit yourselves unto your husbands, as unto the Lord...Therefore as the church is subject unto Christ, so let the wives be to their own husbands in everything." (Eph. 5:22-24)
"A woman should learn in quietness and full submission. I do not permit a woman to teach or to have authority over a man; she must be silent. For Adam was formed first, then Eve. And Adam was not the one deceived; it was the woman who was deceived and became a sinner." (I Tim. 2:11-14)

The Lord said to Moses, "Now kill all the boys. And kill every woman who has slept with a man, but save for yourselves every girl who has never slept with a man." (Num. 31:17)
"For man did not come from woman, but woman from man. Neither was man created for woman, but woman for man." (I Cor. 11:8-9)

"The birth of a daughter is a loss" (Ecclesiasticus 22:3)

Whoever marries his daughter to an am ha-arez is as though he bound and laid her before a lion: just as a lion tears [his prey] and devours it and has no shame, so an am ha-arez strikes [hits/beats] and cohabits and has no shame” (B. Pesahim 49b).

“A wife who refuses to perform any kind of work that she is obligated to do, may be compelled to perform it, even by scourging her with a rod” (Isshut 21:10)

Islam, Christianity and Judaism are ALL SAME.

Just wanted to show on this topic how xtians /Muslims/jews views on females are the same.

They are ignorant and hateful towards the female gender. Yet they feel so threatened by them.

Controlling a female and lowering them would not make a male a real male. Satanism is the opposite. Our Gods and Father are not threatened by anyone having power or freedom. That also goes for females.

We have high rank Goddesses also.

Even lower ranked, they're all warriors. Fighting together in this war.
Also, Nazi women were treated with respect and honor. They were in many positions and had a choice to be a nurse, a pilot, or even a stay at home mother. Satanism teaches male to respect females equally and to treat each one as family members. We must remain united and not curse one another.

People who are ignorant and selfish are so common in islam etc. They commit these evil acts. Many are so brain washed thinking it is ok. JUST pure evil and carelessness.

A real man would stand by his woman for support and care for her while both are working towards Godhead and not held back or bring each other down. But both working together.

Like Gods of Duat caring, patiently standing by our side supporting us all the way with respect and care. They're not evil. SS can learn so much from Gods.

Islamic Destruction of the East - all Owned and Ruled by Jews

Islam has murdered almost three hundred million people and enslaved millions in its history of literal constant warfare. Its whole history is non stop violence and war. It destroyed anything of higher civilization left in the Roman Empire, burned 90 percent of all the books from the West to India. It even created a shit philosophy during its claimed Golden Age in Baghdad that the laws of nature don't exist and there is no law of cause and effect. You can't even have basic science with that. There was no real golden age of science or knowledge the Islamic's literally destroyed all that and then claimed to preserve it in their lying history. Now we are seeing this in the recent events in France... - High Priest Mageson666
The Origins of the Arabs

The Arab Race was originally Aryan. However, due to years and years of race mixing, the Arabs of today came about.

Those filthy racial hate inciting jews never mention the ARAB SLAVE TRADE. It was a very, very horrible time in history. Innocent men, women and Children were snatched up like objects from all over the world. It is estimated that 18 million souls were enslaved, including Europeans and Asians. This, however is severely downplayed, and the jews continuously blame the White Race of everything, where it was jews who initiated slavery. Also, the Arab Slave Trade was maintained by the ottoman empire.

It MUST BE NOTED that crypto jews have masqueraded for centuries to be Gentiles and wrecked their havoc upon the Noble Gentiles. A perfect example of this is the jews of Portugal, who have 'converted' into xians, but were always labelled mulattos by the Portuguese People, a word equivalent to disgusting/revolting pig. Also, the jews of Turkey, the Donmeh. Another blatant example are the crypto jews of the house of saud in Arabia. These kikes have completely ravaged the original Racial make up of Arabia through forced marriage of Blacks and Arabs. I have no doubt the Arab Slave Trade was perpetrated by these Crypto kikes along time ago.

Could it be a coincidence that this house of saud won't allow the millions of displaced Syrians into Arabia??? I have lived there and I can tell you, people there are literally waddling in money. Arabia is literally the size of ALL OF WESTERN EUROPE. So why doesn't this regime allow these poor people to come in to one of their homelands?? To show how jewed up the situation is, in Arabia, teenagers who don't feel like going to school, get a salary from the government!

But it must be noted that the Arabs of today are race mixed. The reason why you don't hear much of Pagan Arabia is because the jewish sauds literally destroyed all Ancient Pagan sites in the Arabian Peninsula, claiming that this is an essential part of islam, which is true. The islam that the jews created was always meant to be the islam of Saudi Arabia, i.e Sharia Law, or the noahide laws of the jewish soul.

From Wikipedia:
"The most significant Jewish involvement in the slave-trade was in Al-Andalus, as Islamic Spain was called.[41] According to historian Alan W. Fisher, there was a guild of Jewish slave traders in Constantinople, the capital of the Ottoman Empire. The guild had about 2000 members.[30] The city was a major center of the slave trade in the 15th and later centuries. By 1475 most of the slaves were provided by Tatar raids on Slavic villages.[30] Until the late 18th century, the Crimean Khanate maintained a massive slave trade with the Ottoman Empire and the Middle East, exporting about 2 million slaves from Poland-Lithuania and Russia over the period 1500–1700"

It is very funny how that no matter what they say they are, a jew will ALWAYS be and most importantly, look lie a jew. Just ask this jew cockroach "faisal al saud":

![Image of a person waving](image-url)
"King Faisal (1906-1975), who ruled the Kingdom between 1964-75, confirmed Jewish ancestry of Saudi Royals. In an interview to Washington post on September 17, 1969, King Faisal is reported to have said “We, the Saudi family are cousins of the Jews."
HAIL SATAN!!!
HAIL AZAZEL!!!
HAIL ENLIL!!!

Northern Indians are less mixed Aryans, Southern Indians are a mix of Dravidians (a sub-race of Mongoloids, probably the eldest one), Negroids and a bit of Aryans.

Libya Leader

Gaddafi was toppled by the Jew World Order for going against them, they tried to kill him several times before over the decades but always failed. They also tried to frame him with the Panam flight attack which it was found the 4 people who claimed Gaddafi was involved where by their own confession paided millions to lie. The attack was done by others in revenge for the America’s shooting down an Iranian passager jet and killing all Iranian civilizans aboard.

Gaddafi had made the move to exchange oil for gold over Rothschild dollars that is when the staged uprising in the South started. The CIA spent decades building up islamic fanatics who hated Gaddafi because he kept the fundies at bay.

Having read Gaddafi’s Green Book and read the Human rights report from 2009 on Libya. He was an honest leader who raised his People out of misery and extreme poverty, created a working democratic nation. And created a Nation where electricity, school, healthcare and land if you wanted to farm where all free, as Gaddafi stated these where all fundimental human rights. The government would also pay the full bill if you needed healthcare or education aboard. Since Gaddafi also stated owning your own house and car was a human right the government would pay half the price on any car or home.

Gaddafi stated upon taking over he would house every Libyan even before his own parents and he did. He also brought about a lasting peace by bringing the over 2000 different tribes in Lybia together.

He had a jew free national bank that issued zero interest loans and a nation where the money was in abundance for the people. Everyone was well off. In the 1970's he handed the main governing over to the Peoples Congress which was the Lybian democratic government.

Lybians also had a citizen army as all the people where given military training in school and armed.

During the air strikes on the Lybian captial 1/3 of the population showed up to rally in support of Gaddafi and thousands fought for him freely.

Gaddafi stayed true to his word and died fighting for his People against a Jew World Order invasion. Along with thousands of loyal Nationalists.
The first major thing the criminal cabal called the new government did. Was cancel the national bank and replaced it with a Rothschild one and elect a israeli jew to their government. And generally terrorize the innocent populace like fundamentalist islamic psychopaths do. Now declaring the only law Lybia will be based on is Sharia law of the Koran. Tearing down the secular and progressive system Gaddafi built.

I do believe this will bite big jew in the ass in the near future, as Gaddafi was a level headed and intelligent man who would extend the olive branch when it could. What they have down now is build another frankenstein monster.

Nothing happened in Greece but a lot of protesting and burning off steam, the Greeks are still under the same system. Italy same deal, Egypt seems to be a win against the jew, and is already shaking the jews up badly. The uprising in the Arabian nations where crushed by the Saudi’s the biggest jew puppets in the ME. Somebody is trying to topple Syria like Lybia. And the jews are pushing for war with Iran and starting one with Pakistan.

America is in a pickle as the jews are rolling thought with the problem, reaction, solution formula.

As I wrote before the occupy wall street movement is created by the banker jew Sorros, who is Rothschilds henchjew. And is being lead by jews at the top steering the goyium. Germany, Hungry, Italy, Spain and Russia where in the same situation in the last century. Millions of White Russians went down fighting the Jew World Order but lost their struggle. The rest of the nations almost went the same way but rallied under strong Nationalist leaders and threw the jew yoke off. Which lead to the second jew war.

America and the rest of the West is in the identical situation today. America could become the next Russia. So we must always keep up the spiritual warfare against the jew and infomation struggle to educate as many as possible.

The price we pay for losing is extermination by the jew.
Iraq Is Falling To Islamic Fanatic's

My note the entire place is about to fall into a massive religious war between Shia and Sunni's. As ISIS will not allow the Shia population to exist. Behold the true nature of Islam yet again. Saddam had a secularist state that kept such fanatic's powerless. Some reports Iranian elite troops are also heading into the Shia area's in Iraq to defend the Shia populations.

The Jews via Israel, Washington and their Saudi regime [Saudi's are well know to be crypto's] have created and funded this and other groups to fight against Assad in Syria whom they wished to topple to make way for "Greater Israel." Same with toppling Saddam's Iraq. All of this was part of the "New Project For An American Century" laded out by the Jewish Neocon's [Neocohens].

So already after a hundred and fifty thousand innocent men, women and children being killed in Syria and another forty thousand in Libya. By such Jew World Order proxy forces as this. And the millions dead in Iraq from the NATO-American invasion and occupation. Which was launched on the heels of the Jews, False Flag on 911. Now the blood bath is about to really start as the Islamic Fanatic's who raped, looted, mass murdered and in general sawed unarmed and innocent peoples heads off for fun. Are now marching on Iraq.

ISIS butchers leave 'roads lined with decapitated police and soldiers': Battle for Baghdad looms as thousands answer Iraqi government's call to arms and jihadists bear down on capital

U.S. today changed tone on intervention; President Obama said: 'I don't rule out anything... Iraq will need more help' Crucial vote to grant emergency powers was delayed because MPs did not turn up, leaving Iraqi government paralysed. Disruption in Iraq could add 2p to the price of a litre of petrol within a fortnight as ISIS insurgents take key oil fields Kurdish forces are in full control of Iraq's oil city of Kirkuk after the federal army abandoned their posts.
Iran has sent special forces and a unit of elite troops to Iraq to assist the Iraqi government halt the advance. The Iraqi air force is bombing insurgent positions in and around Mosul - 1.3 million citizens still remain in the city. Middle East experts raised the prospect of Iraq being carved into three - Kurdish, Sunni and Shiite - by the conflict.

The full horror of the jihadis’ savage victories in Iraq emerged yesterday as witnesses told of streets lined with decapitated soldiers and policemen.

Blood-soaked bodies and blazing vehicles were left in the wake of the Al Qaeda-inspired ISIS fanatics as they pushed the frontline towards Baghdad.

They boasted about their triumphs in a propaganda video depicting appalling scenes including a businessman being dragged from his car and executed at the roadside with a pistol to the back of his head. The extent of the carnage came as:

Images from captured cities such as Mosul and Tikrit showed deserted streets, burnt out vehicles and discarded uniforms left by government troops fleeing the brutal fanatics;

ISIS leaders urged their bloodthirsty followers to continue their march and warned that battle would rage in Baghdad and in the holy city of Karbala;

Thousands of residents in the capital answered a call to arms to repel the invaders amid fears the government’s own troops were not up to the job;

Aid groups warned of a new refugee crisis after half a million terrified Iraqis left their homes to escape the jihadis.

In the swathe of captured territory across northern Iraq, ISIS declared hardline Sharia law, publishing rules ordering women not to go outside ‘unless strictly necessary’, banning alcohol and smoking, and forcing all residents to attend mosques five times a day. BBC correspondent Paul Wood said one woman from
Mosul, Iraq’s second city, had spoken of seeing a ‘row of decapitated soldiers and policemen’.

The refugee woman told how the victims’ heads were placed in rows – a trademark, trophy-style execution favoured by ISIS militants.

The fanatics captured Tikrit, Saddam Hussein’s birthplace, by overrunning an army base and rounding up hundreds of soldiers and police. Dozens of members of a police special forces battalion were paraded on the back of a truck in the city.

As the balaclava-clad militants took Mosul and Tikrit, thousands of Baghdad’s residents young and old queued at recruiting stations to form a ‘Dad’s army’ to defend the capital.

Trucks carrying volunteers in uniform rumbled towards the frontlines to defend the city, with many chanting slogans against the ISIS militants.

Meanwhile the Iraqi air force carried out at least four bombing raids on insurgent positions in and around Mosul. State television showed targets exploding in black clouds.

Britons working in Baghdad’s Green Zone where most of the foreign embassies are based were on high alert. The lightning advance of ISIS has caused alarm in London, Washington and across the Middle East.

Despite vastly outnumbering the jihadists, government troops have melted away in the face of the insurgents, allowing them to capture two helicopters, 15 tanks, weapons and several armoured cars that used belonging to the American military. They also seized £350million-worth of dinars by robbing a bank in Mosul.

According to bitter Iraqi footsoldiers, their commanders slipped away in the night rather than mount a defence of the city.

One said: ‘Our leaders betrayed us. The commanders left the military behind. When we woke up, all the leaders had left.’

Last night Barack Obama said America would help with ‘short-term immediate actions... militarily’ to push back the insurgents, but ruled out sending troops.
Foreign Secretary William Hague said Britain would not get involved militarily because Iraq was now a democracy.

Iraqi prime minister Nouri al-Maliki vowed: ‘We are not going to allow this to carry on, regardless of the price. We are getting ready. We are organising.’

As the situation spiralled out of control, even Iran was said to have deployed two battalions from its Revolutionary Guard to help the Iraqi government retake Tikrit.

The development was likely to enrage Washington, which has been steadfast in its determination for Baghdad not to cosy up to Tehran.

It also emerged that members of Saddam’s old guard were joining the insurrection. Fighters loyal to his disbanded Baath Party were said to be actively supporting the rebels. ISIS stands for Islamic State of Iraq and al-Sham but has also been referenced as Islamic State of Iraq and Syria.

Its insurgency is the biggest threat to Iraq since US troops withdrew in 2011.

ISIS commanders issued chilling warnings to any police officers or soldiers to ‘repent or be killed’.

In a sinister video, the extremists urged followers to ‘march to Baghdad – we have a score to settle’. They also pledged to take the holy cities of Karbala and Najaf.

‘Continue your march as the battle is not yet raging,’ a voice said to be that of ISIS spokesman Abu Mohammed al-Adnani says. ‘It will rage in Baghdad and Karbala. So be ready for it. Put on your belts and get ready.’

But taking Baghdad would be much tougher for ISIS than the towns where they have triumphed so far. The United Nations Security Council met behind closed doors last night to discuss the crisis.

Iraq’s foreign minister, Hoshyar Zebari, speaking in London, insisted the government had halted the rebel advance and even claimed insurgents were ‘on the run’.
But at Baiji, near Kirkuk, insurgents surrounded Iraq’s largest refinery. And the fighters have reached Samarra, 70 miles north of Baghdad.

About a quarter of Mosul’s two million residents have fled. The flood of terrified families escaping the fighting there was described as ‘one of the largest and swiftest mass movements of people in the world in recent memory’. Many have headed east into the autonomous region of Kurdistan.

Aid groups fear a new refugee crisis. Neighbouring countries already struggling to look after 2.8million refugees from the Syrian civil war now face the prospect of a new influx of displaced people desperately seeking a safe haven.

Meanwhile Iraqi Kurds seized control of the major northern oil city of Kirkuk today after the central government’s army abandoned its posts. The Kurds - a semi-autonomous ethnic group based in the north - have their own 250,000-strong military, but have not used them to engage ISIS.

Footage emerged yesterday evening from Tikrit, which appears to show a long line of captured men and boys, being forcibly marched down a highway in the city.

The minute-long video, uploaded to YouTube, showed a snaking column of men stretching the entire visible length of the stretch of road. A voice captured by the recording describes a great Islamic 'family' and later an 'army', suggesting a possible intention to recruit the captives.

Most of the men and boys have both hands on their heads, while others - some wearing head coverings and some bare-faced - move up and down the column encouraging the march.

The startling developments raise the spectre of Iraq being carved up and divided into several states. Respected commentators have raised the prospect that, with Kurdish forces holding the north, the Sunni ISIS militants taking parts of the north and west, leaving the central and south-eastern to the Shiite population who currently run the government and military.
Yesterday the Iraqi Ambassador to Washington warned the ‘integrity of Iraq is in question’, while Dr Ayad Allawi, a former prime minister of Iraq, added that a break-up was ‘not impossible’.

The governor of Mosul, who escaped the city and is now in Erbil in the Kurdish north, said that Iraq must be divided as centralisation had ‘failed’.

Speaking to the Telegraph, Atheel al-Nujaifi said prime minister Nouri al-Maliki 'didn't devolve authority to us before, but now we must do it. Now we are saying his centralisation policies have failed,' Mr Nujaifi said.

Repercussions from the conflict are also being felt in global oil markets, where prices shot to a three-month high. The RAC said disruption could add more than 2p to the price of a litre of petrol.

The price of Brent crude rose $2 to a three-month high of more than $112 on fears about supply from the second-biggest producer in the Opec oil cartel.

The RAC said: ‘The worsening situation in Iraq is causing a knee-jerk reaction in the global fuel market with wholesale prices going up one pence over Wednesday and Thursday.’

This was likely to push the pump price of both petrol and diesel up by 2p per litre in the short term, the RAC said, ‘and this could well go much further’.

Iraq has insisted sectarian violence will not spread to the south, from which the vast majority of oil output comes.

After the capture of Mosul, the Islamic State issued a triumphalist statement declaring that it would implement its strict version of Shariah law in Mosul and other regions it had overrun.

Its laws state that women should stay in their homes for modesty reasons, command residents to attend prayers five times a day, and warned thieves that they would have their hands cut off.

It came as Kurdish forces took full control of Iraq's oil-rich city of Kirkuk after the federal army abandoned its bases there.
Peshmerga fighters, the security forces of Iraq's autonomous Kurdish north, swept into Kirkuk after the army abandoned its posts there, a peshmerga spokesman said.

'The whole of Kirkuk has fallen into the hands of peshmerga. No Iraqi army remains in Kirkuk now', said Jabbar Yawar.

Kurds have long dreamed of controlling Kirkuk, a city with huge oil reserves just outside their autonomous region, which they regard as their historical capital.

The swift move by their highly organised security forces demonstrates how this week's sudden advance by ISIS fighters has redrawn Iraq's map.

Insurgents surrounded Iraq's largest refinery in the northern town of Baiji this afternoon - they first moved in late on Tuesday, closing in on the refinery, but later withdrew to the surrounding villages after reaching a deal with local tribal chiefs.

A White House spokesman this evening said that they believed the Iraqi government were in control of the facility, but had no further details.

In the midst of the crisis, Iraq's parliament failed to declare a nationwide state of emergency after not enough MPs turned up for a vote.

Opposition politicians representing Sunni and Kurdish populations boycotted parliament because they oppose a motion to give extraordinary powers to Shiite Prime Minister Nouri al-Maliki.

Turkey is negotiating for the release of 80 nationals held by ISIS in Mosul and cannot confirm reports that some of them have been freed, government officials said today.

The pro-government Turkish newspaper Yeni Safak reported that the hostages, who include diplomatic staff, children and special forces soldiers, had been released to the Iraqi governor of Mosul and would be brought to Turkey tonight.
The capture of Mosul - along with the fall of Tikrit and the militants' earlier seizure of the city of Fallujah and parts of Ramadi, the capital of western Anbar province - has undone hard-fought gains against insurgents in the years following the invasion by U.S.-led forces.

U.N. Secretary-General Ban Ki-moon strongly condemned the abductions and the seizure of Iraqi territory by the militants, urging 'the international community to unite in showing solidarity with Iraq as it confronts this serious security challenge.'

'Terrorism must not be allowed to succeed in undoing the path towards democracy in Iraq,' he added.

Mosul, the capital of Ninevah province, and the neighboring Sunni-dominated province of Anbar share a long and porous border with Syria, where the Islamic State is also active.

Without assigning direct blame, al-Maliki said a 'conspiracy' led to the massive security failure that allowed militants to capture Mosul, and said members of the security forces who fled rather than stand up to the militants should be punished.

'We are working to solve the situation,' al-Maliki said. 'We are regrouping the armed forces that are in charge of clearing Ninevah from those terrorists.'

Iranian airlines cancelled all flights between Tehran and Baghdad due to security concerns, and the Islamic Republic has intensified security measures along its borders, Iran's state news agency IRNA reported.

Shiite Iran, a major regional power, has strong ties with Iraq's government. Some 17,000 Iranian pilgrims are in Iraq at any given time, according to IRNA, which cited the director of Iran's Hajj and Pilgrimage Organization.

Tikrit residents said the militant group overran several police stations in the Sunni-dominated city.

Two Iraqi security officials confirmed that the city, 80 miles north of Baghdad and the capital of Salahuddin province, was under ISIS's control and that the provincial governor was missing.
The major oil refinery in Baiji, located between Mosul and Tikrit, remained in government control, the officials said. There were clashes and gunmen tried to take the town but were repelled in a rare success for Iraqi government forces protecting an important facility, the officials said.

The International Organisation for Migration estimated that 500,000 people fled the Mosul area, with some seeking safety in the Ninevah countryside or the nearby semi-autonomous Kurdish region.

Getting into the latter has become more difficult, however, with migrants without family members already in the enclave needing to secure permission from Kurdish authorities, according to the IOM.
In this investigative report by Wayne Madison a former U.S. Intelligence and US Navy officer we find out several major things That Turkey fell from the inside to crypto-jews or the "Young Turks" the Donmeh. These jews where responsible for the Armenian genocide [a million and up where murdered] along with the genocides of thousands of Greeks.

We also learn the House of Saud the family that rules Saudi Arabia are of jewish creation and blood hence also crypto-jews. This news being so dangerous to the Saudi's they put out a contract on a researcher Mohammad Sakher who wrote openly of it.

And we can see how the jews use their tool of islam to divide and rule Gentiles from within. The truth of islam:

The Jews Admit the Jewishness of Islam by High Priest Jake Carlson - page 27 of this book.

There is a historical "eight hundred pound gorilla" lurking in the background of almost every serious military and diplomatic incident involving Israel, Turkey, Iran, Saudi Arabia, Iraq, Greece, Armenia, the Kurds, the Assyrians, and some other players in the Middle East and southeastern Europe. It is a factor that is generally only whispered about at diplomatic receptions, news conferences, and think tank sessions due to the explosiveness and controversial nature of the subject. And it is the secretiveness attached to the subject that has been the reason for so much misunderstanding about the current breakdown in relations between Israel and Turkey, a growing warming of relations between Israel and Saudi Arabia, and increasing enmity between Saudi Arabia and Iran...

Although known to historians and religious experts, the centuries-old political and economic influence of a group known in Turkish as the "Dönmeh" is only beginning to cross the lips of Turks, Arabs, and Israelis who have been reluctant to discuss the presence in Turkey and elsewhere of a sect of Turks descended from a
group of Sephardic Jews who were expelled from Spain during the Spanish Inquisition in the 16th and 17th centuries. These Jewish refugees from Spain were welcomed to settle in the Ottoman Empire and over the years they converted to a mystical sect of Islam that eventually mixed Jewish Kabbala and Islamic Sufi semi-mystical beliefs into a sect that eventually championed secularism in post-Ottoman Turkey. It is interesting that "Dönmeh" not only refers to the Jewish "untrustworthy converts" to Islam in Turkey but it is also a derogatory Turkish word for a transvestite, or someone who is claiming to be someone they are not.

The Donmeh sect of Judaism was founded in the 17th century by Rabbi Sabbatai Zevi, a Kabbalist who believed he was the Messiah but was forced to convert to Islam by Sultan Mehmet IV, the Ottoman ruler. Many of the rabbi's followers, known as Sabbateans, but also "crypto-Jews," publicly proclaimed their Islamic faith but secretly practiced their hybrid form of Judaism, which was unrecognized by mainstream Jewish rabbinical authorities. Because it was against their beliefs to marry outside their sect, the Dönmeh created a rather secretive sub-societal clan.

The Dönme rise to power in Turkey

Many Dönme, along with traditional Jews, became powerful political and business leaders in Salonica. It was this core group of Dönme, which organized the secret Young Turks, also known as the Committee of Union and Progress, the secularists who deposed Ottoman Sultan Abdulhamid II in the 1908 revolution, proclaimed the post-Ottoman Republic of Turkey after World War I, and who instituted a campaign that stripped Turkey of much of its Islamic identity after the fall of the Ottomans. Abdulhamid II was vilified by the Young Turks as a tyrant, but his only real crime appears to have been to refuse to meet Zionist leader Theodore Herzl during a visit to Constantinople in 1901 and reject Zionist and Dönme offers of money in return for the Zionists to be granted control of Jerusalem.

Like other leaders who have crossed the Zionists, Sultan Adulhamid II appears to have sealed his fate with the Dönme with this statement to his Ottoman court: "Advise Dr. Herzl not to take any further steps in his project. I cannot give away even a handful of the soil of this land for it is not my own, it belongs to the entire Islamic nation. The Islamic nation fought jihad for the sake of this land and had watered it with their blood. The Jews may keep their money and millions. If the
Islamic Khalifate state is one day destroyed then they will be able to take Palestine without a price! But while I am alive, I would rather push a sword into my body than see the land of Palestine cut and given away from the Islamic state." After his ouster by Ataturk's Young Turk Dönme in 1908, Abdulhamid II was jailed in the Dönme citadel of Salonica. He died in Constantinople in 1918, three years after Ibn Saud agreed to a Jewish homeland in Palestine and one year after Lord Balfour deeded Palestine away to the Zionists in his letter to Baron Rothschild.

One of the Young Turk leaders in Salonica was Mustafa Kemal Ataturk, the founder of the Republic of Turkey. When Greece achieved sovereignty over Salonica in 1913, many Dönme, unsuccessful at being re-classified Jewish, moved to Constantinople, later re-named Istanbul. Others moved to Izmir, Bursa, and Ataturk's newly-proclaimed capital and future seat of Ergenekon power, Ankara.

Some texts suggest that the Dönme numbered no more than 150,000 and were mainly found in the army, government, and business. However, other experts suggest that the Dönme may have represented 1.5 million Turks and were even more powerful than believed by many and extended to every facet of Turkish life. One influential Dönme, Tevfik Rustu Arak, was a close friend and adviser to Ataturk and served as Turkey's Foreign Minister from 1925 to 1938.

Ataturk, who was reportedly himself a Dönme, ordered that Turks abandon their own Muslim-Arabic names. The name of the first Christian emperor of Rome, Constantine, was erased from the largest Turkish city, Constantinople. The city became Istanbul, after the Ataturk government in 1923 objected to the traditional name. There have been many questions about Ataturk's own name, since "Mustapha Kemal Ataturk" was a pseudonym. Some historians have suggested that Ataturk adopted his name because he was a descendant of none other than Rabbi Zevi, the self-proclaimed Messiah of the Dönme! Ataturk also abolished Turkey's use of the Arabic script and forced the country to adopt the western alphabet.

Modern Turkey: a secret Zionist state controlled by the Dönme

Ataturk's suspected strong Jewish roots, information about which was suppressed for decades by a Turkish government that forbade anything critical of the founder
of modern Turkey, began bubbling to the surface, first, mostly outside of Turkey and in publications written by Jewish authors. The 1973 book, *The Secret Jews*, by Rabbi Joachim Prinz, maintains that Ataturk and his finance minister, Djavid Bey, were both committed Dönme and that they were in good company because "too many of the Young Turks in the newly formed revolutionary Cabinet prayed to Allah, but had their real prophet [Sabbatai Zevi, the Messiah of Smyrna]." In *The Forward* of January 28, 1994, Hillel Halkin wrote in *The New York Sun* that Ataturk recited the Jewish Shema Yisrael ("Hear O Israel"), saying that it was "my prayer too." The information is recounted from an autobiography by journalist Itamar Ben-Avi, who claims Ataturk, then a young Turkish army captain, revealed he was Jewish in a Jerusalem hotel bar one rainy night during the winter of 1911. In addition, Ataturk attended the Semsi Effendi grade school in Salonica, run by a Dönme named Simon Zevi. Halkin wrote in the *New York Sun* article about an email he received from a Turkish colleague: "I now know – know (and I haven't a shred of doubt) – that Ataturk's father's family was indeed of Jewish stock."

It was Ataturk's and the Young Turks' support for Zionism, the creation of a Jewish homeland in Palestine, after World War I and during Nazi rule in Europe that endeared Turkey to Israel and vice versa. An article in *The Forward* of May 8, 2007, revealed that Dönme dominated Turkish leadership "from the president down, as well as key diplomats . . . and a great part of Turkey's military, cultural, academic, economic, and professional elites" kept Turkey out of a World War II alliance with Germany, and deprived Hitler of a Turkish route to the Baku oilfields." In his book, *The Donme: Jewish Converts, Muslim Revolutionaries and Secular Turks*, Professor Marc David Baer wrote that many advanced to exalted positions in the Sufi religious orders.

Israel has always been reluctant to describe the Turkish massacre of the Armenians by the Turks in 1915 as "genocide." It has always been believed that the reason for Israel's reticence was not to upset Israel's close military and diplomatic ties with Turkey. However, more evidence is being uncovered that the Armenian genocide was largely the work of the Dönme leadership of the Young Turks. Historians like Ahmed Refik, who served as an intelligence officer in the Ottoman army, averred that it was the aim of the Young Turks to destroy the Armenians, who were mostly Christian. The Young Turks, under Ataturk's direction, also expelled Greek Christians from Turkish cities and attempted to commit a smaller-scale genocide of the Assyrians, who were also mainly Christian.
One Young Turk from Salonica, Mehmet Talat, was the official who carried out the genocide of the Armenians and Assyrians. A Venezuelan mercenary who served in the Ottoman army, Rafael de Nogales Mendez, noted in his annals of the Armenian genocide that Talat was known as the "renegade Hebrew of Salonica." Talat was assassinated in Germany in 1921 by an Armenian whose entire family was lost in the genocide ordered by the "renegade Hebrew." It is believed by some historians of the Armenian genocide that the Armenians, known as good businessmen, were targeted by the business-savvy Dönmeh because they were considered to be commercial competitors.

It is not, therefore, the desire to protect the Israeli-Turkish alliance that has caused Israel to eschew any interest in pursuing the reasons behind the Armenian genocide, but Israel's and the Dönmeh's knowledge that it was the Dönmeh leadership of the Young Turks that not only murdered hundreds of thousands of Armenians and Assyrians but who also stamped out Turkey's traditional Muslim customs and ways. Knowledge that it was Dönmeh, in a natural alliance with the Zionists of Europe, who were responsible for the deaths of Armenian and Assyrian Christians, expulsion from Turkey of Greek Orthodox Christians, and the cultural and religious eradication of Turkish Islamic traditions, would issue forth in the region a new reality. Rather than Greek and Turkish Cypriots living on a divided island, Armenians holding a vendetta against the Turks, and Greeks and Turks feuding over territory, all the peoples attacked by the Dönmeh would realize that they had a common foe that was their actual persecutor.

Challenging Dönmeh rule: Turkey's battle against the Ergenekon

It is the purging of the Kemalist adherents of Ataturk and his secular Dönmeh regime that is behind the investigation of the Ergenekon conspiracy in Turkey. Ergenekon's description matches up completely with the Dönmeh presence in Turkey's diplomatic, military, judicial, religious, political, academic, business, and journalist hierarchy. Ergenekon attempted to stop the reforms instituted by successive non-Dönmeh Turkish leaders, including the re-introduction of traditional Turkish Islamic customs and rituals, by planning a series of coups, some successful like that which deposed Prime Minister Necmettin Erbakan's Refah (Welfare) Islamist government in 1996 and some unsuccessful, like OPERATION SLEDGEHEMMER, which was aimed at deposing Prime Minister Recep Tayyip Erdogan in 2003. Some Islamist-leaning reformists, including Turkish President Turgut Ozal and Prime Minister Bulent Ecevit, died under suspicious
circumstances. Deposed democratically-elected Prime Minister Adnan Menderes was hanged in 1961, following a military coup.

American politicians and journalists, whose knowledge of the history of countries like Turkey and the preceding Ottoman Empire, is often severely lacking, have painted the friction between Israel's government and the Turkish government of Prime Minister Erdogan as based on Turkey's drift to Islamism and the Arab world. Far from it, Erdogan and his Justice and Development Party (AKP) seem to have finally seen a way to break free from the domination and cruelty of the Dönmez, whether in the form of Kemalist followers of Ataturk or nationalist schemers and plotters in Ergenekon. But with Turkey's "Independence Day" has come vitriol from the Dönmez and their natural allies in Israel and the Israel Lobby in the United States and Europe. Turkey as a member of the European Union was fine for Europe as long as the Dönmez remained in charge and permitted Turkey's wealth to be looted by central bankers like has occurred in Greece.

When Israel launched its bloody attack on the Turkish Gaza aid vessel, the Mavi Marmara, on May 31, 2010, the reason was not so much the ship's running of the Israeli blockade of Gaza. The brutality of the Israelis in shooting unarmed Turks and one Turkish-American, some at point blank range, according to a UN report, indicated that Israel was motivated by something else: vengeance and retaliation for the Turkish government's crackdown on Ergenekon, the purging of the Turkish military and intelligence senior ranks of Dönmez, and reversing the anti-Muslim religious and cultural policies set down by the Dönmez's favorite son, Ataturk, some ninety years before. In effect, the Israeli attack on the Mavi Marmara was in retaliation for Turkey's jailing of several top Turkish military officers, journalists, and academics, all accused of being part of the Ergenekon plot to overthrow the AKP government in 2003. Hidden in the Ergenekon coup plot is that the Dönmez and Ergenekon are connected through their history of being Kemalists, ardent secularists, pro-Israeli, and pro-Zionist.

With tempers now flaring between Iran on one side and Israel, Saudi Arabia, and the United States on the other, as the result of a dubious claim by U.S. law enforcement that Iran was planning to carry out the assassination of the Saudi ambassador to the United States on American soil, the long-standing close, but secretive relationship between Israel and Saudi Arabia is coming to the forefront. The Israeli-Saudi connection had flourished during OPERATION DESERT STORM,
when both countries were on the receiving end of Saddam Hussein's Scud missiles.

What will surprise those who may already be surprised about the Dönmeh connection to Turkey, is the Dönmeh connection to the House of Saud in Saudi Arabia.

An Iraqi Mukhabarat (General Military Intelligence Directorate) Top Secret report, "The Emergence of Wahhabism and its Historical Roots," dated September 2002 and released on March 13, 2008, by the U.S. Defense Intelligence Agency in translated English form, points to the Dönmeh roots of the founder of the Saudi Wahhabi sect of Islam, Muhammad ibn Abdul Wahhab. Much of the information is gleaned from the memoirs of a "Mr. Humfer," (as spelled in the DIA report, "Mr. Hempher" as spelled the historical record) a British spy who used the name "Mohammad," claimed to be an Azeri who spoke Turkish, Persian, and Arabic and who made contact with Wahhab in the mid-18th century with a view of creating a sect of Islam that would eventually bring about an Arab revolt against the Ottomans and pave the way for the introduction of a Jewish state in Palestine. Humfer's memoirs are recounted by the Ottoman writer and admiral Ayyub Sabri Pasha in his 1888 work, "The Beginning and Spreading of Wahhabism."

In his book, The Dönmeh Jews, D. Mustafa Turan writes that Wahhab's grandfather, Tjen Sulayman, was actually Tjen Shulman, a member of the Jewish community of Basra, Iraq. The Iraqi intelligence report also states that in his book, The Dönmeh Jews and the Origin of the Saudi Wahhabis, Rifat Salim Kabar reveals that Shulman eventually settled in the Hejaz, in the village of al-Ayniyah what is now Saudi Arabia, where his grandson founded the Wahhabi sect of Islam. The Iraqi intelligence report states that Shulman had been banished from Damascus, Cairo, and Mecca for his "quackery." In the village, Shulman sired Abdul Wahhab. Abdel Wahhab's son, Muhammad, founded modern Wahhabism.

The Iraqi report also makes some astounding claims about the Saud family. It cites Abdul Wahhab Ibrahim al-Shammari's book, The Wahhabi Movement: The Truth and Roots, which states that King Abdul Aziz Ibn Saud, the first Kingdom of Saudi Arabia monarch, was descended from Mordechai bin Ibrahim bin Moishe, a Jewish merchant also from Basra. In Nejd, Moishe joined the Aniza tribe and changed his name to Markhan bin Ibrahim bin Musa. Eventually, Mordechai
married off his son, Jack Dan, who became Al-Qarn, to a woman from the Anzah tribe of the Nejd. From this union, the future Saud family was born.

The Iraqi intelligence document reveals that the researcher Mohammad Sakher was the subject of a Saudi contract murder hit for his examination into the Saudis' Jewish roots. In Said Nasir's book, The History of the Saud Family, it is maintained that in 1943, the Saudi ambassador to Egypt, Abdullah bin Ibrahim al Muffadal, paid Muhammad al Tamami to forge a family tree showing that the Saudis and Wahhabs were one family that descended directly from the Prophet Mohammed.

At the outset of World War I, a Jewish British officer from India, David Shakespeare, met with Ibn Saud in Riyadh and later led a Saudi army that defeated a tribe opposed to Ibn Saud. In 1915, Ibn Saud met with the British envoy to the Gulf region, Bracey Cocas. Cocas made the following offer to Ibn Saud: "I think this is a guarantee for your endurance as it is in the interest of Britain that the Jews have a homeland and existence, and Britain's interests are, by all means, in your interest." Ibn Saud, the descendant of Dönmeh from Basra, responded: "Yes, if my acknowledgement means so much to you, I acknowledge thousand times granting a homeland to the Jews in Palestine or other than Palestine." Two years later, British Foreign Secretary Lord Balfour, in a letter to Baron Walter Rothschild, a leader of the British Zionists, stated: "His Majesty's government view with favor the establishment in Palestine of a national home for the Jewish people . . ." The deal had the tacit backing of two of the major players in the region, both descendant from Dönmeh Jews who supported the Zionist cause, Kemal Ataturk and Ibn Saud. The present situation in the Middle East should be seen in this light but the history of the region has been purged by certain religious and political interests for obvious reasons.

After World War I, the British facilitated the coming to power of the Saud regime in the former Hejaz and Nejd provinces of the Ottoman Empire. The Saudis established Wahhabism as the state religion of the new Kingdom of Saudi Arabia and, like the Kemalist Dönmeh in Turkey, began to move against other Islamic beliefs and sects, including the Sunnis and Shi'as. The Wahhabi Saudis accomplished what the Kemalist Dönmeh were able to achieve in Turkey: a fractured Middle East that was ripe for Western imperialistic designs and laid the groundwork for the creation of the Zionist state of Israel.

Deep states and Dönmeh
During two visits to Turkey in 2010, I had the opportunity of discussing the Ergenekon "deep state" with leading Turkish officials. It was more than evident that discussions about the Ergenekon network and its "foreign" connections are a highly-sensitive subject. However, it was also whispered by one high-ranking Turkish foreign policy official that there were other "deep states" in surrounding nations and Egypt, Saudi Arabia, Jordan, and Syria were mentioned by name. Considering the links between Ergenekon and the Dönmez in Turkey and the close intelligence and military links between the Dönme-descendent Saudis and Wahhabis in Arabia, the reports of close links between ousted Egyptian President Hosni Mubarak and his intelligence chief Omar Suleiman and the Binyamin Netanyahu government in Israel may be seen in an entirely new light... And it would explain Erdogan's support for Egypt's revolution: in Turkey, it was a democratic revolution that curbed the influence of the Dönmez. The influence of Wahhabi Salafists in Libya's new government also explains why Erdogan was keen on establishing relations with the Benghazi-based rebels to help supplant the influence of the Wahhabis, the natural allies of his enemies, the Dönme (Ergenekon) of Turkey.

Erdogan's desire to set the historical record straight by restoring history purged by the Kemalists and Dönmez has earned him vitriolic statements from Israel's government that he is a neo-Ottomanist who is intent on forming an alliance with the Muslim Brotherhood in the Arab countries. Clearly, the Dönmez and their Zionist brethren in Israel and elsewhere are worried about Dönmez and Zionist historical revisionism, including their role in the Armenian and Assyrian genocide, and their genocide denial being exposed.

In Egypt, which was once an Ottoman realm, it was a popular revolution that tossed out what may have amounted to the Dönmez with regard to the Mubarak regime. The Egyptian "Arab Spring" also explains why the Israelis were quick to kill six Egyptian border police so soon after nine Turkish passengers were killed aboard the Mavi Marmara, some in execution style, by Israeli troops. Dönmez doctrine is rife with references to the Old Testament Amalekites, a nomadic tribe ordered attacked by the Hebrews from Egypt by the Jewish God to make room for Moses's followers in the southern region of Palestine. In the Book of Judges, God unsuccessfully commands Saul: "Now go and strike Amalek and devote to destruction all that they have. Do not spare them, but kill both man and woman, and infant, ox, and sheep, camel and donkey." The Dönmez, whose doctrine is
also present in Hasidic and other orthodox sects of Judaism, appear to have no problem substituting the Armenians, Assyrians, Turks, Kurds, Egyptians, Iraqis, Lebanese, Iranians, and Palestinians for the Amalekites in carrying out their military assaults and pogroms.

With reformist governments in Turkey and Egypt much more willing to look into the background of those who have split the Islamic world, Ataturk in Turkey and Mubarak in Egypt, the Saudis are likely very much aware that it is only a matter of time before their links, both modern and historical, to Israel will be fully exposed. It makes sense that the Saudis have been successful in engineering a dubious plot involving Iranian government agents trying to assassinate the Saudi ambassador to Washington in an unnamed Washington, DC restaurant. The Iraqi intelligence report could have been referring to the Zionists and Dönmeh when it stated, "it strives to . . . [the] killing of Muslims, destructing, and promoting the turmoil." In fact, the Iraqi intelligence report was referring to the Wahhabis.

With new freedom in Turkey and Egypt to examine their pasts, there is more reason for Israel and its supporters, as well as the Saudis, to suppress the true histories of the Ottoman Empire, secular Turkey, the origins of Israel, and the House of Saud. With various players now angling for war with Iran, the true history of the Dönmeh and their influence on past and current events in the Middle East becomes more important.
Turkey and Saudi Arabia under Jewish Control

Turkey has been under Jewish control from within since the 'Young Turks' overthrew the Sultan and brought about their system. Of which one first major acts was the slaughter of one million Armenians. Simply to steal their wealth and land and place it in the hands of the Jews. It was the Jewish in control of Turkey along with their brethren in Iraq and Britain that got their crypto Jewish brethren in power as the Saudi royalty.

This is why Saudi Arabia has been the biggest ally of Jewmerica-Israel in the ME. All your hardcore Islamic fanatic, Jihadists stream out of Saudi Arabia as well. Armed, trained and paid with Jewmerica's consent and money. And used by the Jew World Order as their shock troops in the ME. To fight their proxy wars such as Libya and the failed Syrian war. Israel, Turkey, Egypt and Jewmerica, Rothschild-Britain. Where openly, funding, training and supplying the so called, al Qaeda groups against the Assad government in Syria. Because the Western invasions and occupations of the ME are fighting the al Qaeda turrorusts for our freedumbs. This is the ummm clash of civilizations against the.......Islamo fascists. LOL

It's no mistake this stupid Zimmermann crap was pumped all over the media just as the above story broke worldwide. As this totally defeats the entire Jew World Order, crafted, moral narrative for the wars, occupations and regime changes. The governments of the West are pushing in the ME. And exposes them for what they really are. Kosherpathic crooks, liars and mass murderers.

Jewish Control of Saudi Arabia

![Image of two men in traditional Saudi attire]
Reportedly, the Saudi monarchs and their Wahhabi religion have Jewish origins. Wayne Madsen has written about the Jewish connections to Saudi Arabia.

(See also the chapter: House Of Saud, Donmeh "Young Turks" Crypto-Jews)

According to Madsen:

The Turkish Ottoman Empire, which included key parts of Saudi Arabia, had lots of crypto-Jews (Jews pretending to be Moslems)

These crypto-Jews (also called Donmeh) have connections to the Saudi royal family and Saudi religion.

The Saudi follow the Wahhabi form of Islam.

Reportedly, the founder of the Saudi Wahhabi sect of Islam, Muhammad ibn Abdul Wahhab, was a crypto-Jew.

The report uses the memoirs of a Mr. Hempher, a British spy who claimed to be an Azeri.

In the mid-18th century, Hempher made contact with Wahhab in order to set up the Wahhabi sect.

Reportedly, the purpose of the Wahhabi sect was to bring about an Arab revolt against the Ottomans and pave the way for a Jewish state in Palestine.

Hempher’s memoirs are recounted by the Ottoman writer Ayyub Sabri Pasha in his 1888 work, 'The Beginning and Spreading of Wahhabism.'
In his book, 'The Dönmeh Jews', D. Mustafa Turan writes that Wahhab's grandfather, Tjen Sulayman, was actually Tjen Shulman, a member of the Jewish community of Basra, Iraq.

In his book, 'The Dönmeh Jews and the Origin of the Saudi Wahhabis', Rifat Salim Kabar reveals that Shulman eventually settled in what is now Saudi Arabia, where his grandson, Muhammad Wahhab, founded the Wahhabi sect of Islam.

The Iraqi intelligence report states that Shulman had been banished from Damascus, Cairo, and Mecca for his 'quackery.'

Ahmed, Saudi kid, by Eric Lafforgue

Abdul Wahhab Ibrahim al-Shammari’s book, 'The Wahhabi Movement: The Truth and Roots', states that King Abdul Aziz Ibn Saud, the first Saudi monarch, was descended from Mordechai bin Ibrahim bin Moishe, a Jewish merchant from Basra.
According to the book, Moishe changed his name and married off his son to a woman from a Saudi tribe.

The Iraqi intelligence report reveals that the researcher Mohammad Sakher was the subject of a Saudi contract murder hit for his examination into the Saudis’ Jewish roots.

In Said Nasir’s book, 'The History of the Saud Family', it is maintained that in 1943, the Saudi ambassador to Egypt, Abdullah bin Ibrahim al Muffadal, paid Muhammad al Tamami to forge a family tree showing that the Saudis and Wahhabs were one family that descended directly from the Prophet Mohammed.

The Turkish Ottoman Empire, which gradually shrank in size.

At the start of World War I, a Jewish British officer, David Shakespeare, met with Ibn Saud, who was to become the first Saudi monarch.

Shakespeare later led a Saudi army that defeated a tribe opposed to Ibn Saud.

In 1915, Ibn Saud met with the British envoy to the Gulf region, Bracey Cocos.

Cocos made the following offer to Ibn Saud: "I think this is a guarantee for your endurance as it is in the interest of Britain that the Jews have a homeland and existence, and Britain’s interests are, by all means, in your interest."
Ibn Saud replied: "Yes, if my acknowledgement means so much to you, I acknowledge thousand times granting a homeland to the Jews in Palestine or other than Palestine."

Two years later, British Foreign Secretary Lord Balfour, in a letter to Baron Walter Rothschild, a leader of the British Zionists, stated: "His Majesty's government view with favor the establishment in Palestine of a national home for the Jewish people . . ."

The deal to set up Israel had the backing of the Turkish leader Kemal Ataturk, who was reportedly a crypto-Jew.

In 1932, the British put Ibn Saud into power as King of Saudi Arabia.

The Saudis made Wahhabism the state religion of Saudi Arabia.

Turkey - part of the Jew World Order
Turkey has its 'deep state', a hidden government which has carried out acts of false flag terrorism (Ergenekon).

(Turkey's 'deep state' is said to have worked with Mossad and the CIA, and to have aided in carrying out the 9 11 attacks)

One high-ranking Turkish foreign policy official has said that there are 'deep states' in Egypt, Saudi Arabia, Jordan, and Syria.

These 'deep states' would appear to involve crypto-Jews.

In Libya's new government, the Wahhabis have much influence.

Islamic Inquisition in India

It seems that there was not only a catholic inquisition, but an islamic one too. These programs of death and enslavement are at their last days. The very interesting part is the "Zimmis", which shows how all three programs worked together to kill, torture, enslave..... PAGAN GENTILES, ALL FUCKING RUN BY JEWS. The jews were never killed in the catholic inquisition.

Mr Asim, You need to read your indian history to realize the genocide of hindus carried out by muslims invaders and kings. It was by far the worst in recorded history.

Will Durant, the famous historian summed it up like this: "The Islamic conquest of India is probably the bloodiest story in history. It is a discouraging tale, for its evident moral is that civilization is a precious good, whose delicate complex of order and freedom, culture and peace, can at any moment be overthrown by barbarians invading from without or multiplying within."

Koenraad Elst, the german historian writes in "Negation in India"

The Muslim conquests, down to the 16th century, were for the Hindus a pure struggle of life and death. Entire cities were burnt down and the populations massacred, with hundreds of thousands killed in every campaign, and similar numbers deported as slaves. Every new invader made (often literally) his hills of Hindu skulls. Thus, the conquest of Afghanistan in the year 1000 was followed by the annihilation of the Hindu population; the region is still called the Hindu Kush, i.e. Hindu slaughter. The Bahmani sultans (1347-1480) in central India made it a rule to kill 100,000 captives in a single day, and many more on other occasions. The conquest of the Vijayanagar empire in 1564 left the capital plus large areas of Karnataka depopulated. And so on.

As a contribution to research on the quantity of the Islamic crimes against humanity, we may mention that the Indian (subcontinent) population decreased by 80 million between 1000 (conquest of Afghanistan) and 1525 (end of Delhi Sultanate).

But the Indian Pagans were far too numerous and never fully surrendered. What some call the Muslim period in Indian history, was in reality a continuous war of
occupiers against resisters, in which the Muslim rulers were finally defeated in the 18th century. Against these rebellious Pagans the Muslim rulers preferred to avoid total confrontation, and to accept the compromise which the (in India dominant) Hanifite school of Islamic law made possible. Alone among the four Islamic law schools, the school of Hanifa gave Muslim rulers the right not to offer the Pagans the sole choice between death and conversion, but to allow them toleration as zimmis (protected ones) living under 20 humiliating conditions, and to collect the jizya (toleration tax) from them. Normally the zimmi status was only open to Jews and Christians (and even that concession was condemned by jurists of the Hanbalite school like Ibn Taymiya), which explains why these communities have survived in Muslim countries while most other religions have not. On these conditions some of the higher Hindu castes could be found willing to collaborate, so that a more or less stable polity could be set up. Even then, the collaboration of the Rajputs with the Moghul rulers, or of the Kayasthas with the Nawab dynasty, one became a smooth arrangement when enlightened rulers like Akbar (whom orthodox Muslims consider an apostate) cancelled these humiliating conditions and the jizya tax.

It is because of Hanifite law that many Muslim rulers in India considered themselves exempted from the duty to continue the genocide on the Hindus (self-exemption for which they were persistently reprimanded by their mullahs). Moreover, the Turkish and Afghan invaders also fought each other, so they often had to ally themselves with accursed unbelievers against fellow Muslims. After the conquests, Islamic occupation gradually lost its character of a total campaign to destroy the Pagans. Many Muslim rulers preferred to enjoy the revenue from stable and prosperous kingdoms, and were content to extract the jizya tax, and to limit their conversion effort to material incentives and support to the missionary campaigns of sufis and mullahs (in fact, for less zealous rulers, the jizya was an incentive to discourage conversions, as these would mean a loss of revenue).

HAIL SATAN!!!!!!!!!!!!
- Samy Abbas
Iraqi historian and archaeologist Ali Al-Nashmi said that there was an international Jewish mafia that aimed to acquire Iraqi antiquities. Walid Al-As'ad, director of Palmyra Museum, said that the Jews wanted "to destroy the city [of Palmyra] and wipe it off the face of the Earth," in order to erase the memory of their Babylonian exile. Walid's father, Khaled Al-As'ad, was killed in August by ISIS militants. He had served as director of the museum for 40 years until his retirement in 2003, when Walid took over the position. The statements were broadcast on Mayadeen TV on September 9, 2015.

Exposing Jewish Myths about Saddam Hussein

Israel is destroying secular Nations in ME and aiding hardcore Islamic ones. This proves how "anti-semitic Islamic terrorist" is a total lie. In Iran for example, nobody gives a fuck about islam, most go to high quality university and are 'fake moslems' or secular. Jews are calling for nuking Iran calling them their old "bible" enemy Amalek.

Egypt is not that Muslim they try to make it. Many years ago I was on the excursion to Egypt Museum (now burnt). Our female secular guide told us: "If some of us do not wear kerchief, it means they shit on islam. Our women are not encouraged to be "too religious" at work, nor too religious ones are attractive to employ. We have different roots. Our culture is not "Muslim" from the beginning, our Ancient traditions respect women and human rights. We observe our Egyptian Ancestors and their Pagan culture." She showed us one of the first known condoms of Ancient Egypt in that Museum, which shows respect for human right to have orgasm and sexual education.

She also showed us mummies opened and took off of sarcophagus's, which were all White Aryan blond people we now see in Europe and White countries which are known to stand for human rights the most.
All this was burnt short after and Egypt itself torn apart with war that hardcore muslim jewish proxies played out there. Thanks jews.

Syria was the only state ruled by Baatist Party which was secular. So kikes nuked Syria many times over, just read all Jewclear War sector on the Jews Are Gone Website (http://nojew.weebly.com/jewclear-war1.html) to see it. While extremist Islamic State not only had never been nuked by Israel, but was helped all over the time.

The article below exposes one of multiple myths invented by jews about their enemy in the East, Saddam Hussein. Why was he their enemy? Because he was rebuilding Ancient Babylon and collecting artefacts of Ancient Babylonian PAGAN culture, which is the opposite to the jewish program of islam - same as with Egypt Museum case. This article shows how they use their old method of blaming their enemies in their own atrocities, such as so called 'Anfal Genocide'. Genocide IS and Always Has Been a Jewish Ideal (http://www.angelfire.com/dawn666blacksun/Genocide_is_Jewish.html). Here it goes.

Saddam Did Not
'Kill The Kurds'
The Myth Of The 'Anfal Genocide'
By David Hungerford
11-14-6

Many crimes against Iraq have been justified by the demonization of Saddam Hussein. Invasion was justified by claims that he possessed "weapons of mass destruction," had ties to al-Qaeda, and posed a threat to the territorial United States.

The claims turned out to be lies. There were no "weapons of mass destruction" or programs to develop them. There were no ties to al-Qaeda. He did not threaten U.S. territory.

Those who still support the occupation now say it was justified because Saddam Hussein was a "brutal dictator." One of the main complaints against him is that "he killed the Kurds." The usual reference is the Anfal campaign of the Iraqi army
from February 23, 1988 to September 6, 1988. It is claimed that Anfal was a campaign of genocide. It can now be said that the "Anfal genocide" never happened. It is another lie.

Ironically it is the second of the illegal U.S.-run "trials" of Mr. Hussein in Baghdad that allows this conclusion. The facts and circumstances of the "trial" can be analyzed without any concession to the legitimacy of the "court." Nor, since it is illegal, is there any reason to wait for the "court's" findings before reaching one's own conclusions. Applicable principles of international law are presented in Appendix A.

Certain facts are not in dispute. The campaign took place in the late stages of the Iran-Iraq war. The Iraqi army fought units of the Iranian army in Northern Iraq. Kurdish guerillas called peshmerga allied with Iran against the government of their own country. In order to suppress the guerillas the Iraqi government displaced large numbers of Kurdish civilians from border areas.

Press reports say the current charge is genocide during Anfal. By any definition the crime of genocide means the extermination of large numbers of people. At first no definite number of civilian fatalities was given in news reports, but in September the "prosecution" was several times reported to say there were 182,000 deaths.

The "trial" on the Anfal charges began on August 21, 2006. There were 13 sessions of the "court" between that date and September 26, at which time it recessed. See Appendix B for the tabulation of articles.

In the press reports studied for this analysis no statement or presentation of methodology was reported. No systematic studies were reported. No sworn affidavits were reported. No expert testimony was reported. Evidence of this kind would have been front-page news. It can be concluded that no such evidence was introduced.

Instead all testimony was anecdotal. As an example, on August 22, the first day of testimony, a witness named Ali Mustapha Hama was heard. He testified to events in the village of Balisan on April 16, 1987. The BBC reported that he said "there was greenish smoke, and minutes later, a smell like rotten apples or garlic. He spoke of a newborn infant who was trying to 'smell life', but breathed in the
chemicals and died. Many others died too, he added. During cross-examination, defence lawyers asked Mr. Hama how he knew the aircraft were Iraqi, and prompted Hama to say he had helped shelter guerrillas in his village."

The death of an infant is a very bad thing. Still, the number of fatalities definitely averred by Mr. Hama is one. He also admitted that there was guerilla activity in his village. Genocide is a large-scale crime against civilians, meant to exterminate an ethnic group. Thus Mr. Hama's testimony did nothing to establish genocide. Another witness heard the same day was not even reported to have made any definite statement of fatalities.

Between August 22 and September 26 the news reports speak of seventeen witnesses. Definite statements of fatalities came to a total of 43. Some of the fatalities could have overlapped. No attempt to differentiate between civilian and military casualties was reported.

Of the fifteen witnesses three admitted to having been peshmerga guerillas, whereas genocide is a crime against civilians. One of the three former guerillas, Moussa Abdullah Moussa, now lives in Tennessee. Another witness, Katrin Michael, now lives in Virginia.

One of the witnesses, Mahmoud Hama Aziz, testified on September 9 to 7 fatalities at an unstated location in 1987, prior to Anfal. The New York Times reported the next day that evidence bearing on Mr. Aziz' testimony had been found in a mass grave discovered in 2004, whereas the "prosecution" claims investigations have been going on since 1991 (see Doebbler, below.) The timing of the "discovery" is so convenient as to raise still more doubts.

Twenty-one of the 43 fatalities including the Balisan incident occurred in 1987, before Anfal. That leaves at most 22 during the Anfal period or at times not stated. The question arises as to what happened to the other 181,978 of the 182,000 claimed victims. At this rate it will take about 689 years to account for the alleged fatalities.

Hence in the first month of proceedings the "prosecution" presented no case at all.
The original trial judge was removed for political reasons on September 20 (see below.) Later sessions descended from farce into chaos. Defense lawyers boycotted the "trial" on orders of Mr. Hussein. Anonymous "witnesses" gave testimony behind a screen; documents were stolen from defense attorney Badia Arif Izzat in the courtroom building, and so forth.

The prosecution has had all the time and opportunity needed to formulate a case. The alleged events occurred eighteen years ago. Northern Iraq has been out of Baghdad's control since 1996 when the Clinton administration unilaterally imposed the "no-fly" zones on Iraq.

Nor has there been any lack of investigative expertise and money. The New York Times reported on July 1, 2004 that "The Federal Bureau of Investigation is leading the investigation, along with the Bureau of Alcohol, Tobacco and Firearms and agents from the Justice Department." The NYT also said on July 20, 2005 that the U.S. had spent more than $35 million on the investigations.

In a case as intensely political as this it must be presumed that at the beginning the "prosecution" will present its case at its strongest. It presented a shambles. Moreover the scale of time and resources behind the "prosecution" removes any argument that a case could be made with more effort. There is only one way that is at all plausible, likely, or straightforward to explain the "prosecution's" failure to even begin to make any case: there was no "Anfal genocide."

Other circumstances support the same conclusion.

The charges are not even clear. None of the cited news reports give more than the word "genocide." The specification of charges might answer some questions. A moderate effort found a document termed a "charging instrument" for the first "trial" of Mr. Hussein, the Dujail case. It is posted at: http://www.law.case.edu/saddamtrial/documents/20060515_indictment_trans_saddam_hussein.pdf. Charges for the Anfal "trial" were not posted at the same site, however. Repeated internet searches using "charging instrument" and/or other search terms failed to find the corresponding prosecution statement for the Anfal "trial." Hence the "prosecution" case is not easily available. It is apparent that the Bush administration and the "prosecution" do not want their case to be known to the public.
The most basic and routine of defendant's rights are violated. Defense attorney Curtis Doebbler writes:

The violations of unfair trial are too numerous to mention here, but include almost every provision in article 14 of the International Covenant on Civil and Political Rights that could be violated at this juncture of the proceedings. . . The prosecution alleges to have been collecting evidence since at least 1991 - which, of course, could only be true if it were the United States government doing the collecting - and has at least been doing so since April 2003 when dozens of American lawyers and Iraqis who had not lived in Iraq for years were shuttled in to build a case. The defense lawyers, despite requesting visits with their client since December 2003 when he was detained, have to date not been allowed the confidential visits that are necessary to begin to prepare a defense. No visits were allowed with the most senior lawyers until after the trial had started and at each visit American officials exercise the authority to read any materials brought into the visiting room despite the fact that all meetings remain under close audio and visual surveillance. As if this were not enough, evidence has been withheld from the defense lawyers. They have been denied access to investigative hearings; they have been denied prior notice of witnesses, and they are prevented from even visiting the site of the alleged crime.

If any sound "prosecution" case was possible these abuses would be unnecessary.

Mr. Hussein's defense team has been denied physical security despite repeated requests. During the first "trial" three of his attorneys were murdered. During the current "trial" legal assistant Abdel Monem Yassin Hussein was murdered. He was kidnapped on August 29. His body was found five days later. The murders of defense personnel argue further against the possibility of any "prosecution" case.

The blatantly political nature of the "trial" was exposed again on September 20, when puppet Iraqi "prime minister" Nuri al-Maliki removed judge Abdullah al-Amiri from the case. The reason for this outrageous abuse was reported by the New York Times on September 15 as follows:
One witness, a Kurdish farmer, testified that in 1988 he had pleaded with Mr. Hussein for the life of his wife and seven young children. He said a furious Mr. Hussein shouted, "Shut up and get out."

In court, Mr. Hussein jumped up to defend himself.

"Why did he try to see Saddam Hussein?" he asked the judge, referring to himself in the third person, as is his habit in court. "Wasn't Saddam a dictator and an enemy to the Kurdish people, as they say?"

The judge replied: "I will answer you: you are not a dictator. Not a dictator," he repeated. "You were not a dictator."
Mr. Hussein, smiling, replied, "Thank you."

Five days later the judge was removed. If the alleged events of 1988 had really occurred it is extremely unlikely that the puppet "government" would again have discredited itself and the "trial" with this shameless interference.

Even more extraordinarily, an AP report on August 21 said that "the trial does not deal with the most notorious gassing - the March 1988 attack on Halabja that killed an estimated 5,000 Kurds. That incident will be part of a separate investigation by the Iraqi High Tribunal." The report did not say why Halabja is to be treated separately.

The Halabja incident is the biggest thing in the "genocide" case. The "prosecution" has dismembered its own case. It is trying to carry water by knocking the bottom out of its own bucket. The omission strongly suggests that there is no more to the Halabja story than there is to the "Anfal genocide."

***

The most serious doubts arise repeatedly that any valid case against Mr. Hussein can be made. Just as in the notorious "Downing Street Memo" minutes of a July, 2002 meeting of the British cabinet, "the intelligence and facts were being fixed around the policy."

In the United States the burden of proof is on the prosecution to prove its case "beyond reasonable doubt." The defects of the "prosecution's" case are so great as to constitute overwhelming doubt. There is no reason at all to believe that
genocide was committed in the Anfal campaign. Only one conclusion can be drawn: the "Anfal genocide" never happened.

***

In all of the years of its war with Iraq U.S. imperialism has had only one significant political success: the demonization of Saddam Hussein. The "brutal, corrupt dictator" line is heard across the political spectrum. Investigation would seem unnecessary.

One result is that to a great degree antiwar opinion sees the war in Iraq as no more than a war for oil. It is insufficient to stop without looking at Iraq, but that is what almost always happens.

Firstly, the oil already belongs to Iraq. From its side the war has always been a war for sovereignty, i.e., its rights of national self-determination. Since occupation it has also become a war for independence.

"War for oil" also raises further questions. There are many ways to get oil. War is the worst way to get it. The question is why U.S. imperialism has resorted to war. There are many countries that have oil. The United Arab Emirates has almost as much oil as Iraq but nothing is ever heard about it. The question is why Iraq is different.

Again the answer is that modern pre-occupation Iraq always fully asserted its rights of sovereignty. The war is Iraq is an unjust war for oil versus a just war for sovereignty and independence.

The highest questions of any war are questions of historical content and direction, questions of just and unjust causes. Antiwar opinion is most of the time not even aware of these questions. More than anything else it is the demonization of Saddam Hussein that denies the masses a full understanding of the war.

The revolutionary significance of Iraq's great struggle disappears. The linkage of the struggle in Iraq to that of Palestine disappears. Too often the need to support the just and heroic Iraqi resistance becomes lost; too often the necessity to immediately demand unconditional withdrawal of all foreign forces as objectively the only way to end the war becomes lost.

Very little about Iraq and nothing at all about Saddam Hussein should ever be accepted on the basis of authority. There are no such authorities in the U.S.
government. There are no such authorities in the U.S. media. There are no such academic authorities. There are no such authorities in the antiwar movement. Throw away all "authoritative" ideas about Saddam Hussein!

There are only determinations: sound methods, sound concepts, facts and logic, history. On method one can, for instance, look at the Iraqi side directly. Daily accounts of resistance activities are posted in English at: http://www.albasrah.net/pages/mod.php?header=res1&mod=gis&rep=rep. Political statements of the Iraqi Baath Arab Socialist Party and pre-occupation speeches of President Saddam Hussein are posted at http://www.al-moharer.net/qiwa_shabiya/qiwa.html.

The war will end and can only end in the defeat of imperialism and its expulsion from the Persian Gulf. The people of Iraq are stronger than imperialism. Though the whole world shatter, and well it may, in the end the people of Iraq will win.

Victory to Iraq!
Down With Imperialism!

Appendix A: The "trial" Violates International Law

1. The invasion of Iraq is a violation of international law.

Excerpt from "A Farce of Law: The Trial of Saddam Hussein" by Curtis F. Doebbler

The glaring illegalities of the current process begin with illegal origins. The invasion and occupation of Iraq is widely understood to be illegal. On 5 March 2003, three of the five members of UN Security Council and Germany, which was then a non-permanent member, unambiguously declared that a US-led invasion without further Security Council authorization would violate international law. On 16 September 2004, UN Secretary-General Kofi Annan reiterated what was by then obvious to almost every international lawyer, that the invasion and occupation of Iraq is illegal. In fact, this is a textbook case of illegal aggression in violation of the prohibition of the use of force by one country against another found in article 2(4) of the Charter of the United Nations and under customary international law.
The Nuremberg Tribunal described such illegal aggression as "essentially an evil thing. Its consequences are not confined to the belligerent states alone, but affect the whole world. To initiate a war of aggression, therefore, is not only an international crime; it is the supreme international crime differing only from other war crimes in that it contains within itself the accumulated evil of the whole." http://jurist. law.pitt. edu/forumy/ 2006/04/farce- of-law-trial- of-saddam-hussein.php

Curtis Doebbler is an American member of Saddam Hussein's legal defense team and a professor of law at An-Najah National University on the Palestinian West Bank

2. The "trial" of Saddam Hussein violates provisions of international law to which the United States is signatory.

Excerpts from "Iraq and the Laws of War" by Professor Francis A. Boyle

On 19 March 2003 President Bush Jr. commenced his criminal war against Iraq by ordering a so-called decapitation strike against the President of Iraq in violation of a 48-hour ultimatum he had given publicly to the Iraqi President and his sons to leave the country. This duplicitous behavior violated the customary international laws of war set forth in the 1907 Hague Convention on the Opening of Hostilities to which the United States is still a contracting party, as evidenced by paragraphs 20, 21, 22, and 23 of U.S. Army Field Manual 27-10 (1956).

This brings the analysis to the so-called Constitution of Iraq that was allegedly drafted by the puppet Interim Government of Iraq under the impetus of the United States government. Article 43 of the 1907 Hague Regulations on land warfare flatly prohibits the change in a basic law such as a state's Constitution during the course of a belligerent occupation: "The authority of the legitimate power having in fact passed into the hands of the occupant, the latter shall take all the measures in his power to restore, and ensure as far as possible, public order and safety, while respecting, unless absolutely prevented, the laws in force in the country." This exact same prohibition has been expressly incorporated in haec verba into paragraph 363 of U.S. Army Field Manual 27-10 (1956).

The False Front of ISIS / ISIS - all Owned and Ruled by Jews
"This deep seated hatred for and fear of Aryans is so typical of the jewish soul, and islam as we know is jewish to its very core.

Umar Ibn Al Khattab, after slaughtering thousands of the Aireyanem/Aryan Pagan People, sold their women as sex slaves in the islamic capital of Medina. This shows the extent of his sadistic and sick hatred of the Aryan Pagans.

The modern day Yezidi People of Iraq are distant descendants of these Airyanem Vaejah, illustrated in the fact that many of these men and women still exhibit the Aryan physical features such as blond hair and blue eyes:

Still today, Umar Ibns hatred of our Aryan Gentile People, or should I say the jewish hatred of our People, lives on as we can see in the islamic genocide of these Yazidi’s currently taking place today.

Note how they use rape and impregnation as a means of destruction."

- High Priestess Zildar Raasi
from The Islamic Conquest - the Bloodiest Chapter in Human History
http://islamisjewish.weebly.com/the-islamic-conquest.html

As we know extinction of White Race is the old jewish dream which they themselves admit en mass. Now in the article below ISIS itself admits it is designed to destroy "blond blondlines", that's why it attacks Yazidi - they carry Aryan genes. Here it goes:

ISIS Kidnaps 300 Yazidi Women For One Purpose: ‘To Smash The Blonde
Bloodline’

As if the Yazidis people did not have enough to fear, now over 300 of their women have been kidnapped and ISIS claims they plan on raping & impregnating them to ‘break’ the cycle of blonde children.

ISIS extremists have vowed to impregnate the 300 Yazidi women they kidnapped in hopes of breaking their bloodlines and removing their Aryan DNA. Not only that, but they also hope to reproduce children with their hostages so that they can insert the Muslim religion into the bloodline as an alternative to slaughtering them all. Horrific.

Kidnapped Yazidi Women To Be Raped & Impregnated By ISIS Extremists

As the Yazidi community struggles to survive on Mount Sinjar in Iraq, at least 300 women have gone missing — allegedly kidnapped by the ISIS extremists who want to see thee Yazidis completely eradicated.

The extremists plan to pair up the 30 women with Muslim members of their terrorist groups so that they can be raped and impregnated with Muslim children, reports the Daily Mail.

'ISIS want to impregnate Yazidi women and smash our blond bloodline': Fears grow for the 300 women kidnapped from Sinjar:

For those of you that don’t know, the Yazidi community is mostly an Aryan race that remains isolated from the Muslims in Iraq. Most of them have blonde hair, blue eyes, and they will only marry and have children with other Yazidi people which has kept their Aryan genetics in tact generation after generation.

Yazidis adhere to their 4,000 year old faith that’s been passed down and adapted through generations, composing of elements from several different religions. Due to their beliefs, many Muslims categorize them as “devil worshippers” since their religious views which are derived from an ancient faith known as Zoroastrianism, the original religion of Persia long before Islam was dreamed up.
They have survived 72 genocides by the Ottomans who once ruled Iraq and now radical Islamists who have vowed to destroy them. Due to their never ending persecution, their population has dropped from millions down to roughly 700,000, and if IS has their way, they’ll become extinct.
ISIS Created By Israel

ISIS was created to fight Hezbollah.....Anyone guess just who those allies who created ISIS are then......Israel and the Jewish proxy of the Saudi's who themselves are crypto Jews. Working the Muslim front. Washington is also under the grip of Israel as well. As one Israeli politician stated: Jews out of America run the world. This is part of the Jewish plan of Greater Israel, create Islamist proxy forces to topple the Arab nation states for Israel.

http://www.presstv.ir/Detail/2015/02/20/398474/ISIL-was-created-to-counter-Hezbollah

A retired US general has acknowledged that Washington’s allies created the ISIL terrorist group to confront the Lebanese resistance movement Hezbollah.

Retired general Wesley Clark, who was the Supreme Allied Commander Europe of NATO from 1997 to 2000, made the revelation in a recent interview with the CNN.

“ISIS got started through funding from our friends and allies,” Clark admitted on Tuesday, using another acronym for ISIL.

The only group that will fight Hezbollah is ISIL because they are “zealots” and resemble a “Frankenstein,” he said.

General Clark did not specify exactly which US allies were involved the creation of the ISIL. But he said the terrorist group is part of a strategy to destroy Hezbollah with an army of extremists.

Clark is known for his critical comments regarding Washington’s war plans.

In a book published in 2003, he said the US is pursuing a campaign of wars that already started in Iraq and later include Syria, Lebanon, Libya, Somalia, Sudan and finally Iran.

The ISIL terrorists, many of whom were initially trained by the CIA in Jordan in 2012 to destabilize the Syrian government, have seized large parts of territory in
Syria and around one-third of the territory of Iraq. They are engaged in crimes against humanity in the areas under their control.

They have been carrying out horrific acts of violence such as public decapitations and crucifixions against all communities, including Shias, Sunnis, Kurds, and Christians.
ISIS Jewish Hoax

Islamic State did largely come out of the Syria conflict and its this conflict that allowed them to rise to where they are now. The majority of the rebel groups fighting in Syria are proxies of Washington, Israel and the Saudi’s the trinity of Jewish power. The rebels are mainly foreign fighters and are trained in Jordan and moved across the boarder. Israel has been aiding the rebel proxy forces giving the camps, hospitals in the Golan Heights and arming them. As well as air strikes against Syria forces with their air force. Back in spring of 13 Israel used a small grade, tactical jewculur weapon on Damascus. As part of this effort.

The jooz neocohen's or neocon's. Set a purposeful policy for Iraq that did everything possible to create a corrupt, backwards and weak new Iraq and push it into destabilized state. The polices had people pull their hair out in be wonderment. It was not incompetence it was purposeful. The plan for Iraq was its permanent dissolution as a Nation from the start. The Jews didn't put all that effort into getting two wars against Iraq to rebuild it into a powerful nation that could turn on them. Of course they played a lot of trash talk about liberating Iraq and restricting and rebuilding it. Its all nonsense. Part of this was to put a Shia dominate, corrupt government into power that repressed the Sunni's ever further. This was crucial to the current situation and Islamic State rise to power. This is also a Sunni liberation movement now.

The national lines of Syria and Iraq are also artificial they where created by the British after taking the region from the Ottomans. They never cared to factor in tribal and ethnic regions. Iraq was always Sunni, Shia and Kurds and they never liked each other. So put in a decade of major destabilization, ethnic hostilities and meddling by the Jew controlled Western powers such as proxy wars in Syria and Libya. Its only a matter of time before something like Islamic State happened.

Islamic State is taking on the major organized enemies of Israel in the Middle East. The Shia population. Assad is Shia so is his allies the Party of God in Lebanon that has defeated Israel twice and so is Tehran. Islamic State's mission is to wipe out the entire Shia world. The Jews also want Baathism gone. Its the one ideology that was the realization for creating modern united Arab Nation States that are in the way of Israel. Syria is the last Baathist state left. Libya was also a modernized, progressive state. I read the Green Book of Gaddafi it was a well done book that outlined the social, economic and political paradigm of Libya. I wrote an article in the past on Libya and why the Jews destroyed it. Gaddafi was a good man and
moral leader who risked his life to raise his people out of a literal dark age into a new society that was near utopian. He didn’t deserve to die the way he did. Thousands of his people died fighting for this Libya against the Jewish proxies who have destroyed the country and put it into barbarianism. Which is the plan for Syria.

Islamic State also seems to benefit Israel by destroying Iraq and dividing it into a state where Sunni’s, Kurds and Shia will be in constant war. Baghdad was getting too close to Tehran anyway. Its my opinion Islamic State was as stated to be in the last phases of becoming a standing Army and creating a State that will stand. This will put the Middle East into decades of nonstop war within the Islamic world. Of course the Jews might want to help this out by funding and arms. It brings about what they wanted. Islamic State also gives them a propaganda without end and a excuse for further Western military intervention which is the new rhetoric coming out of Washington. Also think false flags like 911. They could pull another one and them blame Islamic State at anytime they want.

So if Islamic State is not created by Israel it benefits Israel's agenda.

But it might be the bringing of the end. Its my musing that the situation in Iraq has pushed Baghdad into the arms of Tehran as they need their fellow Shia nation to defend south Iraq which is Shia from Islamic State. Tehran has already sent troops. If Islamic State gets powerful enough and Assad's Syria is going down and this will result in massive ethnic cleansing of Shia and other non Sunni populations. And leave the Party of God alone between a radical Sunni Caliphate and the Sunni radical's in Lebanon. Which is only a matter of time for them. And this would leave Tehran isolated and tip the balance of power they seem to need to kept Israel thus Western aggression in check against them. Which means Tehran would be finished. By a collection of the economic sanctions on them and constant warfare with Islamic State which would by this point by a large standing Army of fanatics with never ending Jihad on their mind. Who have sworn to conqueror Iran as well. Think of how bloody the Iraq-Iran war was. That war was Judeo West using Iraq as a proxy against Iran. What would another round with Islamic State be like. The previous war is still strong in the popular consciousness of Iranians. It was devastating.

Perhaps looking at the possible end and near extinction event of the Shia world. Maybe Damascus, Tehran and the Party of God might just decide to unleash
everything they have on Saudi Arabia and Israel the two major bases of the war against them in the Middle East. I believe the situation in the Middle East might have finally gone into point of no return. If this happens Israel will use its Sampson option as well maybe not just at Middle Eastern targets but as their leaders brag European targets as well. The Jews are already abandoning Europe on mass. Their already criminally insane leadership might view the end of Israel as the final end and decided to scorched earth policy on the hated Goyim in general.

The big factor is the Abrahamic world all believe there has to be global war in this region to bring about the end of the world and the return of their god. The power of the collective unconscious of hundreds of millions of people the psychic energy of centuries poured into this and the amount of people tried into this program in the highest levels of control and international power might bring this into reality.

Jew controlled ISIS is destroying archaeological sites

Any of you who are new here, and/or still have lingering doubts, worries, and fears related to Christianity, Islam or related programs and their lies- you really need to read the article below my reply here and visit http://see_the_truth.webs.com/Destroying_Our_Past.htm

Look at what the bible really is. From beginning to end, it is a FICTITIOUS HISTORY and nothing more. There is NOTHING SPIRITUAL about it! This is why is has not only conflicted with the sciences, especially paleontology [historical geology], astronomy and all of the others, but has also vehemently attacked and held the sciences back for centuries. I remember when I was a very young girl, 6 or 7 years old, being indoctrinated with that Christian filth, I actually believed this was how we all got here, etc. A few years later when I was pre-teen, I began to think for myself. Sadly, there are many adults who still believe these Jewish lies about how humanity got here as dictated in that nefarious bible which is and always has been a lethal plague on humanity.

Beginning in Genesis, the Jews TELL us all how we were “created” by their so-called “God” and how we got here and all these rotten lies. The Jews believing they themselves are “God” feel they have a right to DICTATE to everyone how we Gentiles are to think, what we can and cannot believe, and all sorts of other things that not only make our lives miserable, but are also very anti-life. Many scholars have wasted centuries and centuries researching that most worthless character jewsus who never existed. Just realize the endless time and wasted energy directed at combating these nefarious kosher programs. Imagine how far humanity would be if time and energy were not wasted on combating this filth. The arts, music, and nearly everything else was hijacked and directed to promoting and perpetuating these Jewish programs. For centuries as can be seen in the arts and music, those who didn’t comply were harshly punished and in many cases, murdered as “heretics” by the Christian Church. Jewish communism did exactly the very same thing. All of the arts, music and related had to promote communism.

Always remember... the Jews take control of both opposing sides and work both opposing sides to their agenda. For example, Jewish Israel openly “allied” with the USA and the so-called “Free World.” The Jewish controlled former USSR would always take up for and support the countries that were openly against Israel. To most people, this is very deceiving. The USSR always took the side of any country
such as the Arab countries that were against Israel. BUT, when arming the Arab countries, the Arab countries received inferior weapons and other problems from the USSR that worked to undermine them. All the while most of the world was confused and actually believed the USSR was hostile to Israel, which was a lie. In addition to all of this, no different from their invented Nazarene, they are like chameleons in that they always change in a way and adapt their programs for the times. That rotten bible, because it has so many contradictions and endless verses that can be applied to practically any situation at any time, both for and against, survives because of this adaptation, though the Jews themselves never change in their character, nor in their agenda. Xian preachers can take whatever verses they please and apply them to any situation to suit their evil purposes. That bible was written in typical Jewish style in that like the Jews themselves, it can change itself to fit anything:

*****

The Ubiquitous Nazarene

The Nazarene is made up of nothing but stolen legends, stolen identities and a bunch of meaningless, worthless hypocritical and contradictory teachings. I don't think there has been a character in all of history that is as fictitious as this Nazarene idiot, and because he is a lie, he can change according to the times. He was invented to be nothing more than a distraction for the masses, with the intention of removing all spiritual knowledge and power from the populace and placing it in the hands of a controlling few to the detriment of the all. Christianity has survived because it always adapted to the times, just as it is doing today. The Christian church finally admitted insidiously that the Earth is not flat. If they hadn't, they would have never survived. That is just one of numerous examples. Now, the Nazarene has put on a New Age face. The teachings of the Original Gods and ancient knowledge are all of a sudden attributed to the Nazarene. This is whether they come from Egypt [Some double-digit I.Q. individuals have the stupidity to claim he was a "pharaoh."]

In the 1960's and 70's, he was the ideal hippy. Now he is the great teacher of this new age crap and the "threelfold" joke, which of course includes those nefarious angels and Judeo/Christian mysticism. During the crusades, he was the Christian warrior, leading the Christian armies to slaughter everyone in their path- "Onward Christian Soldiers." With Islam, he still exists, but this time, as not the "Son of
God" but as a prophet. He seems to be everywhere and conforms to every trend, and every culture. Just slap the ragged poor professional victim on two crossed sticks of wood and there he is. The only thing that *is* real concerning this ubiquitous clown is the suicidal teachings designed to turn the whole of society into malleable slaves. The underlying message never changes.

This is analogous to a harmless looking rodent that brings in lethal parasites that infest the locale like what happened with the Bubonic Plague of the Middle Ages. Because he is fictitious, he can be made into whatever they please as long as it is done insidiously. He can be anything at any time and anywhere. On the one hand, he is celibate and the "Son of God." On the other hand, in order to adapt with the sexual openness of today, he now has sexual relations with Mary Magdalene. Because new knowledge has come from the Far East, of course, he was there from age "13 until 30," as there is no written record so they can make up anything they wish. This way, they can attribute a lot of the Eastern teachings to him and claim "the all is one." Yeah, the "all is one" until someone mentions "Satan" and either there is denial or defensiveness out of these jokers. Because homosexuality is becoming more open, now parts of the gospel of St. John, which were conveniently deleted, claim he had sexual intercourse another male. He can be anything at anytime and anywhere. The Nazarene never gave any direct answers to anything. This way, any bible thumper is free to quote here and there, as they see fit. His parables fit any situation at any time and say nothing. They can be interpreted 100 different ways. Just put him on a stick and start pounding away!

*****

That bible is no “Word of God.” I already wrote a detailed sermon regarding the so-called “biblical prophesies” and how the Jews put these into action a very long time ago. Anyone can do this sort of thing. In addition to the sciences being relentlessly and most viciously attacked over the centuries, it has been the very same and even worse with witchcraft. Most of you also know that when science advances far enough, all of the so-called occult can be scientifically explained. It is a sad fact that aside from stupid deluded idiots, fear is a major factor in keeping those Jewish programs thriving, no different from the terrors of Jewish communism. Both of which have mass-murdered, tortured, and destroyed billions of lives with their wars, their “purges” and their direct attacks on those who sought after and stood for the truth.
Right now, we have a chance to really get out from under this hideous and most lethal plague. We have the internet. Do your part in waking people up. There are many different ways. If you are not able to reveal yourself for important reasons, then go to Satan and ask him what you can do. I am aware that not everyone is able to be open, but that does not mean you do nothing. There is always something. Satan will show you what you can do. This may come as an idea, an opportunity, or other. Demons will work with you. We must fight for our freedom NOW and relentlessly or we will all be forever enslaved! A hero only dies once... a coward dies a thousand times.

Isis (jew controlled) is destroying archaeological sites. We have to Fri Mar 6, 2015 7:26 pm (PST). Posted by: "Lolo Bardonik" lolobardonik The jews are destroying our past and they continue to do so.

If you haven't already read this article on JoS to see the truth: http://see_the_truth.webs.com/Destroying_Our_Past.htm

This recent article http://www.infowars.com/isis-attacks-archaeological-site-at-nimrud/ is reporting that ISIS (created by the NATO http://presstv.com/detail/2014/08/24/376396/nato-behind-creation-of-isil/ which is jewish controlled http://www.realjewnews.com/?p=962) is destroying an archaeological site in Iraq. Remember that the area of Iraq is where the civilization of the Sumerians originated https://en.wikipedia.org/wiki/Sumer. Imagine the historical significance and the artifacts, archaeological sites that this area contains.

(the full article is quoted at the end of the post)

These are my thoughts, triggered by reading the mentioned article.

---------------------------------------------

Think about it.
The jews have tried to erase our original heritage and have tried to replace it with xianity, islam, communism and all their bullshit creations. They tried to strip our past in order to remove the knowledge and weaken us.

They are trying to remove the knowledge by killing people who have the knowledge, by destroying books, artifacts and archaeological sites.

And this makes it more difficult for us Gentiles to prove that all the filthy jewish created bullshit are wrong. We know that they are wrong, we feel it inside us, we express it with our whole being. But, our brothers and sisters who are without, wouldn't be able to see it. The would like to see some proof to start thinking. They are brainwashed by the jewish programs and they would have to see some hard evidence to awaken from this brainwash.

If the jews continue to destroy our past through their funded wars, in a few centuries all evidence would be a part of imagination. What we know as hard facts and are supported by evidence, in a few centuries would become "myths" and "fairytales" for the next generations. The knowledge would be removed from the physical level.

This knowledge though wouldn't be lost. It would remain in the Akashic Records http://www.crystalinks.com/akashicrecords.html and in the knowledge of our Gods. But it would be a lot harder to obtain. Because as most of us know communicating to our Gods through telepathy is not an easy task. The same goes for obtaining access to the Akashic records. The person needs to have trained and honed these skills in order to reliably obtain any information this way.

This is the reason, that all of us who have been given the privilege to this knowledge (any part of knowledge) from our Gods, have to preserve it for the next generations. Write journals, write books, write articles, write posts.

Those of you who can do this (and of course are allowed by the Gods to share this knowledge), share it with as many trustworthy people as you can. Share it with people that deserve this knowledge and would honor it's value.

If you are now allowed to share it write a "black book" or a "grimoire" and keep it in a safe place. This way the knowledge would remain on the physical plane.
Most of us have come to the truth because we had an inner urge to find the truth. Because we were spiritual enough to see the lies of the Jewish world. We were guided to some info that helped us realize the truth. We found Father Satan and the Gods of Hell because we "stumbled" to the JoS site.

Maybe a friend told us about it. Maybe the Gods have given us guidance. The result is the same. We "stumbled" upon the information. We read about it. We started trusting in our spiritual abilities. We started trusting that they are real. We started accepting this "invisible" reality. We obtained the knowledge.

But everything started with information in the physical plane. A site. A book. A person with knowledge. So think about it. What could we do to help the Gods?

Imagine the possibilities.

What would happen if you write a book, a journal, a grimoire, a post on the internet. When you'd be long gone from the physical plane of this world, this information would remain. The Gods could direct a spiritual person to this information. To help this person get initiated in spirituality. To help this person and awaken him.

We are a generation of pioneers. We had to search for the truth, and we're still searching to obtain more of our lost knowledge. Each of us has its own interests. Each of us has its own special abilities. While we're training to advance ourselves and our abilities we obtain knowledge. We obtain knowledge by the Gods. We obtain practical knowledge by training.

This is valuable knowledge.

This is the knowledge that needs to be preserved.

This knowledge is our legacy for the next generations of our Gentile brothers and sisters.

Let's fight hard and become stronger.

Hail Father Satan and the Gods of Hell

ISIS ATTACKS ARCHAEOLOGICAL SITE AT NIMRUD"
These extremists are trying to destroy the entire cultural heritage of the region..." 
http://www.infowars.com/isis-attacks-archaeological-site-at-nimrud/

The Islamic State militant group attacked the ancient archaeological site of Nimrud in northern Iraq and damaged it with heavy vehicles, Iraq’s Ministry of Tourism and Antiquities said Thursday.

It was the latest in a series of attacks:
1. http://www.nytimes.com/2014/07/31/world/middleeast/iraqi-anger-rises-as-militants-attack-mosuls-cultural-history.html on ancient structures and artifacts in Syria and Iraq that the group has destroyed in the name of its harsh interpretation of Islamic law. Last week, Islamic State militants videotaped themselves destroying statues and artifacts

“The terrorist gangs of ISIS 
Are continuing to defy the will of the world and the feelings of humanity after they committed a new crime that belongs to its idiotic series,” the ministry said in a statement on its Facebook page, referring to the Islamic State, also known as ISIS, ISIL or Daesh.

Nimrud is the sprawling site of a city founded by the Assyrian 
I already replied to a post on this, but another thing I want to add here... When I was very new to Satanism, one of the things our Gods impressed upon me was they did not want humanity to “forget them.” In other words, not know they ever existed. I wrote my best at the time in the Demons’ section of the JoS and how our people should promote our Gods in any way they can. In songs, art work, band names and other things I suggested at that time in return for favors granted to us from our Gods.

Jehovah’s Witnesses have take steps in eliminating all of the holidays such as Xmas and Easter, even celebrating one’s birthday. This is because all of these holidays, as they will openly admit are Pagan. Other fundamentalist xian sects [xian = Christian for those who are new here] work to remove all of the Pagan celebrations and traditions from these holidays and replace them with that scumbag Nazarene; attacking Santa Claus, gift-giving, Easter Eggs, the Easter Bunny etc. There are even xian placards that state “Easter is not about the Easter Bunny” for instance. Many are also deceived with the Jewish communist agenda that promotes atheism. Truth be known, communist countries are not all that harsh towards xianity and related Jewish filth. The end goal though is to remove all of the xian crap because it comes with the Pagan baggage. Xianity still has not completely disconnected itself from the STOLEN Pagan holidays, mala beads and many other things, as xianity has nothing of its own.

http://see_the_truth.webs.com/STOLEN_YEAR.htm

This here is exceptionally blatant. All of the truth and history is systematically being removed and replaced with lies, the most blatant ones being the Bible and the Koran. When all evidence is gone through deliberate destruction, the Jews are then at liberty to seal their agenda. An atheist knows nothing of spirituality and is helpless to fight back against forces he/she does not even believe to exist, let alone know how to. The Jews then become “God.” Anyone who poses a serious threat is dealt with through their version of black magick- child sacrifice...Jewish ritual murder.

All evidence is destroyed and the Jews replace it all with their lies. Like I already wrote, the Bible is very blatant as is the Koran.

One of the most important messages I ever received form our Gods is “Never let them forget us.” If we forget our True Gods and where we come from, then all is lost...

Enraged over destruction of Astaroth’s Temple, etc. Sat Mar 7, 2015 9:34 pm (PST) . Posted by: “Sims Motal" simsmotal I have been so depressed all day. And I finally began to understand why. The destruction of sacred temples and statues is way beyond evil. Yes! It is horrible the way that ISIL -- I refuse to refer to them by one of our Goddesses' names – murders, rapes and destroys. But to me, this is the icing on the cake! I fully intend to continue with rituals towards the jews, but I am also going to include the islamic extremist monsters too!

I have cried and cried about it. To me, the things they have done are unspeakable, and unforgivable.
I hope others will join me in cursing the SOBs too.
Hail Father Satan! Hail Isis! Hail Osiris! Hauk Anubis!
First, I would like to thank Satan for protecting my body and my belongings the last few days. My area had some very bad weather, but I truly got lucky. It is true that Satan takes care of his own. HAIL SATAN!

At work the other day somebody showed me a video while I was taking a break. The video was outrageous and sickening. That video was just a short clip of an hour long video created by Sunni Muslims. The contents of this video are more proof of the dysfunctional world that is created by the jews and their false, suicidal religions.

This is reality. The above is what the world will become if we allow the jewish puppetmasters and their lackeys run the world. If mankind does not wake up to this viscious hoax then America, along with the rest of the world, will be thrown into the jewish septic tank.

IN this video they kill in the name of their disgusting jewish god. IN fact, they delight in it. Then they claim that the djinn are their enemies. They claim that their god is merciful and should be feared. SATAN NEVER KILLED ANYBODY! It is the jewish god that delights in the pain and suffering of others.

This is for those who are only concerned with themselves. Those who do not take Satanism seriously. GROW UP! This has been going on for centuries. And if everybody continues to be "soft", then out enemy will continue to do this until we are all being beheaded in our own house.

All of the strong and faithful Brothers and Sisters in Satan! I Salute you! HAIL SATAN!
Islamic Destruction of the West
- all Owned and Ruled by Jews
This is What Europe can Expect...

The Quran Advocates Rape and Sex-Slavery of Non-Muslim Women
Islam Also Encourages and Promotes Pedophilia

"I kept telling him it hurts - please stop," said the girl, whose body is so small an
adult could circle her waist with two hands. "He told me that according to Islam
he is allowed to rape an unbeliever. He said that by raping me, he is drawing
closer to God," she said.

Given the situation in Europe where “migrants” [mostly Muslims] are invading in
hoards in the millions, I am reposting this. Mosques are already being erected in
cities and areas settled by migrants and there will be a Sharia Law in these areas.
The Jewish controlled press just gloats with glee over the situation in Europe.
Almost like singing a happy tune when reporting how those “migrants” are
flooding into Europe.

This is what Europeans can expect more of in the very near future:

**VICTIM of MUSLIM GANG RAPE**
"..She was unveiled, a whore and was asking for it."
(The reasons given by the rapists when asked "Why?")

In addition to this, Christians [as usual] are aiding and abetting this malignant
scum. The Catholic Pope urged every Catholic household in Europe to “sponsor at
least one migrant.”

Europe will soon turn into a Muslim sewer where what sleazy Muslims label as “infidels” will be brutalized mass-murdered. Women for one, will not be permitted to enter areas [which will be expanding rapidly] unless they are fully clothed.

I strongly encourage everyone to read the following news article fully. This is NOT something that will go away on its own.

This “tolerance” SHIT pushed by the Jews only applies to anything suicidal for Gentiles. Tolerance is Jewish propaganda filth! These Jewish programs have NO tolerance for any freedoms or liberties and there is NO “Live and let live.” They will butcher you and kill you if you do not defend what is yours. The situation in Europe is extremely grave.

“I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It’s a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role.”

-- Barbara Lerner Spectre, Sweden, Founder of Paideia, European Jewish Fund in Sweden
The article below is appalling. As most of you already know, the enemy adds insult to injury with blaspheming our Gods, our Holidays and everything else. "ISIS" as most of you are aware is a very important Egyptian Goddess. The enemy defiles her name with the naming of this most rotten organization.

Excerpt from the News Article Below:

"One 34-year-old Yazidi woman, who was bought and repeatedly raped by a Saudi fighter in the Syrian city of Shadadi, described how she fared better than the second slave in the household - a 12-year-old girl who was raped for days on end despite heavy bleeding.

"He destroyed her body. She was badly infected. The fighter kept coming and asking me, 'Why does she smell so bad?' And I said, she has an infection on the inside, you need to take care of her," the woman said. Unmoved, he ignored the girl's agony, continuing the ritual of praying before and after raping the child. "I said to him, 'She's just a little girl,' " the older woman recalled. "And he answered: 'No. She's not a little girl. She's a slave. And she knows exactly how to have sex.' "

"And having sex with her pleases God," he said."

ISIS Enshrines a Theology of Rape Claiming the Quran's support, the Islamic State codifies sex slavery in conquered regions of Iraq and Syria and uses the practice as a recruiting tool.
Written by Rukmini Callimachi

QADIYA, Iraq - In the moments before he raped the 12-year-old girl, the Islamic State fighter took the time to explain that what he was about to do was not a sin. Because the preteen girl practiced a religion other than Islam, the Quran not only gave him the right to rape her - it condoned and encouraged it, he insisted.

He bound her hands and gagged her. Then he knelt beside the bed and prostrated himself in prayer before getting on top of her.

When it was over, he knelt to pray again, bookending the rape with acts of religious devotion.
"I kept telling him it hurts - please stop," said the girl, whose body is so small an adult could circle her waist with two hands. "He told me that according to Islam he is allowed to rape an unbeliever. He said that by raping me, he is drawing closer to God," she said in an interview alongside her family in a refugee camp here, to which she escaped after 11 months of captivity.

Yazidi Girls Seized by ISIS Speak Out After Escape NOV. 14, 2014 ISIS and the Lonely Young American JUNE 27, 2015

Persecuted Yazidis Again Caught in Larger Struggle AUG. 11, 2014 The systematic rape of women and girls from the Yazidi religious minority has become deeply enmeshed in the organization and the radical theology of the Islamic State in the year since the group announced it was reviving slavery as an institution. Interviews with 21 women and girls who recently escaped the Islamic State, as well as an examination of the group's official communications, illuminate how the practice has been enshrined in the group's core tenets.

State of Terror

Articles in this series will examine the rise of the Islamic State and life inside the territory it has conquered.

The trade in Yazidi women and girls has created a persistent infrastructure, with a network of warehouses where the victims are held, viewing rooms where they are inspected and marketed, and a dedicated fleet of buses used to transport them.

A total of 5,270 Yazidis were abducted last year, and at least 3,144 are still being held, according to community leaders. To handle them, the Islamic State has developed a detailed bureaucracy of sex slavery, including sales contracts notarized by the ISIS-run Islamic courts. And the practice has become an established recruiting tool to lure men from deeply conservative Muslim societies, where casual sex is taboo and dating is forbidden.

A growing body of internal policy memos and theological discussions has established guidelines for slavery, including a lengthy how-to manual issued by the Islamic State Research and Fatwa Department just last month. Repeatedly, the ISIS leadership has emphasized a narrow and selective reading of the Quran.
and other religious rulings to not only justify violence, but also to elevate and celebrate each sexual assault as spiritually beneficial, even virtuous.

"Every time that he came to rape me, he would pray," said F, a 15-year-old girl who was captured on the shoulder of Mount Sinjar one year ago and was sold to an Iraqi fighter in his 20s. Like some others interviewed by The New York Times, she wanted to be identified only by her first initial because of the shame associated with rape.

"He kept telling me this is ibadah," she said, using a term from Islamic scripture meaning worship.

"Every time that he came to rape me, he would pray," said F, who was captured by the Islamic State on Mount Sinjar one year ago and sold to an Iraqi fighter. Credit Mauricio Lima for The New York Times "He said that raping me is his prayer to God. I said to him, 'What you're doing to me is wrong, and it will not bring you closer to God.' And he said, 'No, it's allowed. It's halal,' said the teenager, who escaped in April with the help of smugglers after being enslaved for nearly nine months.

Calculated Conquest

The Islamic State's formal introduction of systematic sexual slavery dates to Aug. 3, 2014, when its fighters invaded the villages on the southern flank of Mount Sinjar, a craggy massif of dun-colored rock in northern Iraq. Its valleys and ravines are home to the Yazidis, a tiny religious minority who represent less than 1.5 percent of Iraq's estimated population of 34 million.

The offensive on the mountain came just two months after the fall of Mosul, the second-largest city in Iraq. At first, it appeared that the subsequent advance on the mountain was just another attempt to extend the territory controlled by Islamic State fighters.

Almost immediately, there were signs that their aim this time was different.

Survivors say that men and women were separated within the first hour of their capture. Adolescent boys were told to lift up their shirts, and if they had armpit
hair, they were directed to join their older brothers and fathers. In village after village, the men and older boys were driven or marched to nearby fields, where they were forced to lie down in the dirt and sprayed with automatic fire. The women, girls and children, however, were hauled off in open-bed trucks.

"The offensive on the mountain was as much a sexual conquest as it was for territorial gain," said Matthew Barber, a University of Chicago expert on the Yazidi minority. He was in Sinjar when the onslaught began last summer and helped create a foundation that provides psychological support for the escapees, who number more than 2,000, according to community activists.

Fifteen-year-old F says her family of nine was trying to escape, speeding up mountain switchbacks, when their aging Opel overheated. She, her mother, and her sisters - 14, 7, and 4 years old - were helplessly standing by their stalled car when a convoy of heavily armed Islamic State fighters encircled them.

"Right away, the fighters separated the men from the women," she said. She, her mother and sisters were first taken in trucks to the nearest town on Mount Sinjar. "There, they separated me from my mom. The young, unmarried girls were forced to get into buses."

The buses were white, with a painted stripe next to the word "Hajj," suggesting that the Islamic State had commandeered Iraqi government buses used to transport pilgrims for the annual pilgrimage to Mecca. So many Yazidi women and girls were loaded inside F's bus that they were forced to sit on each other's laps, she said.

Once the bus headed out, they noticed that the windows were blocked with curtains, an accouterment that appeared to have been added because the fighters planned to transport large numbers of women who were not covered in burqas or head scarves.

F's account, including the physical description of the bus, the placement of the curtains and the manner in which the women were transported, is echoed by a dozen other female victims interviewed for this article. They described a similar set of circumstances even though they were kidnapped on different days and in locations miles apart.
Sunset over Dohuk, in the Kurdistan region of northern Iraq.

Islamic State militants have conquered large areas of Iraq, and the systematic rape of women and girls from the Yazidi religious minority has become deeply enmeshed in the group's organization and theology. F says she was driven to the Iraqi city of Mosul some six hours away, where they herded them into the Galaxy Wedding Hall. Other groups of women and girls were taken to a palace from the Saddam Hussein era, the Badoosh prison compound, and the Directory of Youth building in Mosul, recent escapees said. And in addition to Mosul, women were herded into elementary schools and municipal buildings in the Iraqi towns of Tal Afar, they would be held in confinement, some for days, some for months. Then, inevitably, they were loaded into the same fleet of buses again before being sent in smaller groups to Syria or to other locations inside Iraq, where they were bought and sold for sex.

"It was 100 percent preplanned," said Khider Domle, a Yazidi community activist who maintains a detailed database of the victims. "I spoke by telephone to the first family who arrived at the Directory of Youth in Mosul, and the hall was already prepared for them. They had mattresses, plates and utensils, food and water for hundreds of people." Detailed reports by Human Rights Watch and Amnesty International reach the same conclusion about the organized nature of the sex trade. In each location, survivors say Islamic State fighters first conducted a census of their female captives. Inside the voluminous Galaxy banquet hall, F sat on the marble floor, squeezed between other adolescent girls. In all she estimates there were over 1,300 Yazidi girls sitting, crouching, splayed out and leaning against the walls of the ballroom, a number that is confirmed by several other women held in the same location. They each described how three Islamic State fighters walked in, holding a register. They told the girls to stand. Each one was instructed to state her first, middle, and last name, her age, her hometown, whether she was married, and if she had children. For two months, F was held inside the Galaxy hall. Then one day, they came and began removing young women. Those who refused were dragged out by their hair, she said.

In the parking lot the same fleet of Hajj buses was waiting to take them to their next destination, said F. Along with 24 other girls and young women, the 15-year-old was driven to an army base in Iraq. It was there in the parking lot that she heard the word "sabaya" for the first time.
"They laughed and jeered at us, saying 'You are our sabaya.' I didn't know what that word meant," she said. Later on, the local Islamic State leader explained it meant slave.

"He told us that Taus Malik" - one of seven angels to whom the Yazidis pray- "is not God. He said that Taus Malik is the devil and that because you worship the devil, you belong to us. We can sell you and use you as we see fit." The Islamic State's sex trade appears to be based solely on enslaving women and girls from the Yazidi minority. As yet, there has been no widespread campaign aimed at enslaving women from other religious minorities, said Samer Muscati, the author of the recent Human Rights Watch report. That assertion was echoed by community leaders, government officials and other human rights workers.

Mr. Barber, of the University of Chicago, said that the focus on Yazidis was likely because they are polytheists, with an oral tradition rather than a written scripture. In the Islamic State's eyes that puts them on the fringe of despised unbelievers, even more than Christians and Jews, who are considered to have some limited protections under the Quran as fellow "People of the Book."

In Kojo, one of the southernmost villages on Mount Sinjar and among the farthest away from escape, residents decided to stay, believing they would be treated as the Christians of Mosul had months earlier. On Aug. 15, 2014, the Islamic State ordered the residents to report to a school in the center of town. When she got there, 40-year-old Aishan Ali Saleh found a community elder negotiating with the Islamic State, asking if they could be allowed to hand over their money and gold in return for safe passage. The fighters initially agreed and laid out a blanket, where Ms. Saleh placed her heart-shaped pendant and her gold rings, while the men left crumpled bills.

Credit Mauricio Lima for The New York Times Instead of letting them go, the fighters began shoving the men outside, bound for death. Sometime later, a fleet of cars arrived and the women, girls and children were driven away.

The Market Months later, the Islamic State made clear in their online magazine that their campaign of enslaving Yazidi women and girls had been extensively
preplanned. "Prior to the taking of Sinjar, Shariah students in the Islamic State were tasked to research the Yazidis," said the English-language article, headlined "The Revival of Slavery Before the Hour," which appeared in the October issue of Dabiq.

The article made clear that for the Yazidis, there was no chance to pay a tax known as jizya to be set free, "unlike the Jews and Christians."

"After capture, the Yazidi women and children were then divided according to the Shariah amongst the fighters of the Islamic State who participated in the Sinjar operations, after one fifth of the slaves were transferred to the Islamic State's authority to be divided" as spoils, the article said.

ISIS 'Slave Market Day' In a video posted in October 2014 on YouTube, a group of men believed to be Islamic State fighters are shown sitting in a room bantering about buying and selling Yazidi girls on "slave market day."

In much the same way as specific Bible passages were used centuries later to support the slave trade in the United States, the Islamic State cites specific verses or stories in the Quran or else in the Sunna, the traditions based on the sayings and deeds of the Prophet Muhammad, to justify their human trafficking, experts say. Scholars of Islamic theology disagree, however, on the proper interpretation of these verses, and on the divisive question of whether Islam actually sanctions slavery.

Many argue that slavery figures in Islamic scripture in much the same way that it figures in the Bible - as a reflection of the period in antiquity in which the religion was born.

"In the milieu in which the Quran arose, there was a widespread practice of men having sexual relationships with unfree women," said Kecia Ali, an associate professor of religion at Boston University and the author of a book on slavery in early Islam. "It wasn't a particular religious institution. It was just how people did things."

Cole Bunzel, a scholar of Islamic theology at Princeton University, disagrees, pointing to the numerous references to the phrase "Those your right hand possesses" in the Quran, which for centuries has been interpreted to mean
female slaves. He also points to the corpus of Islamic jurisprudence, which continues into the modern era and which he says includes detailed rules for the treatment of slaves. "There is a great deal of scripture that sanctions slavery," said Mr. Bunzel, the author of a research paper published by the Brookings Institution on the ideology of the Islamic State. "You can argue that it is no longer relevant and has fallen into abeyance. ISIS would argue that these institutions need to be revived, because that is what the Prophet and his companions did."

The youngest, prettiest women and girls were bought in the first weeks after their capture. Others - especially older, married women - described how they were transported from location to location, spending months in the equivalent of human holding pens, until a prospective buyer bid on them. Their captors appeared to have a system in place, replete with its own methodology of inventorying the women, as well as their own lexicon. Women and girls were referred to as "Sabaya," followed by their name. Some were bought by wholesalers, who photographed and gave them numbers, to advertise them to potential buyers.

Osman Hassan Ali, a Yazidi businessman who has successfully smuggled out numerous Yazidi women, said he posed as a buyer in order to be sent the photographs. He shared a dozen images, each one showing a Yazidi woman sitting in a bare room on a couch, facing the camera with a blank, unsmiling expression. On the edge of the photograph is written in Arabic, "Sabaya No. 1," "Sabaya No. 2," and so on.

Buildings where the women were collected and held sometimes included a viewing room. "When they put us in the building, they said we had arrived at the 'Sabaya Market,'" said one 19-year-old victim, whose first initial is I. "I understood we were now in a slave market."

A woman, who said she was raped by Islamic State militants, in a refugee camp in the Kurdistan region of northern Iraq. Credit Mauricio Lima for The New York Times She estimated there were at least 500 other unmarried women and girls in the multistory building, with the youngest among them being 11. When the buyers arrived, the girls were taken one by one into a separate room. "The emirs sat against the wall and called us by name. We had to sit in a chair facing them. You had to look at them, and before you went in, they took away our scarves and anything we could have used to cover ourselves," she said. "When it was my turn, they made me stand four times. They made me turn around."
The captives were also forced to answer intimate questions, including reporting the exact date of their last menstrual cycle. They realized that the fighters were trying to determine whether they were pregnant, in keeping with a Shariah rule stating that a man cannot have intercourse with his slave if she is pregnant.

Property of ISIS

The use of sex slavery by the Islamic State initially surprised even the group's most ardent supporters, many of whom sparred with journalists online after the first reports of systematic rape. The Islamic State's leadership has repeatedly sought to justify the practice to its internal audience. After the initial article in Dabiq in October, the issue came up in the publication again this year, in an editorial in May that expressed the writer's hurt and dismay at the fact that some of the group's own sympathizers had questioned the institution of slavery.

"What really alarmed me was that some of the Islamic State's supporters started denying the matter as if the soldiers of the Khilafah had committed a mistake or evil," the author wrote. "I write this while the letters drip of pride," he said. "We have indeed raided and captured the kafirah women and drove them like sheep by the edge of the sword." Kafirah refers to infidels.

In a pamphlet published online in December, the Research and Fatwa Department of the Islamic State detailed best practices, including explaining that slaves belong to the estate of the fighter who bought them and therefore can be willed to another man and disposed of just like any other property after his death.

Recent escapees describe an intricate bureaucracy surrounding their captivity, with their status as a slave registered in a contract. When their owner would sell them to another buyer, a new contract would be drafted, like transferring a property deed. At the same time, slaves can also be set free, and fighters are promised a heavenly reward for doing so. Though rare, this has created one avenue of escape for victims.

A 25-year-old victim who escaped last month, identified by her first initial, A, described how one day her Libyan master handed her a laminated piece of paper. He explained that he had finished his training as a suicide bomber and was planning to blow himself up, and was therefore setting her free.
A woman from the village of Tojo washing dishes in a refugee camp in Kurdistan. She was held by the Islamic State from last August until June and says she was sexually abused. Credit Mauricio Lima for The New York Times Labeled a "Certificate of Emancipation," the document was signed by the judge of the western province of the Islamic State. The Yazidi woman presented it at security checkpoints as she left Syria to return to Iraq, where she rejoined her family in July. The Islamic State recently made it clear that sex with Christian and Jewish women captured in battle is also permissible, according to a new 34-page manual issued this summer by the terror group's Research and Fatwa Department.

Just about the only prohibition is having sex with a pregnant slave, and the manual describes how an owner must wait for a female captive to have her menstruating cycle, in order to "make sure there is nothing in her womb," before having intercourse with her. Of the 21 women and girls interviewed for this article, among the only ones who had not been raped were the women who were already pregnant at the moment of their capture, as well as those who were past menopause. Beyond that, there appears to be no bounds to what is sexually permissible. Child rape is explicitly condoned: "It is permissible to have intercourse with the female slave who hasn't reached puberty, if she is fit for intercourse," according to a translation by the Middle East Media

"He destroyed her body. She was badly infected. The fighter kept coming and asking me, 'Why does she smell so bad?' And I said, she has an infection on the inside, you need to take care of her," the woman said. Unmoved, he ignored the girl's agony, continuing the ritual of praying before and after raping the child. "I said to him, 'She's just a little girl,' " the older woman recalled. "And he answered: 'No. She's not a little girl. She's a slave. And she knows exactly how to have sex.' ""And having sex with her pleases God," he said.
Right now, we have the internet. Knowing the Jews, when the heat really is on them, they create major distractions so the populace is focused elsewhere, especially now with the situation in Europe. Satanist Benjamin Franklin stated that people must have their backs pushed to the wall before they will react. This is what happened with the American Revolution.

Do not be complacent or waste your time. Try to reach as many people as possible. I remember quite a few years ago, I came across a forum that had Exposing Christianity as its topic. There was a Christian on there and this Christian checked out a few of the biblical verses that were posted on the Exposing Christianity website. The Christian was actually upset and never even knew this sort of thing was in the bible. There are millions more.

Unfortunately, unless we wake up the masses of people, we will be doomed. The Jew is on an onslaught right now. Their days are numbered as they have been fully exposed online. Everyone should be putting in time online working forums and other online centers of communications that has large numbers. Some of you may also want to work together in supporting each other in certain groups and forums. The enemy does this all the time.

I also want to add here how Jews work to take control of both opposing sides. Most of you know this.

They infiltrate all kinds of different organizations and destroy them from within. I have noted one of their tactics is to take the goals of the organization to an unhealthy extreme. This eventually destroys the organization. Be aware of this sort of thing.

Amdusias stated how the enemy will blatantly manifest "as the earth draws closer to the climax of our cause." This is happening right now. The Jews are on an onslaught to destroy Europe, mainly the White Race.
In certain areas right now and with other eventually, people are being forced to take the fight offline backs and our communities are being pushed to the wall.

Everyone should be building and reinforcing a powerful aura of protection. This should be reinforced daily. Standing for a few minutes in the Sun and breathing in the energy from the Sun and brightening your aura with the powerful light of the Sun and stating your affirmation 10 times is very powerful.

http://www.angelfire.com/empire/serpentis666/Protection.html

I will have more reverse torah rituals very soon. Like the Christian I mentioned in the above, few people are really aware of the extent we are in danger. This includes your loved ones, your families, and everything you own. Look to the news for one. This isn't going to go away. It will get much worse.

I also want to add here how the Jews are online and with textbooks and the media on an onslaught to try to reestablish their communism again. This is happening right now in Russia. The Russian people have suffered unimaginably. They work to create confusion, destroy the economy, and cause all kinds of other serious problems.

One trend I have noticed with the media is how they try to make excuses for the Jewish psychotic mass-murderer Josef Stalin, along with trying to claim he was a Gentile and also trying to convince people that there is nothing wrong with communism, just Stalinism.

http://hailtosatansvictory666.angelfire.com/Stalin_the_Jew.html

The same kinds of excuses have been made over and over regarding Christianity. Unless they get any serious opposition, they go on with their ugly lies and deceive more and more people. As for the Christian filth, the website http://www.exposingchristianity.com or http://see_the_truth.webs.com/ [same website] shut-up a lot of assholes who were constantly promoting lies and misinformation online. The same needs to be done with Jewish communism. Unless we fight and destroy this murderous insanity completely, we will be doomed. They are already on a rampage to destroy the USA and if the USA world power goes down, it WILL be the end for the rest of the world.

From http://josministries.prophpbb.com/topic982.html:

In the last couple of decades, the migration from Middle-Eastern and North African countries to Sweden has drastically increased. Now more than ever, after the unrest that has taken place in several Arab countries. Right now the amount of people we take in is over 100 000 people/year, this is a huge number in a country of 9 million people. This year the biggest group BY FAR migrating to Sweden is Syrians:

And with this, crime has skyrocketed (especially sexually oriented ones), people are being recruited by terrorist groups through the mosques to wage war on the Swedish people, or by their words: the impure, the unholy and the unbelievers. All under the supervision of the oh so friendly local imam of course.

The media has gone out of their way to keep the Swedish people in the dark about this, by not mentioning who committed a crime if it was an immigrant. In the last decade rape and sexually oriented crimes has gone up drastically from a bit over 10 000 in 2003, to over 16 000 this year (this is huger per capita). Mentioning that this has something to do with the Muslims to the hyper-liberal that generally the Swede is, is of course very racist and you're in for the stigmatization of the century. But logically such a drastically increase is not because suddenly Swedish men has gotten a taste for rape, but that we take in such an insane amount of people from a culture that teaches if you're not covered from head to toe, you are asking to be raped.

The future is looking dark, and if this continues Sweden may turn into an Islamic country in a few decades. This is also paving the way for race-mixing of massive proportions. The only political party (SD-The Sweden Democrats) that opposes immigration in such a huge scale are pro-israeli hypocrites, and has admitted to having no control over immigration policy.

1 IN 4 SWEDISH WOMEN WILL BE RAPED AS SEXUAL ASSAULTS INCREASE 500%

http://frontpagemag.com/2013/dgreenfield/1-in-4-swedish-women-will-be-raped-as-sexual-assaults-increase-500/

By Daniel Greenfield:
“1 in 4 Swedish Women Will Be Raped as Sexual Assaults Increase 500% 

Sweden has imported huge numbers of Muslim immigrants with catastrophic effect.

Sweden’s population grew from 9 million to 9.5 million in the years 2004-2012, mainly due to immigration from “countries like Afghanistan, Iraq and Somalia”. 16 percent of all newborns have mothers born in non-Western countries. Employment rate among immigrants: 54 percent.

Sweden now has the second highest number of rapes in the world, after South Africa, which at 53.2 per 100,000 is six times higher than the United States. Statistics now suggest that 1 out of every 4 Swedish women will be raped.

In 2003, Sweden’s rape statistics were higher than average at 9.24, but in 2005 they shot up to 36.8 and by 2008 were up to 53.2. Now they are almost certainly even higher as Muslim immigrants continue forming a larger percentage of the population.

With Muslims represented in as many as 77 percent of the rape cases and a major increase in rape cases paralleling a major increase in Muslim immigration, the wages of Muslim immigration are proving to be a sexual assault epidemic by a misogynistic ideology.

The statistics are skewed by urban centers where the Islamic colonists cluster. In Stockholm this summer there was an average of 5 rapes a day. Stockholm has gone from a Swedish city to a city that is one-third immigrant and is between a fifth and a quarter Muslim.
Sweden, like the rest of the West, will have to come to terms with the fact that it can either have female equality or Muslim immigration. It cannot have both”.

Now, we all know that Feminist and Social Marxist/Liberal parties rule Sweden. Let us ask their opinion on raping their people.

JIHAD WATCH Report: Sweden’s population is “skyrocketing” because of Muslim immigration. Shocking 5.6 percent population increase in only 8 years.

In April 2012, a member of parliament from the Center Party, Staffan Danielsson, spoke out in Svenska Dagbladet:

‘This issue is seldom discussed by the established parties. Of course I am for an open and generous immigration and refugee policy in Sweden, but I think it is legitimate to discuss why unaccompanied refugees into Europe so often choose to come to Sweden. We know that our resources for receiving them are constrained, and if developments in Afghanistan or Somalia go in the wrong direction, the influx could rise significantly.

I am convinced that it is important to have a calm and objective dialogue on the questions that I ask, and it will ultimately benefit the continued commitment to a high acceptance of refugee reception, rather than the opposite,’ said Staffan Danielsson.

From Wikipedia: what is "Center Party":

Centerpartiet is a pro-immigration party, and in their campaign for the Swedish general election, 2006, they proposed to double the number of immigrants entering Sweden to 90,000 persons, or 1 per cent of the Swedish population. This was to be facilitated by issuing green cards.

Swedish feminist party wins EU seat with anti-racism drive

http://uk.reuters.com/article/2014/05/26/uk-europe-election-sweden-idUKKBN0E60YV20140526

"With much of Europe veering to anti-immigration groups, Sweden has elected the only formal feminist party to the EU parliament with a Roma woman as its representative.

The Feminist Initiative (FI), founded by a politician famed for publicly burning 100,000 Swedish crowns to protest unequal pay and funded in part by an ABBA member, grew from almost nothing in polls a few months ago to win over 5 percent of the votes and one MEP.

The party garnered votes with its "Out With Racists And In With Feminists!" slogan.

The victory highlighted Sweden's fault lines - a country proud of its treatment of women and minorities but facing both gaping wage differentials and an anti-immigrant backlash that saw the populist Sweden Democrats win 10 percent of votes.

Immigration into and within the EU propelled far-right parties to big wins across the bloc, most notably in France and Britain, in the European Parliament elections.

Mainstream politicians are now promising tougher policies in an attempt to win back voters soured by years of economic doldrums and crisis.

FI has campaigned by linking the risks the far right pose for both immigrants and women."

This is how the body of a Swedish rape and murder victim was found. Even though immigrants in Denmark are strongly overrepresented as perpetrators of rape and other violent crime, the situation in Sweden is far worse. Sweden is the nr. 1 rape country in the world, only surpassed by Lesotho in Africa. Like in Norway, Denmark and other European countries, most of these rapes are done by immigrants, refugees, asylum seekers. But in Sweden they wisely don't keep statistics on ethnic backgrounds, and it is completely off limits to even discuss reality in this Socialist nightmare.

Do you know why? There is simple answer Marxist Jewess Babara Spectre is going to give you and the above dead woman:

EUROPE HAS NOT YET LEARNED HOW TO BE MULTICULTURAL!!!!!!
Now to Denmark situation.

Balder Blog. Denmark: More than half of all rape convicts are immigrants and their descendants

http://blog.balder.org/?p=1447

Quotes of so called left Jew World Order orientated leaders of Denmark:

"Since immigrants and descendants only make up 10% of the Danish population, this shows that there are more than three times as many with foreign backgrounds who are convicted of rape, as there are Danes convicted for the same crime. The numbers shocked the chair woman of the parliamentary committee for judicial matters, Karina Lorenzen from the left wing Socialist Party [Socialistisk Folkeparti - SF] was shocked when she heard the figures.

It is very disturbing that immigrants and refugees are so grossly overrepresented
among those convicted of rape compared to indigenous Danes.

'Every rape is one too many. Now I don't know if the victims are Danish girls [you bet they are almost exclusively Danish girls, just as the victims of immigrant crime are exclusively indigenous white Danes], but it seems as if there are some immigrants who have not learned, that a girl in a short summer dress is not the same as an invitation to sex.

We should consider if we should let Danish sexual morality be part of the course immigrants and refugees take part in when they come to Denmark', she says, according to the newspaper B.T.

The spokesman for judicial affairs Jeppe Mikkelsen from the extremely immigrant friendly globalist Radical Party [right wing in financial affairs, but extremely 'liberal' on social issues] thinks that it will take a longtime integration effort to stop the problem."

Question to Jeppe Mikkelsen. While this "longtime integration effort" for muslims at the expense of Danish taxpayers will be taken, HOW MANY DANISH WOMEN MUST DIE, BE RAPED, MUTILATED AND GENOCIDED AT THE HANDS OF THOSE NEWCOMMERS WHO STILL HAVE NOT LEARNED THAT SHORT DRESS IS NOT A INVITATION FOR A MURDER!!!!!!!!!??????

"Marxist researcher: Danish girls ought to learn

The newspaper then quotes 'a senior researcher' with the State Institute for Public Health; Karin Helweg-Larsen, 'who has done life long research of assaults', there can be 'many reasons' for the fact that immigrants are so grossly overrepresented in the rape statistics.

Judges can have a subconscious tendency to convict the nice [white Danish] boy from the suburbs, but he convicts the young gangster from Norrebro [immigrant infested area in Copenhagen].

And then Danish girls should also learn that there is a difference in how one acts toward people from different cultures, Karin Helweg-Larsen says.

The patriotic blog Uriasposten was quick to uncover some details about this
'researcher'.

During the sixties, Karin Helweg-Larsen was among the founders of the extreme left wing Marxist party 'Venstresocialisterne' [VS].

In 2009 she was elected in the Copenhagen region for the Marxist party Enhedslisten, whose party program still talks of a socialist revolution, disbandment of the army and the police, and restrictions on the media.

The party is closely affiliated with the violent left wing Antifa group, and many of its leading members, including their popular angel faced leader Johanne Schmidt-Nielsen have themselves taken part in demonstrations and subversive actions where violence played an integral part.

I remember sweet little innocent Johanne Schmidt-Nielsen, when she as a member of the Antifa offshoot SUF in 2001 tried to block a demonstration against a wave of mass rapes in my home town Odense... Now this former member of the violent left wing extremist organization is in Parliament.

No wonder the number of rapes by immigrant thugs only has gone up since."

Nanna Skovmand, Danish victim of muslim assault: “The blood is streaming from my mouth, the back of my head and the other wounds. My lip is split in two, all the way up to the nose. ... I do not understand.. I am left with a lot of questions. Why? Why us? What is the meaning of this extreme violence? What is happening in the head of those immigrants, when they thrash a couple that is on their way home from Christmas Eve? I am filled with hate, frustration, and sadness. I do not want them in my neighbourhood, my city, or my country.”

Lady, this Marxist/Feminist leader has an answer:
"Danish girls ought to learn" [muslim rules]

Now to Norway, the country with one of the highest ranks of welfare, purest White Race people and highest culture...

Norway, Rape and Multi-culturalism by Robert Whiston FRSA Jan 9th 2011 Excerpt

https://falseallegations.wordpress.com/2011/01/09/16/

"In the late 1990s and early 2000s rapes in Norway and particularly in Norway’s capital, Oslo, were increasing at an alarming rate for such a sparsely populated country. It was possible to accurately claim that the number of rapes in Oslo per capita was six times higher than the per capita rate for New York City.

According to the newspapers Aftenposten and Dagbladet, the emergency hospital known as Legevakt has never had so many rape victims to treat.
“Our resources have been the same for the past 10 years, while the number of our patients has doubled, and continues to increase this year,” said Endre Sandvik, leader of Oslo’s Legevakt.

The number of reported rapes increased from 235 last year to nearly 300 women seeking help at Oslo’s emergency clinic handling rape victims in 2006.

“The growth in the number of rapes is dramatic,” said Sylvi Listhaug, the politician in charge of health issues on the Oslo City Council. “It makes me angry, and worried about the young women of our city.”

The explosion in the number of rape charges in Oslo involved immigrant perpetrators, which were mostly Muslims. In 2001 a police study noticed that two out of three persons charged with rape in Oslo were “immigrants from a non-western background.” A glance at Norway’s population statistics shows between 3 and 4 times more immigrants living in Oslo than any other Norwegian city.

Yet Unni Wikan, a professor of social anthropology at the University of Oslo, said in 2001 that because Muslim men found their manner of dress provocative:

“Norwegian women must take their share of responsibility for these rapes.”

The professor’s conclusion was not that Muslim men living in the West needed to adjust to Western norms, but the exact opposite:

Left: Professor Unni Wikan (b 1944)

“Norwegian women must realise that we live in a multi-cultural society and adapt themselves to it.”

Wikan has campaigned since the 1990s to change Norwegian policies towards immigrants and argued that generous welfare payments and a policy of multi-cultural tolerance are creating a culture of welfare dependency, and destroying self-respect.

In the core countries of the Scandinavian bloc, i.e. Norway, Sweden, Denmark, not dissimilar problems are being faced, all having jointly adopted similarly generous
social and welfare policies many years ago.

In a 2001 debate about the culture of rape amongst Muslim immigrants in Norway, Wikan said that Norwegian women were ‘blind and naive’ towards non-Western immigrants;...

The quotes of Unni Wikan:

"Norwegian women must take responsibility for the fact that Muslim men find their manner of dress provocative. And since these men believe women are responsible for rape, the women must adapt to the multicultural society around them."

"The numbers don't surprise me at all. Many immigrants think Norwegian women send them signals that ask for sexual contact. And then it can quickly go wrong. Many Norwegian women have by far poor knowledge of non-Western men's attitude towards women," says Wikan.

"It is never acceptable with rape. But it is understandable that some men from non-Western countries think that they get sexual invitations from Norwegian women who on their side are just acting normal for a Norwegian woman. It is sensational how blind and naive Norwegian women can be towards non-Western men," says Wikan.

She knows that she will be criticized for these statements, but thinks the debate is important.

"I will not blame Norwegian women for the rapes. But Norwegian women must understand that we live in a multi-cultural society and adapt themselves to it."

Unless they have a desire for sex Wikan advises Norwegian women, as strongly as possible, not to invite home, for example, Muslim men with little knowledge of Norwegian culture.

She points out also that rapists in most Muslim countries are hardly punished.

"In most places people think that it is the woman who holds the blame for the rape. And it is reasonable that immigrants take with them such attitudes when
they flee here to the country," says the professor, who herself has lived many years in Muslim lands."

Unni Wikan, a professor of social anthropology at the University of Oslo... Now let us see what is social anthropology to know what ideology this professor is based upon:

Death of Communism. On Racism and Equality Excerpt

"A little about history of racism from Jewish Communization of America:

The Boas wing pseudo science gone wild:

The Jew Boas was the major paradigm created for the fake science that "PC" Social Marxist dogma is build upon.

Dr.Duke in his book in the chapter "Jews, Communism and Civil Rights" states:

Franz Boas is the accepted father of the modern egalitarian school of anthropology. He was a Jewish immigrant from Germany with little formal training in the anthropological field, having done his doctoral thesis on the color of water. Boas introduced what he called "cultural anthropology" to the discipline. Until his arrival, anthropology fell in the realm of physical science. Boas effectively divided anthropology into the separate disciplines of cultural and physical anthropology.

Early physical anthropologists were truly race scientists because they studied man and his evolutionary development through the study of the measurable physical characteristics of the human races, past and present. Any good physical anthropologist could pick up a human skull and, based on its characteristics, quickly identify the race of the specimen. Of course, this physiological knowledge was vital in sorting out the unearthed remnants of early man and piecing together man's prehistory and evolutionary development. Cultural anthropology dealt more with the different contemporary cultures of mankind and culturally related questions of antiquity and prehistory, making it a far less precise science, and one open to wide interpretation.
Surprisingly, before he became such a prominent anthropologist, Boas expressed his acceptance of racial differences in mental characteristics. In The Mind of Primitive Man, he wrote:

Differences of Structure must be accompanied by differences of function, physiological as well as psychological; and, as we found clear evidence of differences in structure between races, so we must anticipate that the differences in mental characteristics will be found.

Both of Boas' parents were radical socialists in the revolutionary movement that swept over Europe in 1870. In his biography of Boas, his student Melville Herskovits wrote that Boas' political sympathies "leaned towards a variety of socialism." The United States House of Representatives cited Boas' involvement with 44 Communist-front organizations. Coinciding with the rise of Nazism in Germany and the increasing influence of racially aware anthropologists in the world scientific community, Boas began to marshal his anthropological influence in service of his political sympathies. He began to advance the quack idea that there are really no such things as individual human races. He argued that although they had variations of skin colors and features, the groups called races possessed little difference genetically and that, whatever their superficial differences, solely their environment created them. By 1938 Boas dropped the above quotation from the new edition of his book.

He gathered many Jewish disciples around him, including Gene Weltfish, Isador Chein, Melville Herskovits, Otto Klineberg, and Ashley Montagu. He also had among his followers the Negro K. B. Clark and two women, Ruth Benedict and Margaret Mead. Mead later wrote her famous book on Samoa (Coming of Age in Samoa) suggesting that indiscriminate sexual relations would lessen teenage traumas and problems. (Her opus was later soundly refuted by Derek Freeman, who showed that Mead had falsified her data on Samoa.)

Boas and his entire cadre of disciples had extensive Communist connections. He repeatedly proclaimed that he was in a "holy war against racism" and he died suddenly during a luncheon where once again and for the last time, he stressed the need to fight "racism." Boas and his comrades gained control over the anthropology departments of most universities by encouraging their egalitarian comrades to always use their positions to support their own in academic
appointments. While traditional anthropologists had no ax to grind and no sacred cause to champion, Boas and his followers embarked on a holy mission to extirpate racial knowledge from the academic establishment. They succeeded.

Now we see that social anthropology is as well a part of Social Marxist and Feminist programs.

The Social Marxist's answer to the above child:
So taking into consideration that Feminism and Social Marxism are actually the same Jewish program that holds the same principles in regards to immigration, I wonder what protection they propose for their women citizens. Let’s see if man is allowed to protect women from rape in Feminism:

There is such theory in Feminism as "benevolent sexism" according to which any action of a man which is aimed to save life, protect, sustain or in any way help a woman is considered "sexist". Actually Feminism (i.e. Social Marxism/Communism) disallow men to benefit women in any possible way, being their friends and allies, or to love them. The only thing Jewish Feminism allows men is being their enemies or indifferent. Remember Jewish New Testament:

34 Think not that I am come to send peace on earth: I came not to send peace, but a sword.
35 For I am come to set a man at variance against his father and the daughter against her mother and the daughter in law against her mother in law.
36 And a man's foes shall be they of his own household.
- Jesus of Nazareth (Jewish New Testament, Matthew 10: 34-36)

"Alex Berezow in USA Today, reviewed the categorization of what constitutes different types of sexism according to the study:

“A man telling a woman to stay in the kitchen qualified as sexism. But a man opening a door for a woman or believing that women should be rescued first in a disaster qualified as "benevolent sexism." Tired of hearing about sexism? That's sexist, too."
Interesting fact that those promoting feminism are attacking only White men alone. No one of these 2 jewesses in the links below for example ever confronted muslim rapists. Instead Feminists Anita Sarkeesian and Bahar Mustafa say something that have ABSOLUTELY NOTHING to do with women rights:

Comissar: 'KILL ALL WHITE MEN' Just A Jew Puppet

"Bahar Mustafa, Vice-President for Welfare and Diversity at Goldsmiths Student Union, first sparked fury last month when she appeared to ban all white people and men from an 'equality' event. "KILL ALL WHITE MEN" - Mustafa.

Ms Mustafa, who attends Goldsmiths University in London, said the use of the words "white trash" - an offensive American term referring to poor white people - had been "not professional".

But she defended her use of the hashtags, including #KillAllWhiteMen, as nothing more than "in-jokes" about the ways in which "many people in the queer feminist community express ourselves".

She added: "It's a way of reclaiming the power from the trauma many of us experience as queers, women, people of colour, who are on the receiving end of racism, misogyny and homophobia daily."
Question to Bahar Mustafa. IF YOU WANT TO KILL ALL WHITE MEN OF WHITE COUNTRIES AND PROCEED MUSLIM RAPIST IMMIGRATION THERE, AS IT IS INSTRUCTED IN YOUR SOCIAL MARXISM, WHY WOULD YOU NOT TELL US WHAT IS THEN GOING TO HAPPEN TO WHITE WOMEN LIVING THERE AFTER YOU DO IT GIVEN YOU ARE A FEMINIST?

"Everything is sexist, everything is rasist, everything is homophobic" - Anita Sarkeesian, a Canadian-American feminist media critic, blogger, and public speaker.

https://www.youtube.com/watch?v=SA0aKjY8K50

Returning to Feminist Initiative in Sweden, there were some moments which also question their "concern with women rights":

"Schyman is one of Sweden's most prominent political feminists and had attracted attention when she in 2004 asked how society and men would take responsibility for the violence against women. This question came in the form of an investigation, which was dubbed "man tax" by Swedish journalists since they assumed that was how the problem would be resolved." -Wikipedia.

Question to Swedish women: HOW DO YOU THINK WHO WAS SUPPOSED PAY THIS TAX: RAPIST IMMIGRANTS WHO HAS NO CITIZEN RIGHTS AND SO NO TAX RESPONSIBILITY? OR YOUR FATHERS AND HUSBANDS WHO ARE THE ONLY ONES TO PROTECT YOU FROM THEM [which Feminist theory disallow them to do]?

The quotes of their leaders like Tiina Rosenberg, such as "women who have sex with men are traitors to their sex" as well as their "the decision to campaign to abolish marriage" relates much more to the jewish torah/bible quotes of rejection of sex and one's family members than to women rights:

Matthew 10: 37
37 He that loveth father or mother more than me is not worthy of me; and he that loveth son or daughter more than me is not worthy of me.

59 And he said unto another, Follow me. But he said, Lord, suffer me first to go
and bury my father. 60 Jesus said unto him, Let the dead bury their dead: but go thou and preach the kingdom of God.

61 And another also said, Lord, I will follow thee; but let me first go bid them farewell, which are at home at my house.

62 And Jesus said unto him, No man, having put his hand to the plough, and looking back, is fit for the kingdom of God.

Matthew 10: 34-36
34 Think not that I am come to send peace on earth: I came not to send peace, but a sword.
35 For I am come to set a man at variance against his father and the daughter against her mother and the daughter in law against her mother in law.
36 And a man's foes shall be they of his own household.

Matthew 19: 12
12 For there are some eunuchs, which were so born from their mother's womb: and there are some eunuchs, which were made eunuchs of men: and there be eunuchs, which have made themselves eunuchs for the kingdom of heaven's sake. He that is able to receive it, let him receive it.

Now lets see Feminism in action. Live example. An act of rape. Whom protects Feminist:

Feminists Pave the Way for Women to be Raped

http://www.faithfreedom.org/oped/AmberPawlik31229.htm

"Feminists, who are just one arm in the multiculturalist, socialist left establishment, are quite loud in talking about women’s rights in the Middle East. Indeed, they are justified in complaining about the poor treatment of women in the Middle East. Under Saddam’s regime, his two sons would point to the women they wanted, then rape them. Under the Islamic regime in Iran, Iranian women are hanged for committing adultery. Feminists win over the hearts of Westerners because all Westerners agree this type of behavior is ugly and wrong. Westerners overwhelmingly favor peace and liberty for everybody.

But feminists are exploiting Western compassion. It is time to pull the pants off of these beasts: they never were and never will be in favor of women or women’s
rights. Their recent response to gang rapes in Australia reveals them for what they are.

In Sydney Australia, two men, Pakistan-born Muslims, were found guilty of gang rapes of two teenage girls. This comes as strict justice for a growing problem in this region. Muslim men have been roaming Sydney gang, raping non-Muslim women, calling them "Aussie pigs" and "sluts" who ask for it. If previous jail sentences are any indication of their punishment, a 55 yr long jail term is in their future as was given to Balil Skaf.

This, of course, is a victory for women’s rights. Especially in Pakistani culture, where honor killings take place, the shame is often placed on the rape victim not the aggressor. One would think feminists would embrace such a court ruling.

But feminist reaction was not praise; it was hostility. Those in the audience at the conference that announced the news cried the convictions were “nothing but racist prosecutions.” They were outraged over the “racism” of the strict punishments given to the Muslims rapists.

To these feminists, protection for Muslims – to stop “racist” comments about Muslims – out-trumps justice for rape victims. The Anti-Discrimination Board in Australia pumped out pamphlets chastising the media for “Anti-Muslim” bigotry – meanwhile non-Muslim women have to worry about being brutally raped by a gang of Muslim thugs."

Now let us see the real face of jewish program of Feminism:
It is in the Jewish interest, it is in humanities interest that whites experience a genocide. Until white children are burned alive, white women raped, mutilated, murdered and all white men who have not been slaughtered watch powerlessly as their people are terrorised; only then will mankind be on a more equal footing, ready to discuss white privilege and the apparent chip on the shoulder that minorities have. - Ishmael Levitts

Koran And Holy Bible Are The Same: Full Proof that Christian Leaders of both Europe and Russia are fighting for Islamization and White Genocide

There is such shit as a "Three Faiths Forum" out there in the net. Just type it in the search and a jewish paid crap of tolerance and mulculture will pop up in the first line. This thing is aimed to mix and destroy Races and cultures, while using the obvious similarity of those three rat faiths, which are all jewish torah in the core. Articles below exposes well how all differences between so called "three faiths" are fake, and this fact is admitted even by their own leaders. If one read bible and coran together without being blind follower of any, they would probably think that one copypasted from another, so alike they are. First kikes invent stereotyped jewish religion for different Races and call it different hebraic names, than they force these Races to fuse with one another, using this "similarities of 3 faiths" to destroy last differences and uninc traits of their original cultures which are Pagain and NOT alike from the begining. These "three faiths" are not three but one rat faith - Judaism. This is the reason their leaders work together.

“Pope Benedicts XVIs” (not a jew himself as I was informed but definitely with obvious ties to jewism and to the jews, this is obvious considering his numerous efforts to “unite” jews and christians) visit to Jordan in which he was invited into the largest mosque in the country, where he made the statement that he has “deep respect for Islam”. He also gave a speech on the importance of muslim and christian “unity”. - High Presiess Zildar Raasi

Pope Expresses 'Deep Respect' for Islam at Beginning of Mideast Trip
http://www.haaretz.com/hasen/spages/1084185.html

"Pope Benedict XVI began a delicate trip to the Middle East on Friday by expressing "deep respect" for Islam and calling for a three-way dialogue of Christians, Muslims and Jews to help peace.

He said that peace efforts were often blocked by partisan interests and that the Church could "help reasonable positions bloom" and that it wanted to engage Jews and Muslims in a dialogue for peace.

"A trilateral dialogue must move forward. It is very important for peace and also to allow each person to live his or her faith well," he said."
Pope in Israel seeks closer Jewish-Catholic bond

"My primary intention is to visit the places made holy by the life of Jesus, and, to pray at them for the gift of peace and unity for your families, and all those for whom the Holy Land and the Middle East is home," Benedict said last week in a message addressed to Jordanians, Israelis and Palestinians.

Benedict has already had to tread carefully during the first leg of his Holy Land trip to predominantly Muslim Jordan. Three years ago, the pope angered many in the Muslim world when he quoted a Medieval text that characterized some of Islam's Prophet Muhammad's teachings as "evil and inhuman."

After arriving on Friday, Benedict said he has "deep respect" for Islam. After visiting the country's largest mosque on Saturday, the religious adviser to Jordan's King Abdullah II thanked Benedict for expressing regret that his comments offended Muslims."

Pope Francis To Followers: “Koran And Holy Bible Are The Same”
http://nationalreport.net/pope-francis-followers-koran-holy-bible/#sthash.5uheZ5iN.NLQgbfS8.dpuf
"On Monday the Bishop Of Rome addressed Catholic followers regarding the dire importance of exhibiting religious tolerance. During his hour-long speech, a smiling Pope Francis was quoted telling the Vatican's guests that the Koran, and the spiritual teachings contained therein, are just as valid as the Holy Bible.

“Jesus Christ, Jehovah, Allah. These are all names employed to describe an entity that is distinctly the same across the world. For centuries, blood has been needlessly shed because of the desire to segregate our faiths. This, however, should be the very concept which unites us as people, as nations, and as a world bound by faith. Together, we can bring about an unprecedented age of peace, all we need to achieve such a state is respect each others beliefs, for we are all children of God regardless of the name we choose to address him by. We can accomplish miraculous things in the world by merging our faiths, and the time for such a movement is now. No longer shall we slaughter our neighbors over differences in reference to their God.”

The pontiff drew harsh criticisms in December after photos of the 78-year-old Catholic leader was released depicting Pope Francis kissing a Koran. The Muslim Holy Book was given to Francis during a meeting with Muslim leaders after a lengthy Muslim prayer held at the Vatican.

St. John Paul II has courted several controversies since being elected as Pope Benedicto XVI’s replacement in 2013. Francis has gone on record to say that homosexuals are not to be judged, Proselytism is nonsense and has endorsed the usage of contraceptive by Catholics.

The Vatican will meet again with Muslim leaders in late February where they plan
to talk about further steps that can be taken to spread understanding and awareness of the Islamic religion."

In middle Ages Vatican was the centre of White genocide known as Catholic Inquisition, which attacked same European countries muslims attack now under the same protection of Catholic Pope for the same reason of destroying our original Pagan Religion:

Pope demands more Europeans dead

Nowadays Vatican lost its Middle Age power, instead it is helping more powerful enemies of the White Race such as Communism:

It is known fact that while Vatican helped Soviet Jewnion against Nazi during WW2 while Nazi was trying to infiltrate and overthrow Vatican while cleansing their own country of christianity:

What the Vatican Archives Really Say About Pius XII
http://www.newoxfordreview.org/reviews.jsp?did=0200-cavalli
"During World War II the Vatican publicly maintained its impartiality between the warring powers. This attitude often angered both sides. However, the Vatican often violated its own impartiality. For example, in the early months of 1940, the Pope acted as an intermediary between the British government and a group of German generals who wanted to overthrow Hitler. Unfortunately, the conspiracy never went forward.

Critics of the Vatican such as Saul Friedlander and Guenther Lewy often explain the Pope’s “silence” by suggesting that he saw the Nazis as a bulwark against the Soviet Union. In fact, Pius XII indirectly assisted the Soviet Union during the war."

Let us see what side Vatican takes in nowadays jew-owned immigrant war against White Race of Europe:

Pope Francis brands rejection of migrants 'an act of war'

Pope Francis has called the rejection of migrants fleeing violence “an act of war”.

Speaking to a youth group, he said the situation where desperate migrants were bounced from country to country seeking shelter was “an unresolved conflict... and this is war, this is violence, it’s called murder”.

The British government has been particularly criticised for its handling of the migrant crisis in Calais as people, some of whom who have already made the dangerous Mediterranean crossing, attempt to board trains and lorries travelling through the Eurotunnel.

Prime Minister David Cameron in particular was called "racist" by the Deputy Mayor of Calais for calling the migrants "a swarm".

He said the comments showed his "ignorance of the situation".

Foreign Secretary Philip Hammond caused further controversy on Sunday when he told the BBC he believed "marauding" migrants threatened the British "standard of living". Amnesty International condemned the remarks saying they
were "mean spirited" and "shameful".

Let us look why British Delegatory is so "mean spirited" and what is the situation he shows such an "ignorance of":

https://www.youtube.com/watch?v=rAx_1X2n_EM

Pope does not only scorns European governments for not letting more muslim rapists and cannibals in, but settle immigrants in his own Vatican and giving them expensive gifts at the expense of Europeans. My note: Vatican is one of those regions of the world that never pay any taxes, never report to anyone of their real estate, sources and what they are really funding in. Read more:

"In June, the Pope said countries that turn away migrants would need to seek forgiveness from God for their actions.

In his weekly audience in Vatican City he said: “I invite you all to ask forgiveness for the persons and the institutions who close the door to these people who are seeking a family, who are seeking to be protected.”

In 2013, he gave Christmas presents to 2,000 immigrants in a shelter near the Vatican.

Each of the gift packages sent to the Dono di Maria shelter in Rome contained a Christmas card signed by the Pope, a pre-paid international calling card and a free day pass on the metro in Rome.

Now there is an illusion going around among White Nazi society that Russia is somehow a "last harbor" of White Nazism and kike Putin with his "Rusian Christian Orthodox Church" are somehow keeping Russia "racally clean" and away of Cultural Marxism and other bad "Western" influences. This is kike racket, look here:

Putiism: communism of the 21 Century
In fact kikes try to make out of Russia and China communist global superpowers Soviet Union was in 20 century to take over this world. On the territories of both Russia and China there were very Ancient Civilizations which were swept by barbaric non-White tribes many centuries ago, one of examples of such sweep away is known today as Chingiz Khan's conquest. These countries are very Race- and Culture-mixed from the very Ancient Times already. From that Ancient point and till nowadays they have never been fully "White Nazi". That's why kikes found comfortable to make out of them the seat of their communism - because White Racial elements there have been already subverted to some point. Now let us see what the institution known as "Rusian Christian Orthodox Church" thinks about Islamization of Russia.

[https://www.youtube.com/watch?v=LEHF50oS-TM](https://www.youtube.com/watch?v=LEHF50oS-TM)

"Future belongs to muslims" - Archpriest Dmitry Smirnov

This is clearly obvious how this Orthodox leader actually admits that xianity and islam has the same "god", they are just two ways leading to the same end, just current folowers of one way are a bit closer to this end (total White genocide) than followers of the other. But their both ways' end is the same. This is a spit into faces of all delluded fools who fought for centuries against each other over these two parts of the same abrahamic crap.

If we ask jewish rabbi, we will hear the same answer, word by word. There is no actually any difference between how they both (xian leader and jewish leader) attack xianity for "straying too far" from their mutual abrahamic god, which is as
jewish in muslim coran as it is in judeo-xian bible:

'Islamization of Europe a good thing' - Rabbi Baruch Efrati
http://www.ynetnews.com/articles/0,7340,L-4299673,00.html

"Rabbi Baruch Efrati believes Jews should 'rejoice at the fact that Europe is paying for what it did to us for hundreds of years by losing its identity.' He praises Islam for promoting modesty, respect for God. Rabbi Baruch Efrati, a yeshiva head and community rabbi in the West Bank settlement of Efrat, believes that the Islamization of Europe is actually a good thing. "With the help of God, the gentiles there will adopt a healthier life with a lot of modesty and integrity, and not like the hypocritical Christianity which appears pure but is fundamentally corrupt," he explained."

As we see Russian Orthodox Church leaders fight for islamization of their countries as well as Catholic Popes do in Europe and the West - with kikes at their side. And all this hype that xianity protects Race is total hoax admitted by xianity itself:

"There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus."
- Galatians 3:28

Btw the same Dmitry Smirnov is well-known for protecting human microchipping, FRID passport and all FRID spy technology. The same person who fights for islamization and praises alien immigration, is fighting for Jew World Order and microchip implants, which blatantly shows that islam, xianity and zionism / human microchipping are interconnected and not "3 faiths" but only one:

Jew Putin who in well-known protector of "religious feelings" and even created a law forbidding any "insult to religion" after Pussy Riot incident. Though the law did not specify what exactly religion it forbade to insult, it brought Jew Putin large support of Russian muslims as well as Russian xians. A lot of deluded White Nazi consider him protecting his country from alien immigration. Here is some research exposing this lie:

Some excerpts from "Putin is an enemy of Russian state" by A. Saveliev:

"I. Putin is an enemy of Russian nation

1. During 8 years of Putin`s reign, number of ethnic Russians in Russia shranked by 8 millions. Annual demographic losses are the same as in 1990`s, when Yeltsin was in power and when Russia didn`t have huge profits from oil and gas export. Number of officially registered abortions is stable, about 2 millions per year. Quality of medical care significantly dropped, free state medicine is almost destroyed and substituted by commercial medicine. Vast majority of Russian citizens can`t afford it.

3. By changing immigration laws, Putin opened borders for millions of non-white immigrants. Many non-native societies were formed in Russian cities. They are terrorizing local indigenous population with help from Putin`s protégés, who hold all of the key positions in administrations and law-enforcing structures. All protests are stamped by illegal arrests and non-lawful court decisions.

4. Putin de-facto acknowledged an independence of Chechnya and the fact, that 500 thousands of ethnic Russians were cleansed from this region, and also gave amnesty for all bandits and terrorists, who fought against Russia. Some of the terrorists even received the “Hero of Russia” award, the highest award in Russia. Russian refugees from Chechnya didn`t receive any help, although ethnic Chechen “victims of the war” received and continue to receive tens of thousands of dollars per person.

II. Putin is an enemy of Russian society
4. Putin constantly visits social rallies of the Tatars, Jews, different diasporas of the Asian nations, but he never participated in any such event of Russian organizations.

5. Putin openly supports warm relations with Hasid’s leader Berl Lazar. Mosques start to rise in core Russian cities."

Jewish Owned Russia Marching Into Jew World Order

All the above blatantly shows how this fraud crypto-jewish organisation called "Christian Church" despite of where it is and what false front it represents (be it "orthodox" or "catholic", Russian/Soviet or "Western") works for Jew World Order, which pushes both islam, xianity and communism all together serving one and only god - THE JEWISH RACE, and fighting for one and only goal - TOTAL GENOCIDE OF THE WHITE RACE AND ENSLAVEMENT OF EVERYBODY ELSE.
Muslim immigration and the Jew World Order [microchipping humans] are pushed by the same people

And these people include xian church leaders of both West and East (Russia).

News Pope Francis says: “Koran And Holy Bible Are The Same”

“Jesus Christ, Jehovah, Allah. These are all names employed to describe an entity that is distinctly the same across the world. No longer shall we slaughter our neighbors over differences in reference to their God.”

Also Jew Francis has called the rejection of migrants fleeing violence “an act of war” and said that “that turn away migrants would need to seek forgiveness from God for their actions.”

The same Jew Francis is the one pushing the Jew World Order via barcoding human beings with microchips:

“We have examined the scriptures thoroughly, and I can conclusively say that there’s nothing to indicate that RFID Chips are Satanic in anyway. If anything, these devices are a blessing from God himself, bestowed upon humanity to solve many of the world’s ills.”

Russian Orthodox Church xian leader, Dmitry Smirnov also fully accept islam as the only future for Russia:
"Future belongs to muslims" - Archpriest Dmitry Smirnov

The same way he accepts microchip implants as the only future for Russia, as if islam and microchips were parts of the same movement, which they are:

"If there will be a FRID passport, I will be the first to accept it"
"Let them know everything. We have nothing to conceal" (about spying and databases)
- Archpriest Dmitry Smirnov

Among those people are also Jewish banksters, funding muslim destruction of Europe:

WND reported that “the refugee resettlement industry, which includes legions of immigrant rights advocates, lawyers and community organizing groups funded by George Soros, the Rockefeller and Ford foundations, among others, churned out a document in 2013 on how to deal with so-called ‘pockets of resistance.’ The document, authored by the Hebrew Immigrant Aid Society, one of the nine government contractors doing resettlement work, advised refugee advocates to research the backgrounds of local people who oppose resettlements and turn them over to the Southern Poverty Law Center for public shaming as ‘racists’ and ‘anti-Muslim’ bigots.”

One of those billionaires, Jew Nicholas Rockefeller admitted elite goal is 100% microchip population control.

About 11 months before 9/11 Aaron Russo talked with Nicholas Rockefeller (one of all the traitors in the famous and praised Rockefeller family) where he (Nicholas Rockefeller, removed from the reliable Wikipedia that has NO connections whatsoever with the corrupt banking industry!!...Ha-ha!!!) admitted that the elite’s goal is to microchip the world's entire population in order to controll and enslave everyone to 100%.

He also revealed that the events on 9/11 and the so called 'War on Terror' was a complete fraud in order to acheive their goal's.
Serbian news service report that Rothschilds are those who mainly sponsor shipping immigrants to Europe.
http://www.nakanune.ru/articles/110862/ (Russian)
Translation:
“Yes, Europe is small, but to get there from Africa needs money, and a big money, so who is the tour operator for the new barbarians? They have no horses, right? The point of this version is, somebody is financing “European migrant crisis” on purpose, thinks political analyst from Skopje, Milenko Nedelkovski, reported by the Serbian edition "Kurir". In the same time "Kurir" reports, that the immigration floods in this direction are funded by "human rights" organizations of Rothschilds, and specifies, that the shipping costs of shipping migrants across the sea — 3-3,5 thousands euros, to the specific EU country — 7-11 thousands euro.”

Now we have this quote that excellently explains why Jewish Banksters need muslim destruction of the world – it will bring them their communism:

The Fake European Refugee Crisis
by thewealthwatchman

“One of the reasons that the globalist elites love mass immigration, is because they love to flood Western job markets with infinite, cheap labor. In doing so, they can drive wages lower for everyone, and help the bottom line of all their favorite large corporations...”

“This helps to brighten up those anticipated, quarterly reports on Wall Street, all while the wage slaves continue through years of stagflation and central planning, all without significant, meaning raises in their earnings or standard of living. It’s just another wondrous ingredient of the gigantic “race to the bottom” called “globalism”.”

“Make no mistake, this “crisis” is fake, manufactured, and took a long time to plan. The banksters have big plans for Europe’s peoples, and their leadership (with a few heroic exceptions, such as Hungary’s Viktor Orban), has utterly failed to defend their peoples, and their interests.”
We know what exactly plans banksters have for Europe’s people – mass human microchipping. Btw, one of the main European “leaders”, Angela Merkel, is famous for her rampant fight for making new Islamic State out of Germany:

Germany will become an Islamic State, says Merkel

“Our country is going to carry on changing, and integration is also a task for the society taking up the task of dealing with immigrants,” Ms. Merkel told the daily newspaper. “For years we’ve been deceiving ourselves about this. Mosques, for example, are going to be a more prominent part of our cities than they were before.”

Jew supporter & German Counselor Angela Merkel warns of the "anti-Islam" movement PEGIDA in New Year's speech. Instead, she encourages the acceptance of multiculturalism given the rising floods of immigrants inside Europe in 2014. According to her, importing more and more immigrants from Islamic states is a win to the German populace:

Now here is how the Big Brother System is applied under Merkel as well:

BERLIN—Accusations that Germany’s intelligence service helped the U.S. spy on European allies have rekindled German outrage over American snooping and ensnared Chancellor Angela Merkel’s government in an espionage scandal.
Correction: May 6, 2015

An article on Friday about allegations that the German intelligence agency known as B.N.D. helped the United States National Security Agency spy on European partners and companies referred incorrectly to the B.N.D. It is Germany’s foreign intelligence agency, not its domestic one.

Germany spied on France and EU commission: Report

German Chancellor Angela Merkel’s government has been embarrassed by reports that the country's intelligence service was spying on France and the European Commission for the US National security agency (NSA).

According to the Sueddeutsche Zeitung newspaper on Thursday (30 April), the BND, the German intelligence service, listened in on officials from the French presidency and foreign affairs ministry, as well as the EU Commission.

Germans are so scared of surveillance they microwave their ID cards

It’s not only American surveillance that Germans are concerned about, however. On Tuesday, a 29-year old man was arrested at Frankfurt Airport after authorities noticed that he had microwaved his German identification card, reported German news agency dpa.

All of this shows just how well these 2 things work in combination to bring communism. They pay for shipping of muslim criminals in your country to make crime out of hand, than they propose microchips and mass surveillance as the only solution for this out-of-hand crime. Islam IS communism, human microchipping is too. Microchip slavery is not an answer on muslim destruction of your country, Spiritual Warfare is:

Fighting islam

As we all know, islam is a vile and exceptionally dangerous program which has infested humanity for far too long. High Priestess Maxine Dietrich has also mentioned the urgent importance of fighting against this program and opening the eyes of our Gentile People to the truth concerning the horror of what this program is really designed to do.

Spiritual and online warfare is vital, and all of us should be doing our part to assist, in some way. Get onto yahoo answers, religious forums, discussion boards and even news forums where islam is being discussed and give the following link: http://exposingthelieofislam.weebly.com/

As High Priest Don has mentioned in the past, the quran is based on the jewish "torah". It is a jewish program through and through, designed to further the enemy agenda. Let people know this, and let them know that it is FOREIGN and unnatural to the Gentile People. Let them know that it is based upon stolen and corrupted material, and let them know that it is centered around the destruction and enslavement of our Gentile People.

This is extremely important at this point in time. Do your part to rid the world of this disease and return the Truth of our Father Satan to humanity!

Hail Father Satan!!
Hail Beelzebub!!
Hail Lilith!!

Heil Hitler!!
Heil Heinrich Himmler!!
